The New Student

There will be a new student in our class today!

Did you hear?

The last time, it was Conan!

Yeah! That's what the professor Kobayashi said in the cafeteria!

Really?

...could be anything?

It...

Huh?

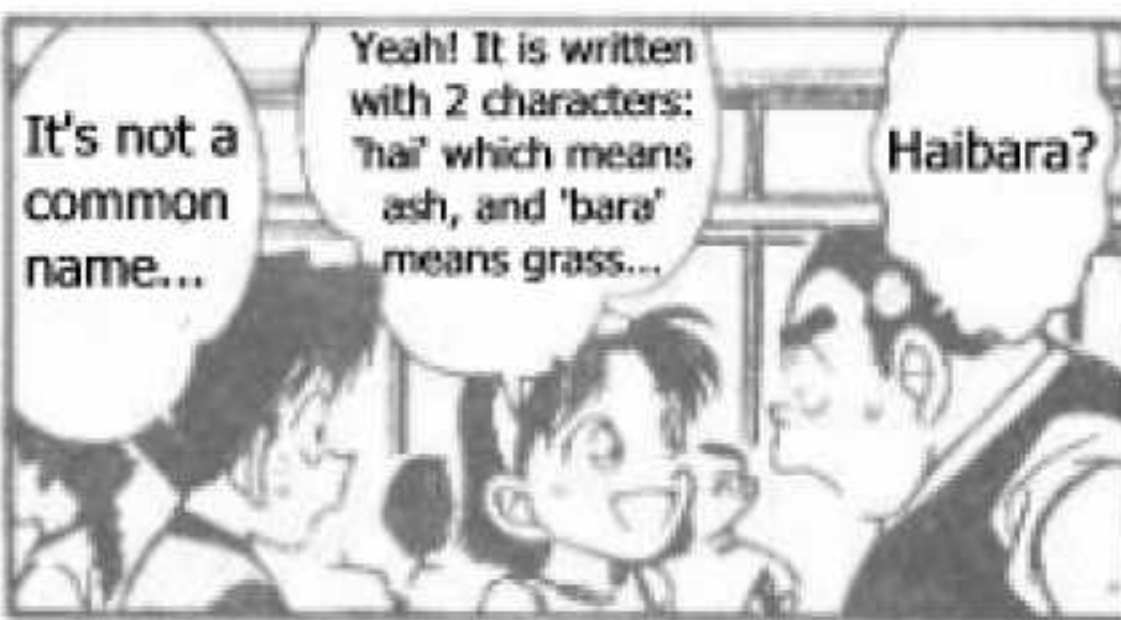

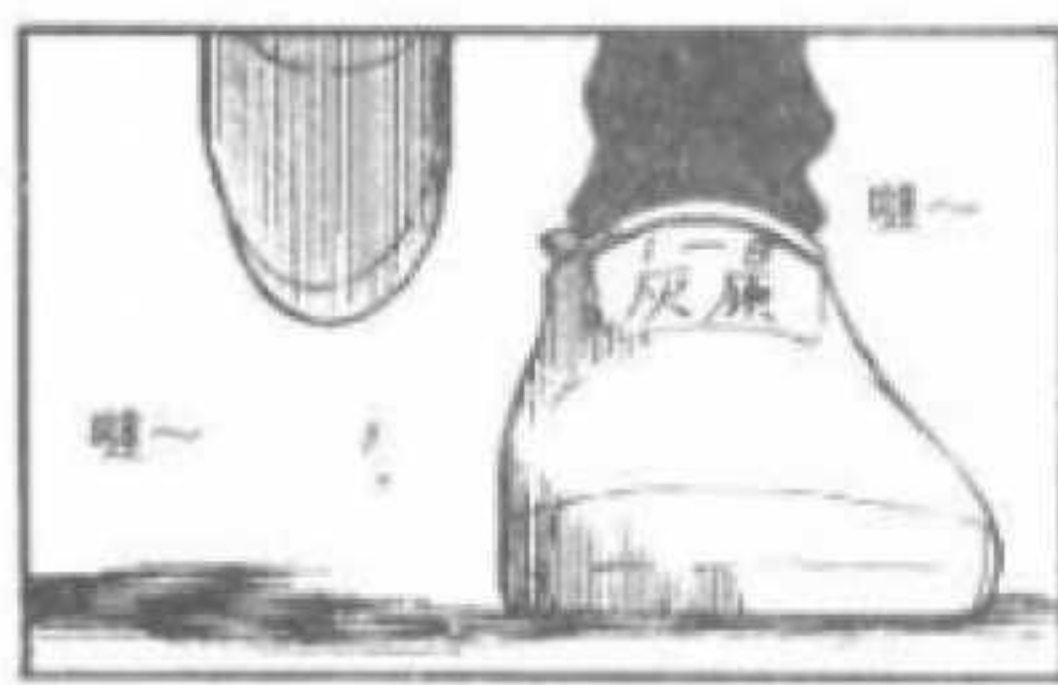

What do you think, Conan?

