E-Su Hospital

Masahiko  
.....

Here is  
Kiwako's  
health  
insurance  
card.

Hey  
gangs  
.....

How is  
Kiwako  
doing  
?

Brother,  
how are  
you  
doing?

I don't  
know. She  
is still  
inside the  
emergency  
room.

She is really  
unlucky to  
get bitten  
by the sea  
snake.

Right

No. She was  
intended to  
get bitten  
by the sea  
snake.

The  
person  
who did  
this is  
.....

Ran, I'm leaving. Don't forget to tell me about Kiwako's condition.

Mom, are you really leaving? Dad wanted to talk with you after this, right?

Talk ???

Is it necessary for me to listen to that playboy?

Dad !!!

Oh, really?

You have followed my work

Can't help. I'd better build more credits to Uncle Kogoro.

But I always do that, don't I?

Excuse me?

I'd like to ask you to do something.

Mom, could you wait a little longer? It can't help much since Dad is famous.

Please, Mom

He is pretending like nothing happened. I'm really sick of his poker face.

But, but

Attention please

Attention please

Ms.Kisaki  
Ari  
.....

and Ms.  
Matsusaki  
Harumi from  
E-Su Queen  
Hotel  
.....

Please  
go see  
Mr.Mouri  
Kogoro

at the  
director's  
room  
right  
away.

Huh,

Me  
?

Oops

Mr.  
Mouri  
?

Hey  
?

Sorry. I'll  
return it  
shortly.

What do you want ?

Why do you have to call me through the main intercom ?

If you have anything to talk to me, you'd better speak it out now !!!

Mom !!!

Oou ...

I don't want to disturb you both. I'll be back later.

Also, I'm very worried about Kiwako.

Do you really care her?

You should really care her ...

Because you will be charged for committing a murder or trying to commit a murder, it depends on Ms.Kiwako's condition

Huh ?

Yes. It's not an accident, but it's a planned murder.

The criminal brought the sea snake to bite Ms.Kiwako.

The criminal is you !!!

Ms. Matsusaki Harumi !!!

.....

But, at that time .....

The snake bite

Normally, a sea snake's mouth is very small. It should bite only at small body parts such as finger tips.

However, Ms. Kiwako got bitten at back of her hand. That looks impossible.

It shows that someone intended to bring the snake to bite her.

When you ran into the sea to help Ms. Kiwako, you secretly brought out the sea snake. You squeezed its head so that it would open its mouth. Then, you let it bite Ms. Kiwako.

Isn't it correct, Ms. Harumi?

I see. Actually, you have figured out everything, but pretended to know nothing.

I like to ask you something, Mr. Detective. Do you have any evidence to prove Ms. Harumi is the criminal?

Ms. Harumi was not the only person who went to help Ms. Kiwako. The others could do the same thing, too

Moreover, everyone went to help her because she was drawing.

How could someone predict this incident and prepare the sea snake ahead of time?

Is it possible that it's not an accident ???

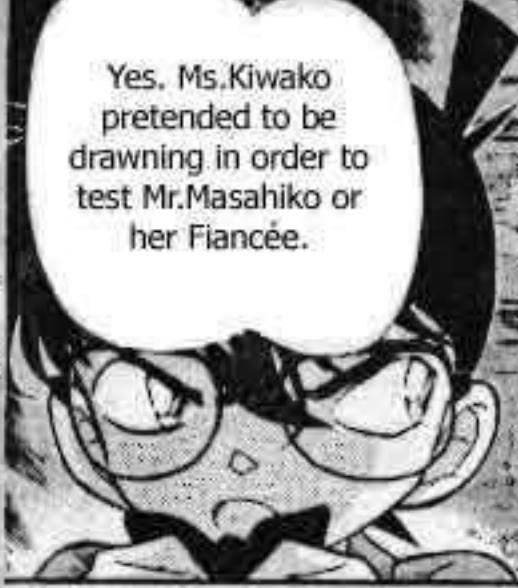

But Ms. Kiwako intended to go drawing ???

Intend to ???

The curiosity to know what other people have in mind is an innate character. Sometimes, intension to create interest from someone can lead to better relationship

Such as the intention not to wear the wedding ring.

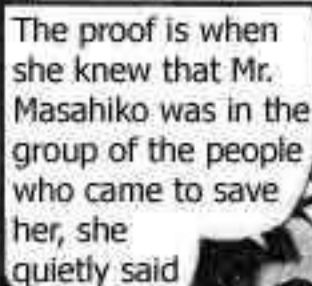

So, Ms. Kiwako's intention was ...

Yes. Ms. Kiwako pretended to be drawing in order to test Mr. Masahiko or her fiancée.

