Umm... what would usually go here is the summary of events up until this point... I kind of figured that this was really pretty much useless since I'm guessing all of you that have downloaded this have also pretty much downloaded the other releases and you'll know what's going on...
 Thanks for downloading my scanlations, I'm hoping to keep working on Conan until the end! (lol, I've got a bit to go yet, this is only volume 2 out of 38 so far...) Thanks to Stephen for letting me use his translations! (even though I spelt his name wrong in every release in volume 1... ^^;;)
 I hope that you guys like what I'm doing! I've made a couple of mistakes so far, so I hope I keep getting better at doing this!

Um... if anyone wants to contact me about this, my e-mail is blink2@subdimension.com, I hope to hear from you guys!

AKECHI KOGOROU

AKECHI KOGOROU IS A FAMOUS JAPANESE DETECTIVE BROUGHT TO LIFE BY EDOSAWA RANPOU. HE GIVES OFF A STRONG IMPRESSION OF BEING A DANDY YOUNG GENTLEMAN. ON HIS FIRST INTRODUCTION, HE IS DIRTY HAired AND DIRTY CLOTHED, LIVING IN A ROOM THE SIZE OF 4 AND A HALF TATAMI MATS ON THE SECOND FLOOR OF A TOBACCO SHOP, SURROUNDED BY BOOKS. HIS DETECTIVE LAW WAS THAT HUMAN MENTALITY IS MORE IMPORTANT THAN EVIDENCE. HE EXPOSED THE TRUTH IN CRIMINAL CASES USING PSYCHOLOGY. HE COULD TELL IF SOMEONE WAS A MASTER OF DISGUISE. ONE SHOULD ALWAYS BE SUSPICIOUS OF NEW CHARACTERS. THERE WAS ALWAYS AN ATMOSPHERE OF ILLUSION SURROUNDING HIS CASES. IT WOULD BE WIFE FOR UNUSUALLY TIMID READERS SUCH AS MYSELF NOT TO READ THESE ALONE AT NIGHT.

(MY RECOMMENDATION IS OUGONGAMEN, 'THE GOLDEN MASK'.)
