The Last Movie

Translation (c) 4everconan

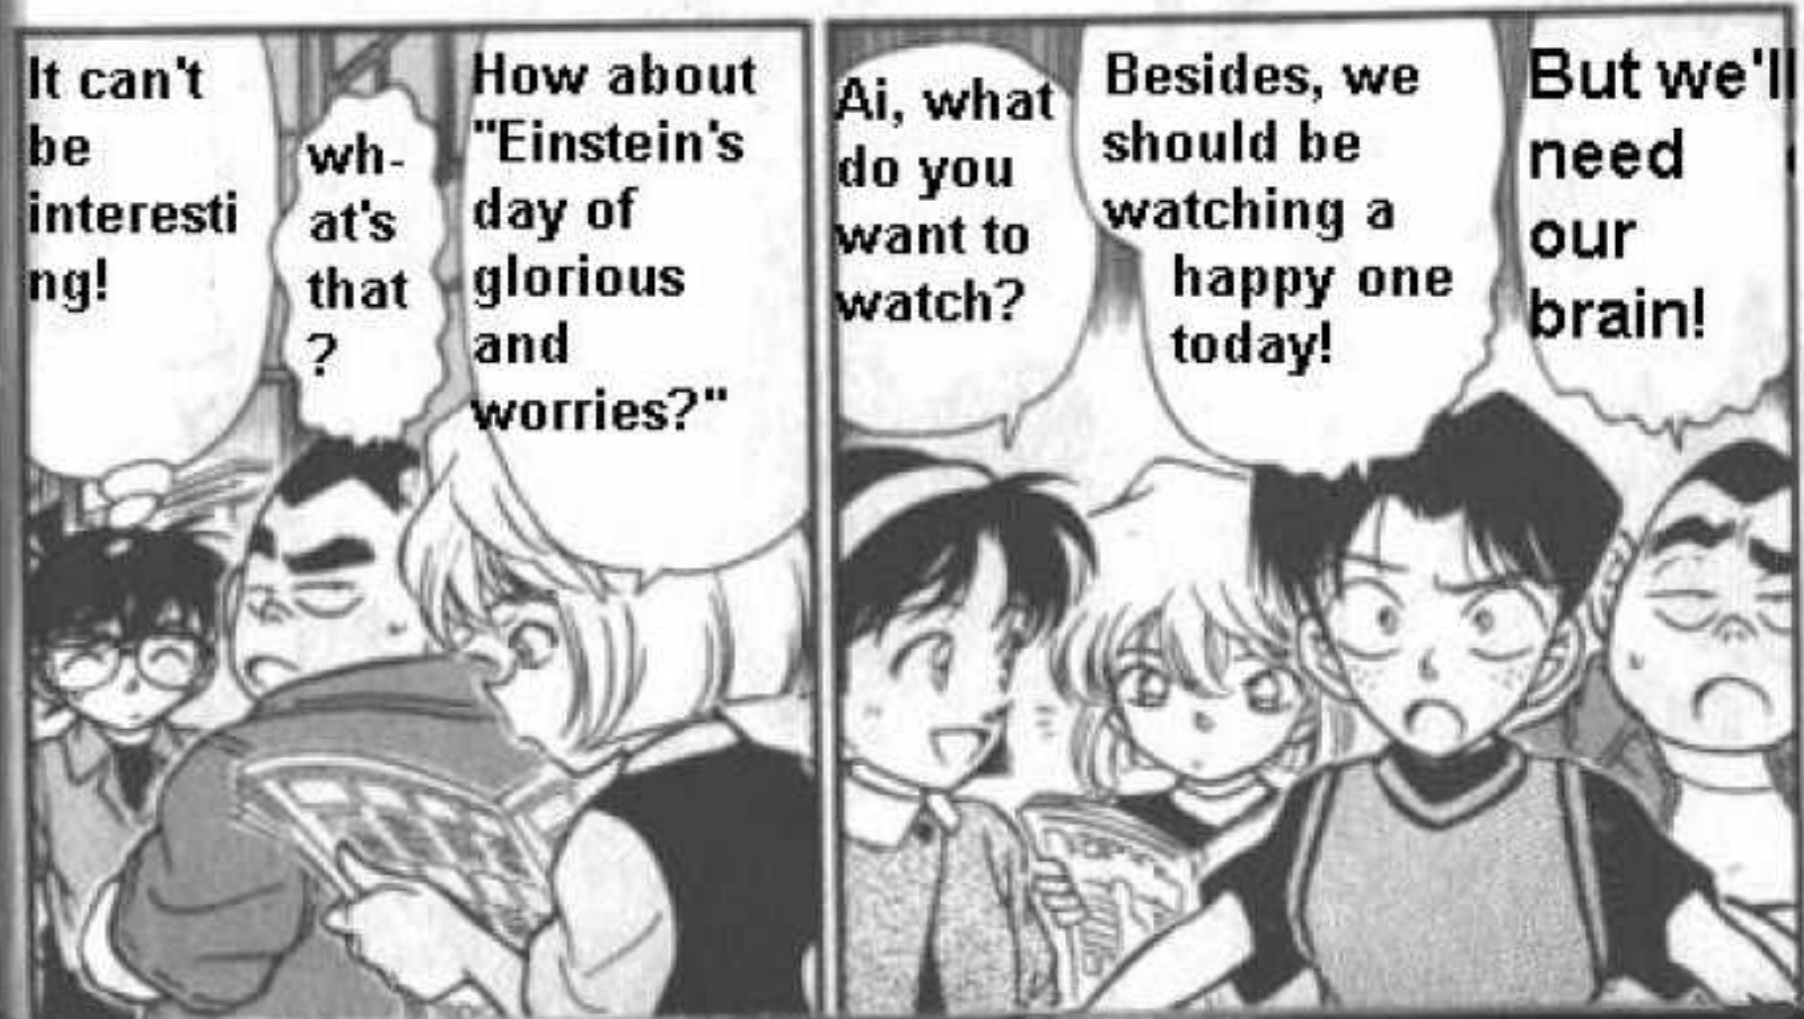

**Godzilla!
Godzilla!**

So we should watch the "Ghost murder case"

we are detective boys,

We are going to watch Godzilla!

It can't be interesting!

wh- at's that ?

How about "Einstein's day of glorious and worries?"

Ai, what do you want to watch?

Besides, we should be watching a happy one today!

