Shuu

loud.

Others would  
know that  
we come  
together.

What do  
you  
mean by  
that ?

What  
do I  
mean  
?

It  
means  
...

Hey young lady,  
if you are  
looking for sun  
oil, I can give

A...  
Ari

How  
come  
you  
are  
here?

What  
about  
you?

Why  
.....

Wow !!!  
That's  
amazing !!!

Husband and  
wife exactly  
thought of the  
same plan.

Ran,  
are you

How  
could you  
do this?

What?

This may  
turn to be a  
problem.

Lobby  
E-Su\* Queen  
Hotel

Please  
don't  
away like  
that, both  
of you  
...

Since we're  
already here,  
we'd better  
enjoy our  
time here

\* E-Su is a vacation  
province in Japan.

Ok?

Ok?

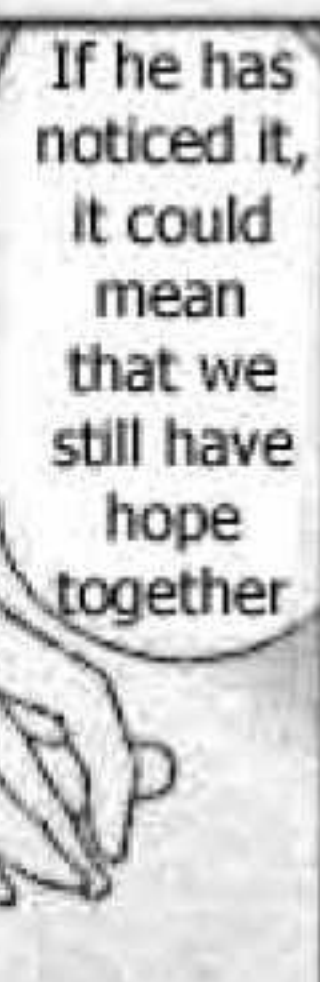

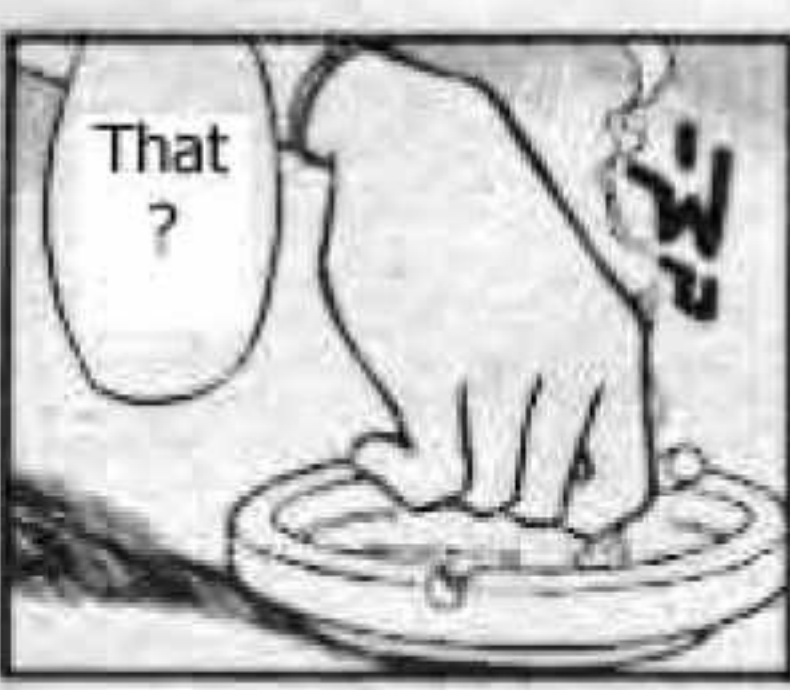

I did have a good time at the beginning, but ... after I met an old lady acting like a young girl in an eye-catching swimsuit, I suddenly lost my mood.

Oh really? And how come there was an idiot guy acting like a playboy trying to approach to this old lady? Who was that?

Umm...

My life has been terrible.

We've already separated for a while. We'd better really divorce so that I can have a new life.