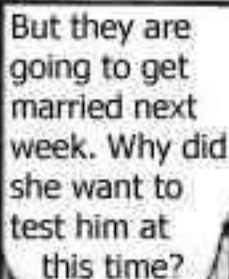

Since he can't swim, she wanted to know if he would risk himself to save her.

The proof is when she knew that Mr. Masahiko was in the group of the people who came to save her, she quietly said

I feel good now.

But they are going to get married next week. Why did she want to test him at this time?

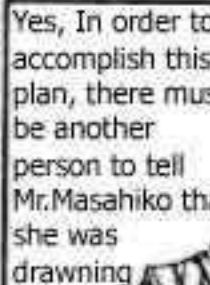

She wanted to test him just to have more confidence. She went with the celebrity like Kogoro, he still didn't complain anything. So, she might be upset.

So, she set up the plan with another person to be drawing.

Another person?

Yes, In order to accomplish this plan, there must be another person to tell Mr. Masahiko that she was drawing

If someone beside her price charming helps her, it's not going to be fun, right?

Another person is you, right Ms. Harumi ?

The initial signal was when Ms. Kiwako asked you to bring her a new towel.

When Ms. Kiwako said before she left "Please take care the rest for me", she meant the rest of the plan.

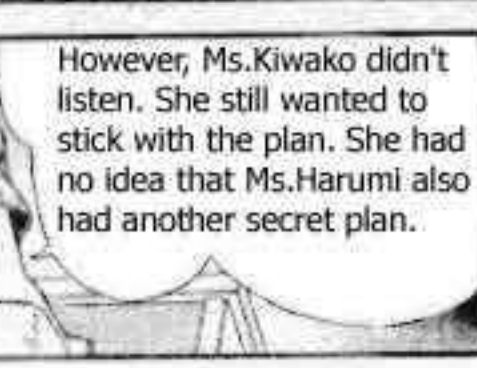

But Ms. Harumi told Ms. Kiwako not to go, right?

Because Dad was there, if some thing happened .....

That's why Ms. Harumi told Ms. Kiwako to change the plan to tomorrow because Mr. Kogoro was observing.

However, Ms. Kiwako didn't listen. She still wanted to stick with the plan. She had no idea that Ms. Harumi also had another secret plan.

When you went back to the room ...

You also brought back the sea snake by hiding it inside your belt bag. Then, you came back to the restaurant

When you got the chance, you made the signal to Ms. Kiwako in the sea to go drawing.

You pretended to go help her with other people.

When you get there, you took the sea snake out and made it bite Ms. Kiwako.

I don't know if Ms. Kiwako or you came up with the idea of going drawing

.....

No one thought it was a setup. Everyone would think that Ms. Kiwako got bitten. So, she got numb and went drawing.

That sea snake might be caught when you went diving earlier and you hid it in your room.

That makes sense.

Arabu is a quiet snake and moves slowly. It's easy to catch by hands.

What are you going to do next, Mr. Detective?

The questioned sea snake probably already swam into the open Pacific ocean.

If the weapon was not found, there is no evidence, the law would not accept it.

I already told you that she hid the snake in her belt bag, right?

After the incidence happened, maybe because she wants to make sure or she is worried about her friend, she has stayed with us all the time.

So, it should still be there

.....

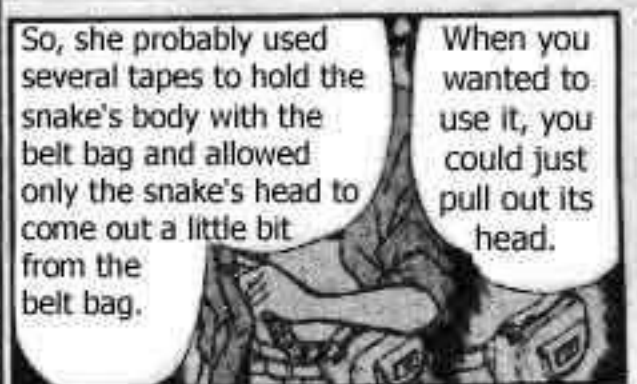

In your belt bag ...

There should be some tape that you used to hold the snake's body left.

Tape ?

If she didn't hold it, someone might notice something moving in the bag. Moreover, the snake might bite her, too.

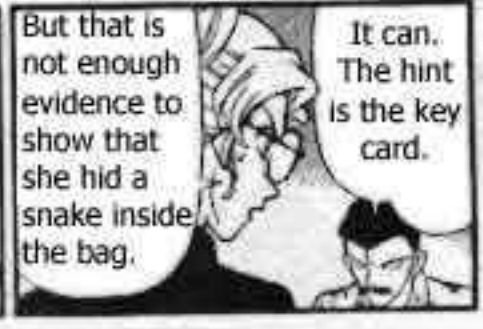

So, she probably used several tapes to hold the snake's body with the belt bag and allowed only the snake's head to come out a little bit from the belt bag.

