Kiwa
ko
!???!

Kiwako,
what's
wrong with
you?

Hang in
there
...

Don't try
to move
her
!!!!!

What
?

Ms. Kiwako
might be
bitten by a
sea snake !!!

Snake

Sea
snake
!?!

Yes. There
was a sea
snake
around
that area.

Then, there must
be a snake bite
somewhere.

hand

Left
hand

Left
hand
?

Found
it
!!!

Snake
bite
!!!

Kiwako
was
really
bitten
by a
snake

We have to cut
off the blood
circulation and
suck out the
poison

Who has
anything we
can use to
fasten her
wrist?

Can we
use this
handker
chief?

Kiwako
...

Hey Kid,
how come
you know
it's the sea
snake?

Hey,
kid
!?

I saw it. Its
length is around
40 cm.

What
happened
?

Right
...

Just a
normal
drawing.
She should
be OK
now,
right?

Please
call the
ambulance,

Why
?

A sea
snake bit
Ms.Kiwako
on the
back of
her hand.

Sea
snake
!?!

It has
poison,
isn't it?

WU

Conan ...

What? How come he took the ice tea?

It's the Tannin.

The substance Tannin in tea can be used to disinfect snake bite. It's the best first-aid method to treat a person bitten by a sea snake.

The person who is going to suck the poison out must also wash the mouth with tea first.

How come he knows ?

That kid has excellent right mind.

He knows how to take care several things while adults like us just standing here.

You were a policeman before. You should be ashamed that you don't know this, but the kid knows.

What ?

I'm going to call the ambulance. You should go ask the kitchen to make more green tea that has a lot of Tannin

Could you do that Mr. detective?

.....

I found it !!!

It must be this one !!!

Sea Snake "Arabu"

Sea snake Arabu ?!?

How come E-Su has this kind of snake?

We have it sometimes. Arabu could swim across the warm tide to E-Su.

There has been a news that a fisherman got bitten. It didn't hurt much, but he died shortly after that.

You guys already knew that there are sea snakes in the sea. Why do you still allow tourists to swim?

No no. That person got bitten because the snake came with the fishing net. The fisherman was not careful enough, he got bitten

Arabu is a quiet snake. Normally, it won't attack humans. Our hotel has been up for 20 years, we never had any guest got bitten by a sea snake before.

It's possible that she disturbed the snake first, so the snake bit her.

Um ...

No. That's not right.

The snake bite shows that it's not an accident.

It's an intention !!!

Somebody brought the snake to bite Ms.Kiwako !!!

Somebody who was in the sea as well.

That person might be in the group that ran to the sea to help Ms. Kiwako.

But everyone went there with empty hands.

And we went there after Ms. Kawako went drawing.

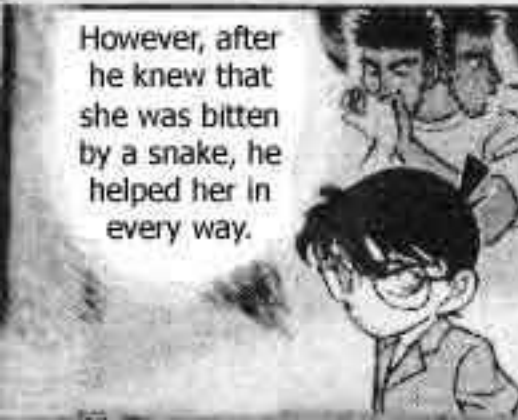

Since no one knew when she would go drawing, how could the snake be prepared in advance?

The snake bit Ms.Kiwako, so her body went numb and then went drawing.

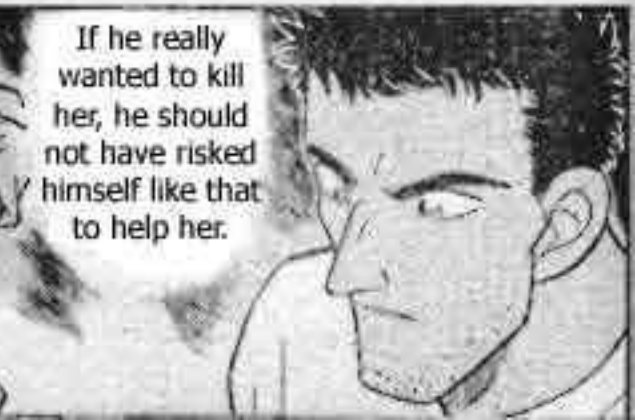

Then, there is only one person who could do that ...