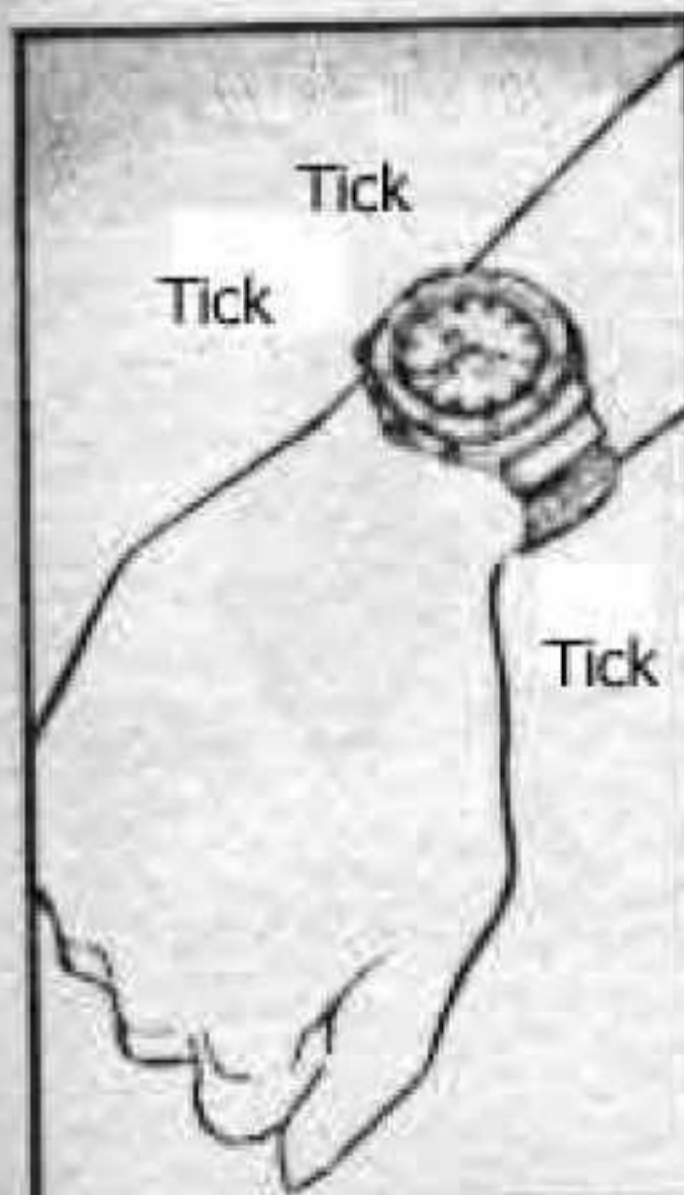

Mom !??!

Conan, don't become an adult like him when you grow up.

Yes ma'am

Although I thought of being like that, I can't really be.

Tick  
Tick

Tick

Dad has gone too long.

I think he has gone to the beach and tried to approach other girls.

Ha ha I don't think so.

HA  
HA  
HA  
HA  
HA

Huh?

It's an honor to have beautiful fans like you following my works.

I told you ...

That's must be a coincidence.

They might have met after leaving the restrooms.

Really? Look at his legs.

When he left here, there was no sand. How come there is a lot of sand now?

He must have gone to the beach and put on some sun oil to those girls.

He brought back those girls just to show off me.

Lousy

How's that possible?

Did he actually go for .....

I might think too much.

Dad !!!

Hey Ran, I like you to meet someone.

We just met at the beach. Here is Ms. Kiwako .....

Hello .....

Toda Kiwako College Student

and Ms. Harumi .....

Nice to mee you .....

Matsusaki Harumi College Student

This kid is so cute, your son ???

No, someone asked us to take care of him.

Here is my daughter, Ran

Hi

And that person is .....

His ex-wife, Ari

You both already divorced?