When you wanted to use it, you could just pull out its head.

The fins that I saw were actually .....

Those should be some parts of the tapes. The other tapes should still be inside the bag.

But that is not enough evidence to show that she hid a snake inside the bag.

It can. The hint is the key card.

The things she left in the room beside the card key are CDs, wallet, etc. It shows that took out everything from her bag and put in something else instead.

How come Ms. Harumi wanted to hurt Ms. Kiwako? She is her brother's fiancée, right?

I guess this could be the reason .....

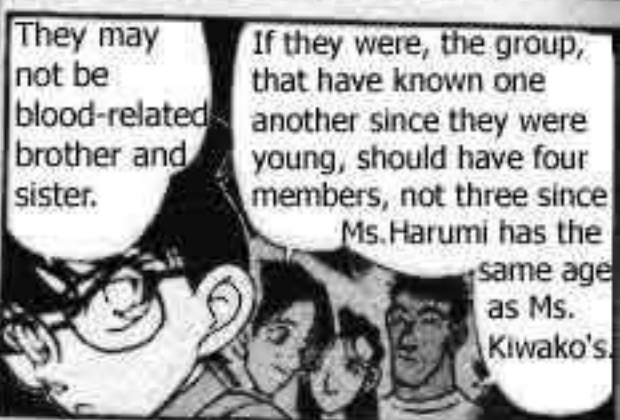

that Ms. Harumi has a feeling for Mr. Masahiko !??!

She may be falling in love with him.

Dad, what are you saying? Ms. Harumi and Mr. Masahiko are brother and sister.

They may not be blood-related brother and sister.

If they were, the group, that have known one another since they were young, should have four members, not three since Ms. Harumi has the same age as Ms. Kiwako's.

Do you mean she is his step sister?

Possibly

Mr. Hirochi calls Ms. Harumi, who is younger, using the word "Ms.", so they might just meet each other when they started the college.

No. It's not in the college. It's in Grade 11 .....

My mom took me to meet Mr. Masahiko. It's the first time we met.

Huh ?

Although he is not really dependable, he is a compassionate person. He is very different from my previous boyfriends.

But he always has Kiwako beside him all the time .....

When Kiwako told me about Mr. Masahiko when he was young, my heart hurts and I feel upset.

I feel like someone laughing at me that I don't know anything about Mr. Masahiko.

I was very shocked when they suddenly got engaged and planned to get married soon. It seems like Kiwako has known what I think about him. Still, she asked me to help her to set up this plan.

Pretend to be drawing ?

Please help me, please.

So, you caught the snake to bite her?

Yes. I can't give Mr. Masahiko to the person like Kiwako.

So, I... I...

I'm not the person he loves. Still, if he knows I did this, he'll be very sorry.

I'm very stupid.

Harumi !!!

Kiwako  
Kiwako .....

**has gained  
consciousness  
!!!**

She is fine now. Still, she should be in the hospital for a few days. This because you did the right first-aid treatment.

Kiwako, you're really lucky.

Where is Harumi?

I already called Harumi for you.

Come on, don't be shy

Um ...

I'm  
sorry  
.....

Huh  
?

I never noticed your feeling before

until I saw your face when you swam to me.

Kiwako .....

I forced you to do this plan. I'm really sorry and I deserved to get this punishment

What are you saying? It should have been me .....

huu\* ...

What?

Is there anything?

Nothing

\* crying sound

It's a punishment because I wanted to test someone's mind.

So, I got bitten by a sea snake.

That's the whole story.

Dad, you are really a superb detective.

He can't remember anything like usual.

Also, you already figure out Mom's problem, right?

What?

It's not cool pretending not to know when you already knew.

Mom !!!

Which problem?

You don't have to pretend innocence about the ring.

The ring?

Arrrrr .....

I see

Isn't it yours?

Huh?

That's not possible

I found it under the beach chair you sat on the beach.

How come you knew that I lost it there ???

Easy. Normally, a woman would not dry up her hair with glasses on

unless she is looking for something.

And most of the time, the things lost on beaches are contact lenses, earrings, or rings.

I see. Dad had sand on his legs because he went looking for the ring.

Oh, he already noticed it as well.

I got it. He wanted to talk with Mom about this.

Well, but I think you intended to lose it.

Because you held the glass with your left hand and tried to wave it so often

That's ...

That's ...

It'll be better if he is like this every time.

Wow,  
you're  
really  
Mr.Mouri  
Kogoro  
!!!

Yes  
sir  
♥

Ha  
Ha  
Ha  
Ha

Dad  
!!!  
Mom  
!!!

It will be  
successful  
next time.

I don't  
think  
so  
...