Because he was in the sea until Ms.Kiwako went snorkeling, he could let the snake bite her at any time.

However, after he knew that she was bitten by a snake, he helped her in every way.

If he really wanted to kill her, he should not have risked himself like that to help her.

Oh, this kind of snake has fins, too, right?

Fins? No, it doesn't.

That's strange

The snake I saw has small fins on both sides closed to its head.

.....
That might be seaweed that looked like fins.

Anyway, let call the hospital.

Agree !

You saw it for a quick moment, but you noticed a lot of things. You're really my daughter !!!

I remember a lot of detail because I saw it clearly.

Ran has very good eyes...

Unlike someone His wife's finger is empty, still doesn't feel anything.

so different like polar opposite

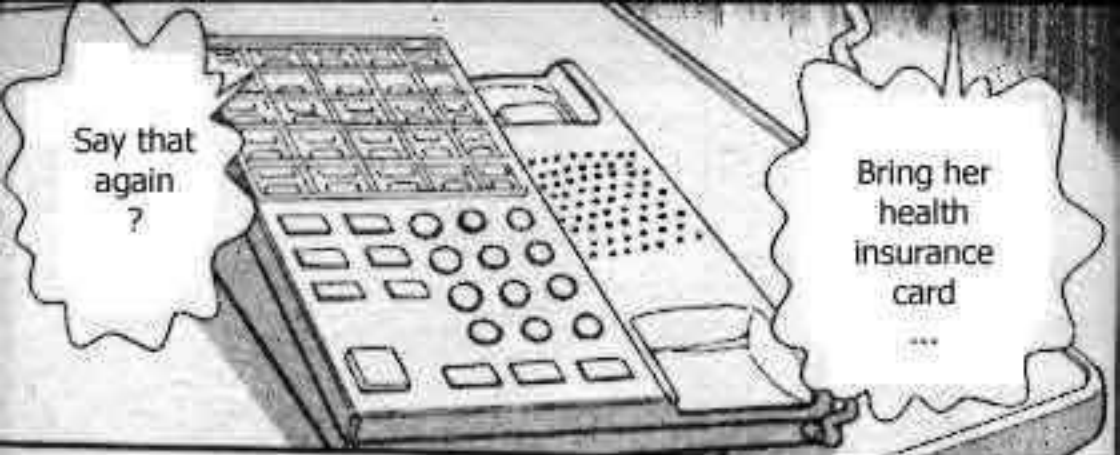

Huh ?

Finger? What? Why?

Nothing ...

Say that
again
?

Bring her
health
insurance
card
...

to the
hospit-
al
right
away
?

Yes. The
hospital has
requested
for it .Moreover,
I'm here alone,

I don't
know
what
to do.

Kiwako carries
her health
insurance card
every time she
goes for a trip.
It should be in
her bag.

I know. Any
way, how is
she doing
?

I don't
know.
She's still
inside the
emergency
room.

Her condition may be
getting worse. The
doctor has walked in
and out the room,
but refused to
explain
anything.

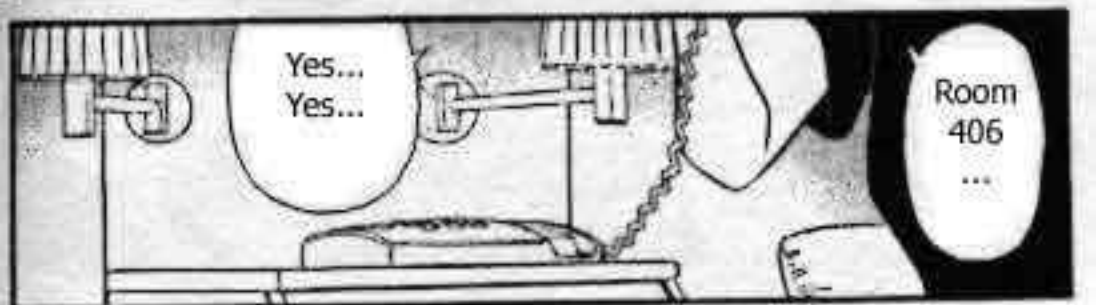

Kiwako
might be
dead
already.

