

File 5: The living city

By Lorna

And a photo of
the murder that
happened in
Hirakata last
week...

Here's
a photo of
the murder
in
Toyonaka
...

We now know
they have
something in
common...

No
witness...
Tens of
kilometres
difference
...

Two
murders
...

We
know...

The
only
thing...

No...
Nobody
mentioned
the wallet
coinci-
dence
....

Did
you tell
the
papers?

In both cases, the
knife went
through the wallet
into the heart...

is about
the
weapon
....

The fact
that it's the
same
murderer
leaves
no
doubt
....

So, we can say it
isn't a madman's
work, who would have
wanted to copy the
first murder from what
he saw or heard
....

If they're jus
done like that,
it's gonna
cause panick
!!!

...
**Serial
deaths**
...

**Yes, I
under-
stand**
...

**TOYA-
MA**
No
mistake
this
time
please
...

*And here's
the
TSUTENTAKU
!!*

*And,
that's the
Osaka
DÔME
!!*

*That is
the imperial
temple's
zoological
garden
!!*

*Isn't
OSAKA
a
great
place?!*

SO?

No-one
knows
when
they'll
die...

Life
is
short
...

I was stopping a
murderer as
usual, but this
time, he
stabbed
me...

yes...

a
dream?

Here
he
is
at
last!!!

Sorry
Heiji!

You were in it
too! You
even died!

AH
AH

You know
...
I had a
strange
dream
...

What are
you
talking
about
...?

With them, no more Traffic jams!!

I don't have to say it... Police cars are luxurious!!!

latest model ... Brand new!!!

What?! Don't you like it?!

'cause you want to make us visit Osaka in a police car?!!!!

You...

O.K. Everyone... where do you want to go?

No...In fact....

that way why don't I we could go put the siren faster!!! on

Anyway, you didn't do anything bad? So stay calm that's all!

Don't worry!

and I feel bad

I feel like a robber ...

Oh?...

Do you see how clear it is?! Here you see the noodles well!

These are real "UDONS*!"

SO?

*thick Noodles

It has no taste...

the taste's quite light but they're good

I'm just a friend from Tokyo...

No, No!

Why? Does it look like it?!

So Heiji, where d'you get her from? Is she your new one?

SCHLAK

Why don't I take you to a place I know then?

There are too many one way signs her...well searching for a parking space we could turn around for hours!

We can't go to midojin!

The restaurant I'm going to take you to is specialised in takoyakis. My guided visit is mixed up!

OKOYOMIYAKI??? Why didn't you tell me before the Takoyaki

Okonomiyaki: Japanese panake

Because you eat something else with them?

HEIN?

Don't forget the principal dish

I'm going to call mum!

lucky you knew one not far

OKOMIYAKI

Okomiyaki isn't a starter in Tokyo?

What do you mean?

sorry but...

TAP TAP

yes

Osaka's fun

AH...

You'll see, it's really good!

HEIN?

So
you're
"Kudo"...

HEIN?

EH
OH!?

All
the
time

Heiji
won't stop
talking
about
you!

Dont pretend
you don't
understand

Euh...
Wait...

I know
everything
...

Since you're here, let me tell you!

It's a mistake ...

Your name's Kudo and after meeting you Heiji was overwhelmed!!

HEIN?

So before you hurt Heiji again, you'll have to kill me!

Heiji and I were once attached with metal ..

So Kazuha?

What are you doing?

Kazuha Toyama: 18, Heiji's childhood friend.

A BOY!

That Kudo I talk about so often... he's a boy!

Oh, she's too funny!!!

HA HA HA HA HA...

No, Not at all!!

his girl-friend ?!

What ?!

and she's his girlfriend!

GLOUPS...

because she's embarrassed

You see, she says she isn't

hey, the "mental story" could you tell us

busy, he couldn't come!

well...he's a bit...

And why didn't you invite him too?!

Shhh...

It's nothing interesting really!

we were playing cops and ended up handcuffed together

Ah! When we were kids we found my grand fathers old handcuffs...

friends that share everything

Baths?! Toilet?!

Are you mad telling them that?

No! It isn't! At those times we went to the lu together, we had baths together...

You should through that dirty old thing

I kept a piece of it around my neck as a souvenir!

HEY?

you're going out together?

In fact, ...

Say...

Don't be sorry! I'm here to take care of you all.

M... too bad you weren't one of us...

It was good!!!

We ate well!

Why? I want to come too!

Who told you to get in?

What about the castle?

Now, where shall we go?!

HEIN?

LOOK...

FUDUDU

AAAAAH

HEIN?

What?

HEIN?