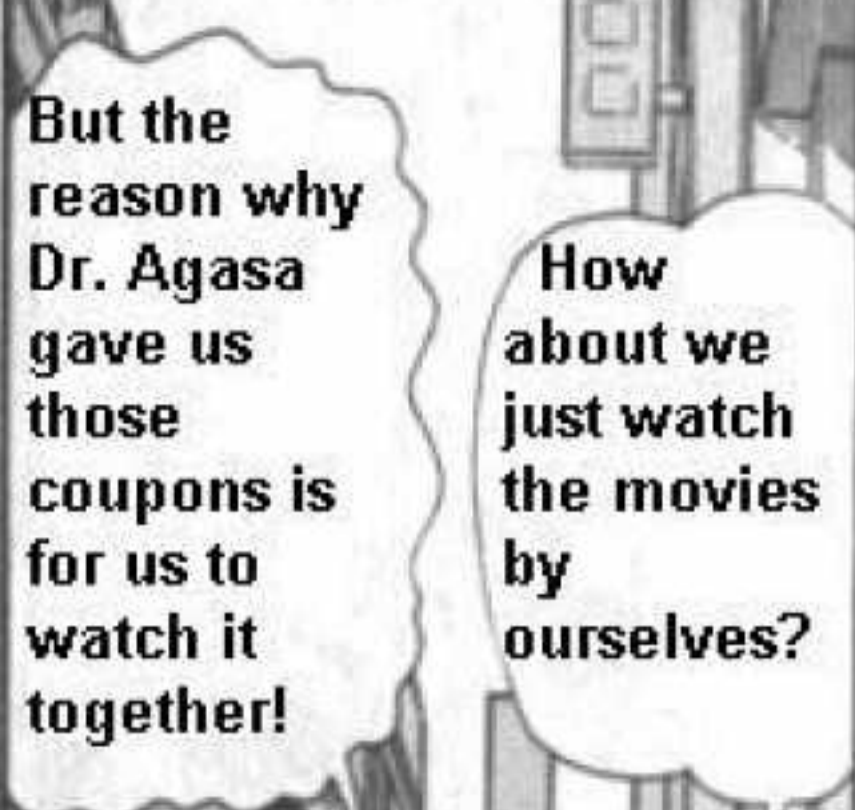

But we'll need our brain!

We only have one choice

Under this situation, it looks like...

What should we do now?

But the reason why Dr. Agasa gave us those coupons is for us to watch it together!

How about we just watch the movies by ourselves?

Rock... Paper...

Why?

Looks like the only hope we have is

That legend...

If this keeps up, its going to kill more innocent people...

I just published this research...

WOW-----

Is to rely on the legendary Godzilla's power...

Defeat those bad monsters!

Go, Godzilla!!!

Can't take it...

His head is his weakness!

*ROAR-----

Hey, you are too noisy!

It reflects the end of those people, who really admires today's tech.

But...I think this movie is pretty good...

he he ...

The result was 3:2, just one more of them want to watch this...

It will distract other people's attention!

Also, don't wave your hand or stand up during the playing time.

Sorry..

You are going to bother other audience!

JinChu MinXing
[21 years old]
College Student

All names are in Chinese because I can't translate it into Jap.

And this movie's about 10 years old

Today's not a national holiday, just our school's anniversary

There's only 4 other people

But there sure isn't many audience today

idiot, you are the one who's being noisy all the time!

Humph, who do he think he is?

My mom told me that too!

My dad told me that there's always violence going on here and said I can't come.

Are they going to remodel this theater?

There's lots of wires on the floor...

Ladders are everywhere and,

But this theater sure is messy...

Of course!
This Godzilla
was born
before us, so
it'll grow
slowly!

Yeah! Even though
his head is a bit
scary and body is a
little small, but
he's still the
coolest!

Godzilla's
really
great!!!

Ah?

Wait!
There's
two more
movies
left!

Let's go back
now and
maybe we
can play
some soccer

Because
I
already
watched
it tons
of times
when I
was
little...

It's
okay.

Conan,
what
do you
think
of that
movie
?

It's the six
hours
special, well?

大電影	9:30	15:00
哥梅拉	11:00	
哥梅拉的反擊		
哥梅拉		
哥梅拉		

What?
Three of
them and I
already
watched
them all
before!