Idiot !!!
Don't say
stupid thing
like that.

I'll get
her card
and go to
the hospi-
tal
right
away. Just
stay still
there.

Mr.Harumi,
Kiwako and
you share the
same room,
right?

Yes.

You came in without making any noise. That scared me.

You said that everyone went diving before noon, right?

Did anyone touch anything like fish or something?

I don't know. We come diving here so often that we know the area well. So, no one cares what the others do there.

I know only that Masahiko and Kiwako went diving in their wedding suit and gown.

Wow, that's really sweet.

The couple and Hirochi have known one another since they were little kids. They always do things together.

They all are in the same age?

No. Hirochi and Masahiko have the same age as mine, but Kiwako is one year younger like Harumi.

Oh ...

Actually, in the 2nd year, I thought of leaving the club. However, Kiwako's group joined in,

so I decided to stay further. It's like love at the first sight

Ou... Ar...

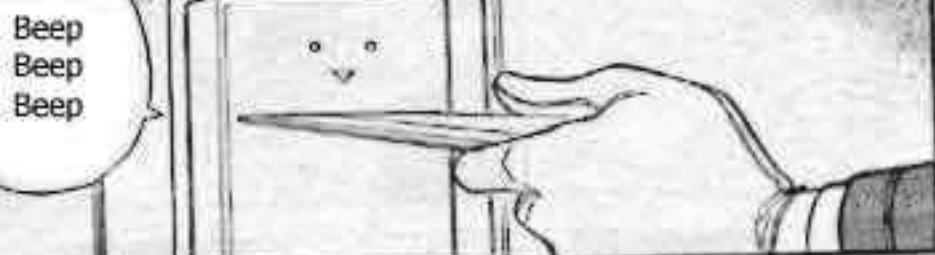

Stupid.
How come
I have to
open my
mouth to
this kid?

Hold on. After
knowing this
background,
perhaps that
person could be

Or it
means

Beep
Beep
Beep

Here
you
are

Thank
you
very
much

Where is
the health
insurance
card?

Huh
?

Here

Is she
really that
forgetful
?

Is this
your
room
card key
?

Yes.

I can't find it.
Hey, help me to
search for it.

It may
not be
there.

It's in
the
towel at
the
bottom

of the
bag.

Huh
?

Just
check
it out

In the
towel at
the
bottom

of the
bag?

Here
it is
!!!

How
come
you
know?

When Kiwako was
young, her grand-
mom told her this
tip so that it won't
get lost.

Of course
You've
known her
since you
were
young

Masahiko
also knows
this. I'm
not the
only
one who
knows.

He once
laughed at
her that it
looks like an
old-fashion
habit.

Real
ly?

Mr. Detective, do you have a car?

I have a rental car.

Could you drive us to the hospital?

No problem

I like to go, too.

What?

I'm also worried about Ms. Kiwako's condition

But I have just a small car. How could it fit 5 people?

No problem. Ran, you can go with me. I'll drop you off there.

Mom, how come you brought your luggage?

Can't you guess? I plan to go home after I drop you off.

But Mom !!!

It's so boring to spend time with a fool guy.

Ari

What?

I have something to talk to you after this.

Oh, really?

I can't wait to hear it.

Oh ...

No ...

Mom, don't you think you're driving too fast?

Although dad didn't notice your missing ring, you should not be that upset.

No. It's not about the ring. It's this case.

This case?

Although there are some puzzle,

this kind of incidence is obviously a set-up murder.

A murder ?

I'm mentally tired and upset with Kogoro. He still didn't get or doubt in anything.

Yes, it's a planned murder.

No doubt, it is.

The only unclear point is

How come that person did that at that time.

What does he want to say about ?

You mean this case?

No. I mean that fool guy. He said that he had something to talk to me

About the divorce ?

About Ran's support alimony ?

Or ...

Actually, he may not have anything to say at all.

He might just want to test my mind. That's it.

Yes. He likes to make us feel anxiety just to see our reactions

.....

He also thinks himself is the best.

Ran, I'm sorry, but I think I can't stand more than this.

Please, mom !?!

Yes ...

Bingo !!!

It must be like that.

The criminal is surely that person.