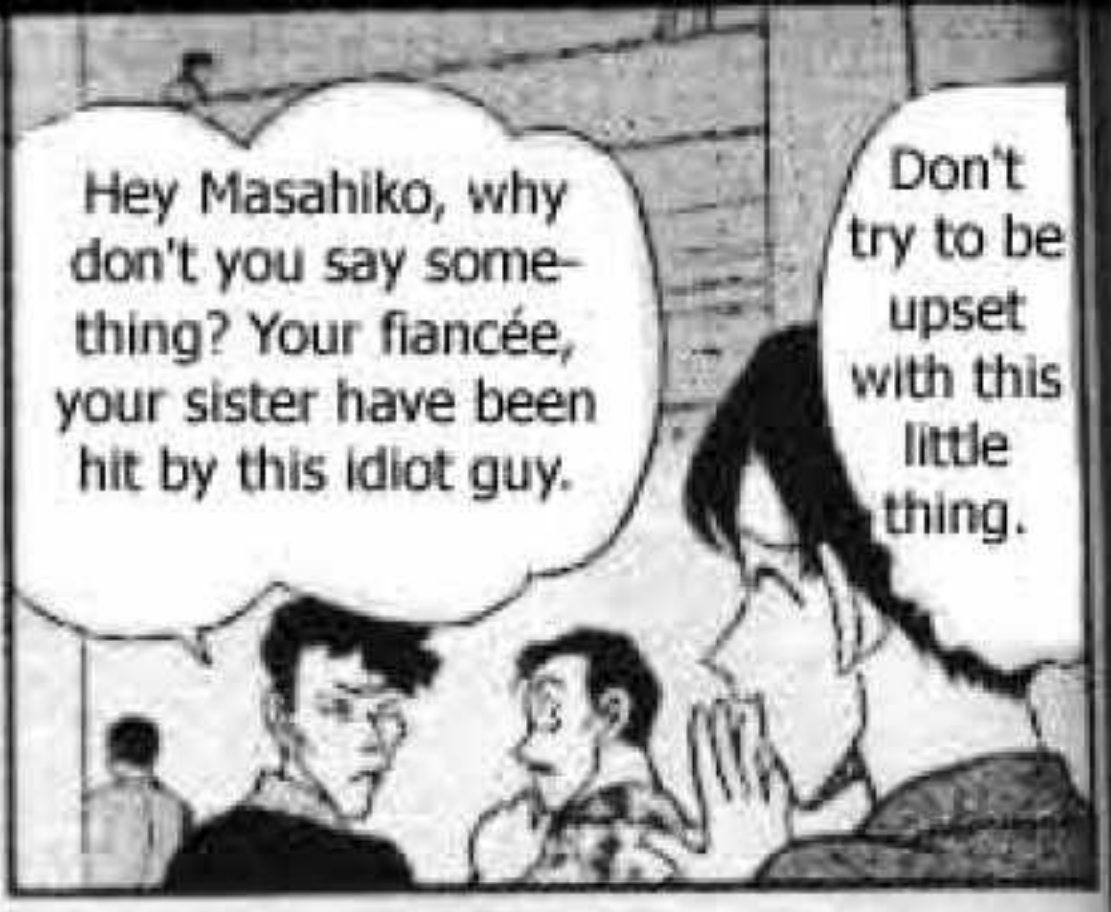

No. They're kidding

Who said it's a joke ?!?

Hey old man ...

Seaside Restaurant  
**BIG WAVE**

Ohhh  
.....

You all are  
the members  
of the Diving  
Club at your  
school  
?!

Yes. We went to  
have a dive this  
morning.

Next week is your  
wedding, right? So  
you dive today to say  
goodbye to your  
single  
status,  
right?

No. We plan  
to have  
another dive  
tomorrow,  
too.

It was very difficult to  
persuade a person who  
can't swim like my  
brother  
to join this  
Diving Club.

Hey  
.....

Can't  
swim  
?

Although he can't  
swim, it's still OK  
to dive because  
we use oxygen  
tanks.

He has not  
known how  
to swim  
since he was  
a little kid.

Don't  
tell  
that.

Since  
little  
kid?

Then, Mr. Matsusaki and Ms. Kiwako have known each other since you were little kids, right?

That's right.