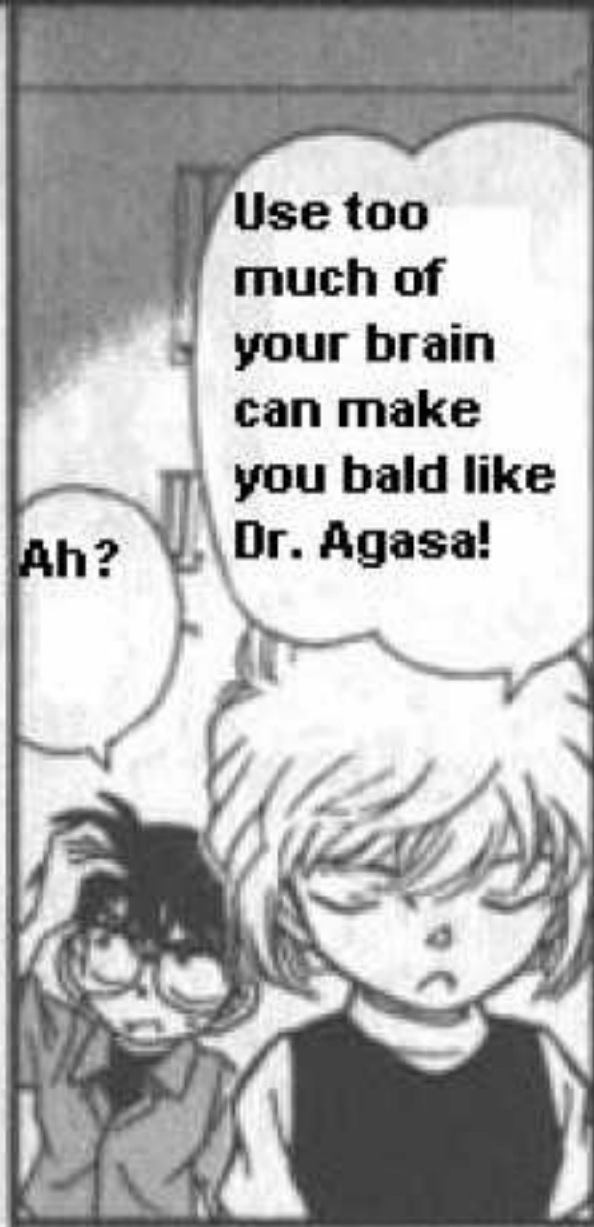

Oh...

Conan, Ai,
aren't you
going to help
us?

There's
some
popcorn in
the shop!

Anyone
hungry?

It's not
true is
it?...

Ah?

Use too much of your brain can make you bald like Dr. Agasa!

Rest?

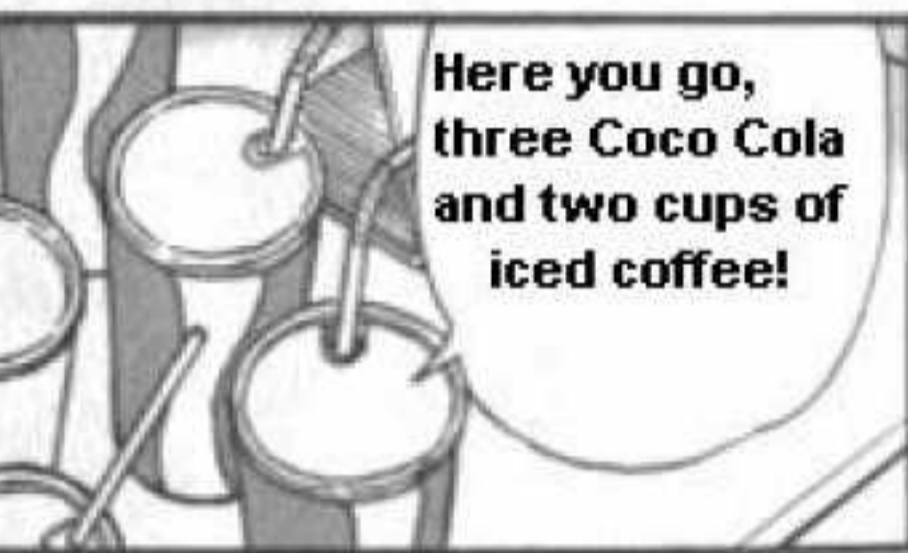

That's my plan for today...

It's not that bad, let our brain have some rest time and enjoy your entertain time...

And five bags of popcorn!

Here you go, three Coco Cola and two cups of iced coffee!

Last ?

And you are our last guest.

Thank you very much for visiting here this often!

YouLi BaiHeZi [23 years old] Clerk

It's okay! I gave you the other two for free!

But we only ordered three bags of popcorn!

Because this theater's going to be closed after today

Sorry, because those engineer wanted to do their work during the playing time to save some more time and get the work done faster.

No wonder there's wires everywhere ...

They should've waited until tomorrow...

And it's going to be out of business

This theater's already 30 years old...

CunSongZhaoXiong
[62 years old]
Boss

You already delayed the date!

We are going to destroy this place this instant!

No way!

Again, all names are translated from Chinese, sorry! :)

Mr. ZhangTian...