Yeah, but if she is bad-tempered...

It would be cool if it was a pretty girl...

I wonder how he looks like?

Hey...Ai!

Let's go home together!

Don't be shy with us! We're going to walk you home!

Where do you live? Did you move away?

But...

But...

Don't bother! She's weird!

Wait...

Yeah!
Let's go!

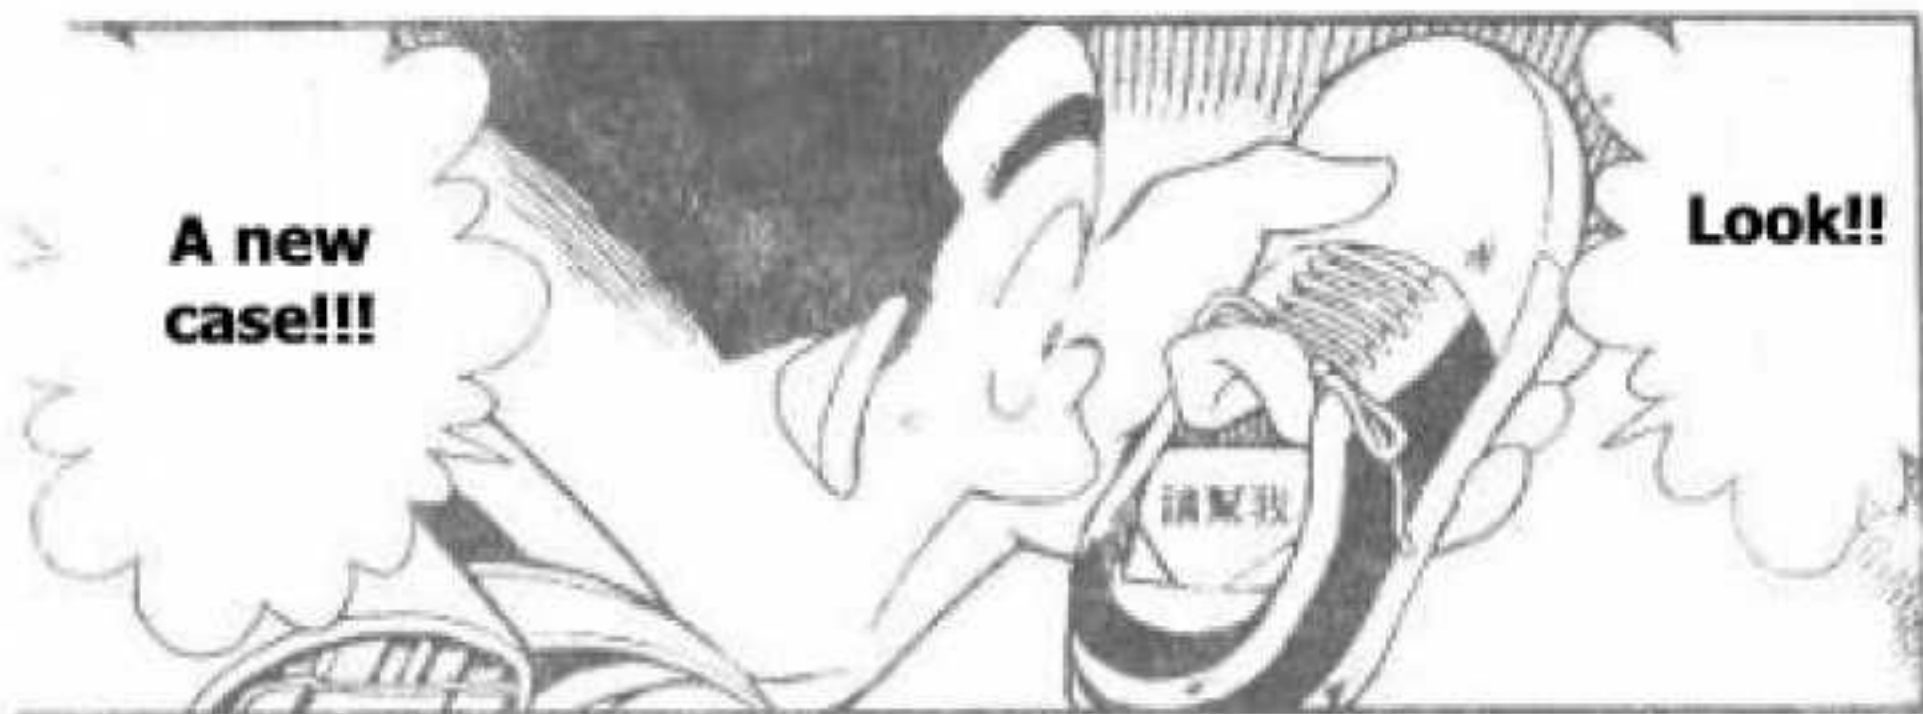

What a
good idea!