Wow, you have been friends since you were young and going to get married

That's the same case as my father and my mother.

Right ?

Right ?

Huh, be friends since being little kids, how many more of this kind of couples would have suffered marriages.

There is no stupider idea than marrying with the person who you think you know well and will have happy lives together.

Any way, your case could be different. However, if you think your wife may be cheating on you, feel free to contact Detective Mouri Kogoro's Office at any time.

When you want to file for divorce and want to get a lot of alimony from your husband, don't forget to contact Kisaki's Law Firm.

We are happy to serve you.

How come it turns out to be like this?

Incredible ...

By the way, where is another friend of yours?

You mean E-To ?

He said that he would go snorkeling a little bit more.

Snorkeling ?

It's diving without using an oxygen tank.

Doesn't he want to eat anything?

He is quite crazy. He loves sea more than girls.

He may choose to marry with a shark.

ha ha ha

Harumi, could you go to my room and bring me a new towel?

Huh?

Kiwako, you want to...

Yes...

I want to go into the sea one more time.

But you just had some alcohol. Why don't you go tomorrow?

I drank just a little bit. No problem to go snorkeling.

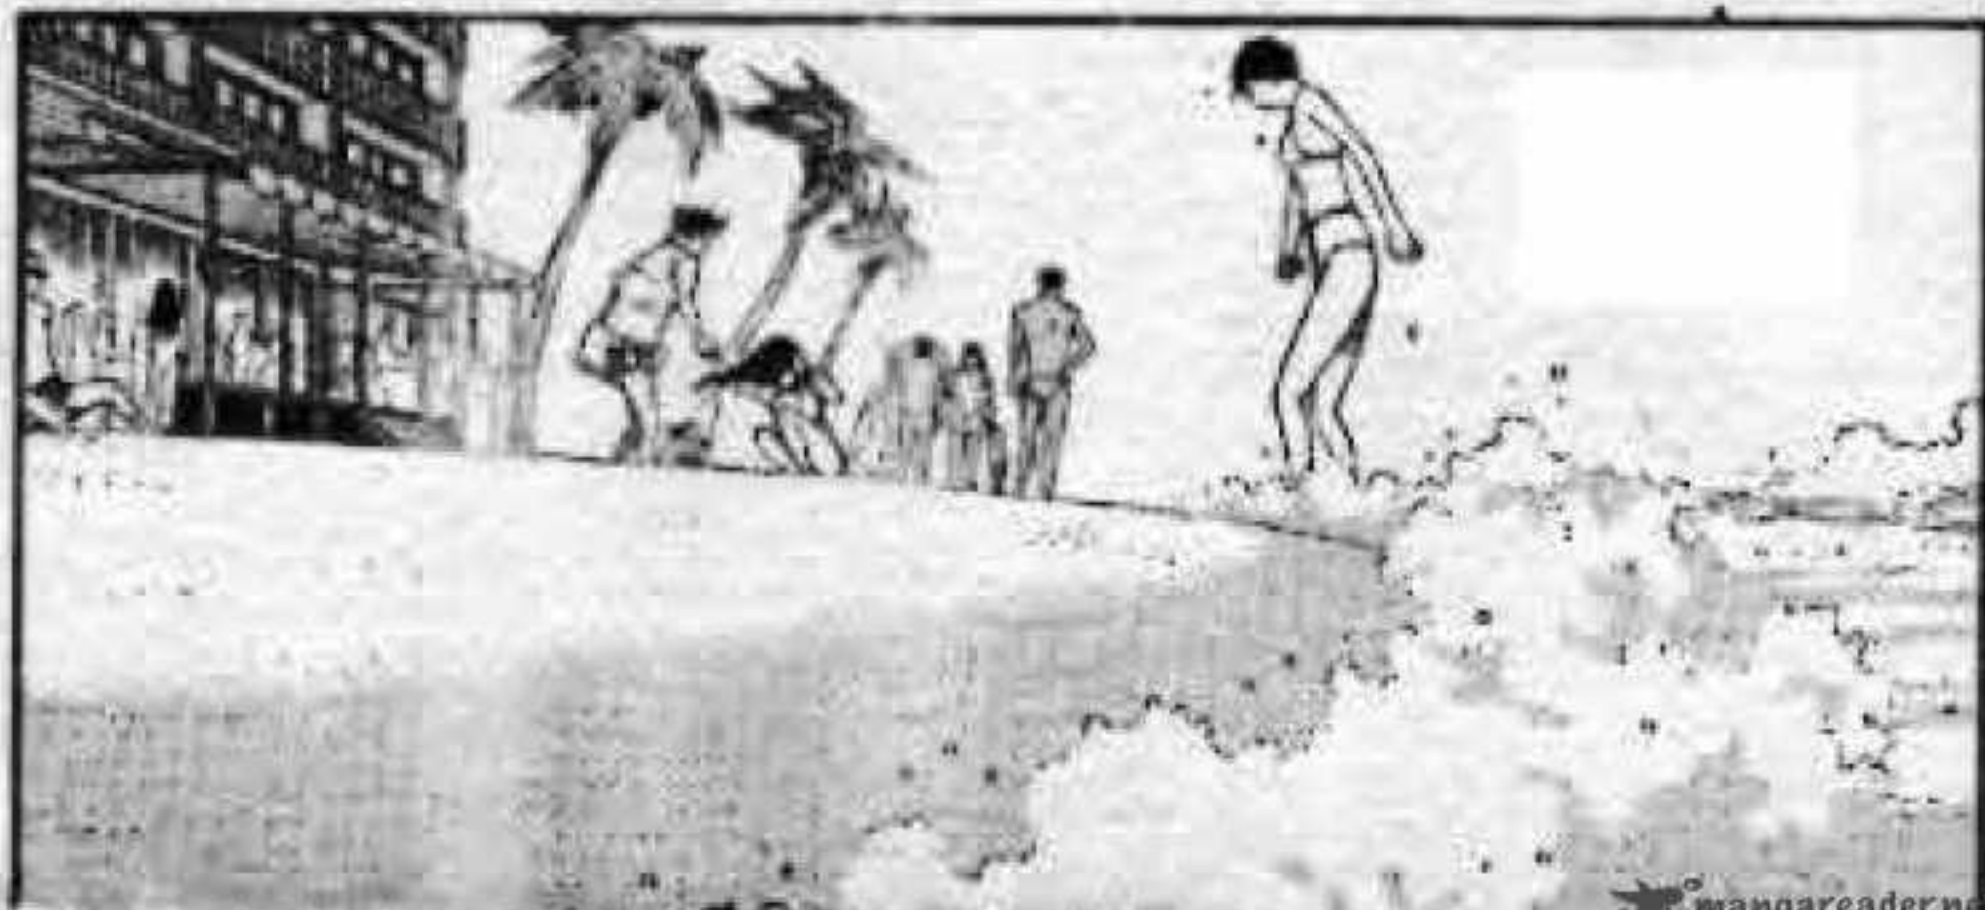

I can go with you if you like.

No no. I want to snorkel alone.

Harumi, please take care the rest for me

Kiwako.....

The waves look very strong right now ...

Is Kiwako going to be OK ???

Hey, here he is, here he is !!!

Hirochi ? You were with Kawasaki ?

Yeap. We just met in the restroom.

I really have a good time today !!!

Ha Ha Ha

E-To Hirochi College Student

Matsusaki, where is your girlfriend?

In the sea ...

Didn't you meet her there ?

No.

Hey, she is there, waving to us !!!

Kiwako !!!

Huh?

Stupid. You can't swim. You should not come out here.

Kiwako, stay still.

You're OK now.

Huh?

What is that?

HEY

Where is Masahiko?

He is standing there.

Really?

I feel good now.

!?

Hey, Prince charming, let her piggy-back-ride you.

Don't worry. Her legs might be numb, so she went drowning.

Sa... Snake ...

Sea snake !?!

Huh ?

Is ...

Is it .....

I told you not to come out. You should believe me.

Hey, Kiwako ...

Ki ...