ZhangTianZhenCi
[43 years old]
Agent

Because I was kind enough for you to celebrate your theater's anniversary before it goes out of business!

HEY !!!

That way we can save some money!

Oh yeah, we can always call Godzilla for help!

We could've bought this theater cheaper since the remodeling fee is not cheap!

But it sure is a dreary, only this few people came to see the last play in this theater!

I'll be careful, starting tomorrow!

step

Ah, sorry!

Don't let other people remind you everytime!

No smoking here!

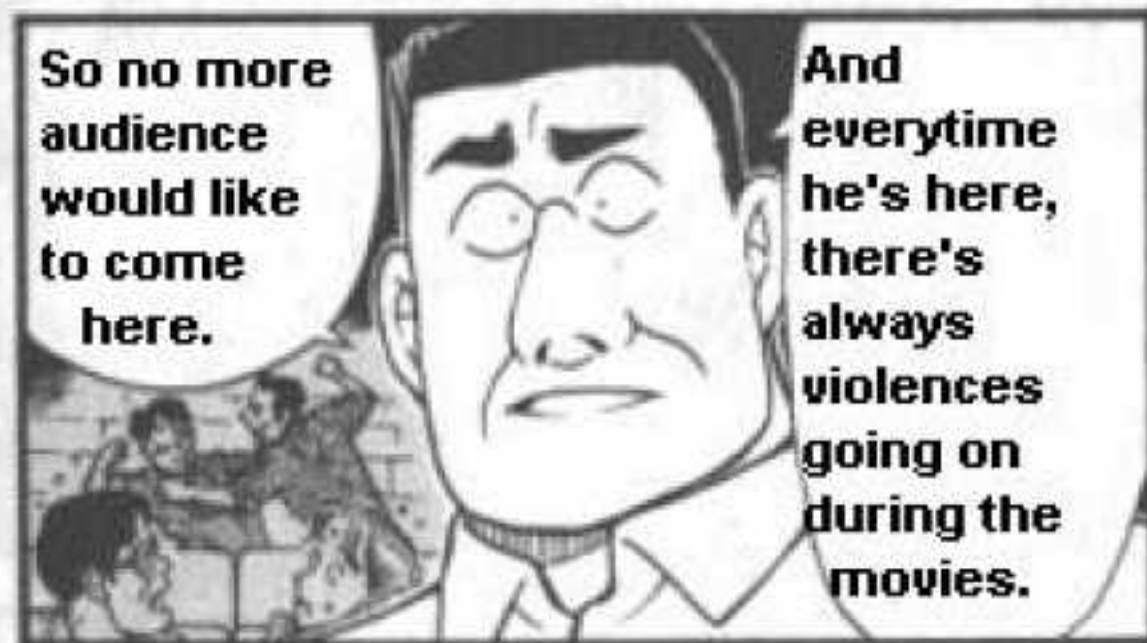

GuQiao Nian
[39 years old]
Projectionist

Humph!

Hahaha...

關上門

So no more audience would like to come here.

And everytime he's here, there's always violences going on during the movies.

Yeah, especially these days.

Everytime? He came here often?

Hun?

咔嚓

Don't talk like that!

He did this on purpose so we have to close down!

He must've hired those rogue!!!

Um...I heard that this theater's going to close, so I thought I'll take some pictures.

Hey, isn't that JinChu? You came today too?

He's the one from the last movie!

He's almost like my son!

He loves sci-fic movies ever since he was a little boy and he always visits here.

Go ahead.

Is that okay?

Let me go and buy it then.

And there's always lots of people in the supermarket at this time!

Uh-oh, I forgot to buy our lunch!

It's our lunch time!

Even if someone does come, that lady over there can handle it.

Buy it after the next movie starts then. anyhow, there's not much audience

In that case...

No boss! You should stay here and watch this theater for the last day!

No problem!

By the way, can you buy some tea for me?

I better get going.

Whoa, it's almost time for the next movie!

What a dreary!

What a pity! They use to show lots of good movies!