OK, I'm
going! Maybe
I'll play
soccer in
the park
later!

We got nothin'
today...

There al-
ways were
shoes only
in this
box...

**A new
case!!!**

Look!!

You
coming, Ai?

Let's go!

...that we
are expected
in the class-
room 1-A
after
school!

It says...

It
really
is!

Huh?

...fast...

Not so...

Yes! My brother has suddenly disappeared!

What?!
He disappeared?!

No!! My big bro! He's ten years older than me!

'My brother' is not your cat's name?

Yeah, are you sure...

We already had cases like that...

The police is looking for him but...I told myself that you could do something...

He disappeared last week... He said: "I'm going to my friend's", and he didn't come back...

...We'll talk again later...

We should go to your home!

No!! My brother would never do that!!

It's not just a fugue?

No... nothing special

Did you receive any calls?

Unless he is into another case

An accident ...

But...

If he had on a fugue, he'd have taken this with him...

That's his wallet, isn't it?

Who painted that?

What's that?

Oh! What beautiful drawings!! There are a lot under the bed...

Picasso...

My brother painted them! In high school, he was one of the best in reproducing famous paintings!

They're very good!

Van Gogh, Monet, Gauguin ...

That's true! It's a reproduction of 'The crying woman'

Huh?

What!?

Dressed in
black from
head to toe
...

um...
ten days
ago I
think...

**When was
it? When
did you
see her?**

What
if
...

No
...

What's
the
matter
Conan?

No...She
was
with 2
persons
...

And with her?
Was she
alone?

**What
if**

...

His bike is in the hallway...It is likely that he is prisoner nearby!!!

His wallet and metro map are in the drawer of his desk!

Show us where your brother used to go!

Huh?

Maybe we'll find something ...

Yeah! Let's search the neighborhood!

Conan!!

Wait, Conan!

Hurry up!

And nobody seemed to have seen him the day he disappeared...

Shoot! The café, the video games center, the mall, little streets...

Why am I so excited? I don't have enough clues...

Not him, nor this woman dressed in black...

We've searched everywhere he could go to... And nobody seemed to have seen him the day he disappeared...

Hey!

Is there something else? Something?

Ah! It's cool here!

I'm thirsty and...

Can I go into this store?

And 770 on 1000!
Thank you!

Huh?

A 'mild seven'...

with a 1000-bill yen...

It is strange to buy cigarettes...

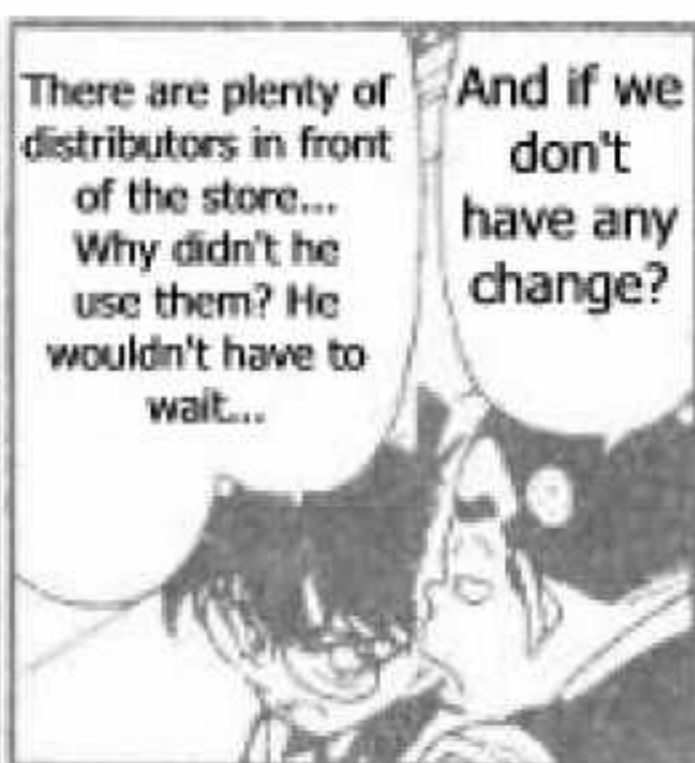

What's the matter Conan?

Have a nice day!

Maybe there weren't the cigarettes he wanted...

There are plenty of distributors in front of the store... Why didn't he use them? He wouldn't have to wait...

And if we don't have any change?

What the...?!

I told you to show me the bill!!!

Excuse me?

Please... Can you show me the 1000-bill that the man gave you?

No
filigree!!!

!?

Huh?

Call the
police
...

The
bill is
fake
...

What do
you
want?

I was
sure
of it !

Wait!?

But...
