

FILE.2 COUNT DOWN

Yes Sir!
There's a report
that they saw a
man who looks
like Takagi. Sir!

Is
that
true
!?

What!? You
saw Takagi
around
Haido City?

How about
Sato!?
Is she
with him!?

It's 4-5 kids
...

Uh... There's
people with
him but not
Officer
Sato

Y..
Yes
Sir
...

WHAT KIND OF
POLICE PLAYS
WITH CHILDREN
WHEN THEY ARE
ON PURSUIT!!?
THAT'S NOT
HIM!! FIND HIM!!

BASTARD!!

sniff
sniff
...

I guess he
won't make it
...

5 Minutes
left until
the
deadline
...

Isn't
today a
holiday
?

That's
weird
There
should be
someone
to come
clean
already
!

But we'll capture
the real culprit
and you'll be
free
!

Come on...
Don't cry...
Even though
you won't
make it to
your
daughter's
wedding
!

Do you hear
the people?
That's a big
crowd up
there
...

Nah...
Today's
Sunday
...

They're
probably
waiting to enter
the museum

GOODBYE
TIME

MUSEUMS

Yes sir, we know...but I would like to ask about the time when you found the body a bit more

I told you I don't want to talk to police ...

Oh... The policeman from yesterday ...

I rang the door bell many times and there was still no answer, so I called up the manager to open Muranishi's room first!

I told you! I didn't see Muranishi and Higashida at work! They won't answer the phone so I have to check them out myself!

I saw Muranishi's body in the bathroom ...

But the door was chain-locked and I saw Higashida sleeping on her bed. I woke him and told him to open the door, and went in with the manager ...

Of course we're suspecting you !!

N...No sir, it's not like that

What is it now? Don't say you're suspecting me ?

W... Wait !

Now that's the story, so you can leave now !

Y...
You
Guys
!!

A person
who's doing
bad things
can't escape
the conse-
quences
!

You
can't
hide
from us
!

You're
the culprit
aren't you
!?

Eh
?

For
concluding
that I'm the
culprit of
this case
...

What
ever...
You guys
have to
say sorry
to me
...

These
kids came
with
you
?

You can't
do that!
We have to
do things
the right
way...

Wasn't it
you who
changed the
colors from
Beige to
Gray
?

Eh?

Then how did
the bed covers
and curtains
change colors
?

What
!?

A while ago, I went
to ask the shopping
mall near here
already...

Take these kids
home or else
you're the one
who'll be on the
news!

Enough!

The person who removed the calendar and put the cactus trees outside was you, right?

but I didn't like it so I threw it away ... My old curtains and bed covers were old so I bought new ones

W... Why not?

The employee was confident that you went there and bought Grey curtains and bed covers

No matter how drunk he is, he'll still notice it!

I understand. If an Antis Spirits like Mr. Higashida saw Tokyo Spirits calendar and cactus trees that he didn't buy ...

After you killed Ms. Muranishi, you drunkened Mr. Higashida and brought him back to Ms. Muranishi's room, thinking...

You took things that are too risky to be caught out and changed bed covers and curtain colors, then you rearranged the furniture so that it looks like Mr. Higashida's room

After he opened the door and you checked everything, he locked the door and went back to sleep...

You then called Higashida up, still drunk, to come and chain the door

.....

He's at his own room ...

There's Higashida's finger prints on it !

The one used for murdering Muranishi !

How about the AV Cable ...?

H ...

That's why the next day, Mr. Higashida was found sleeping on Ms. Muranishi's bed with the dead body !!

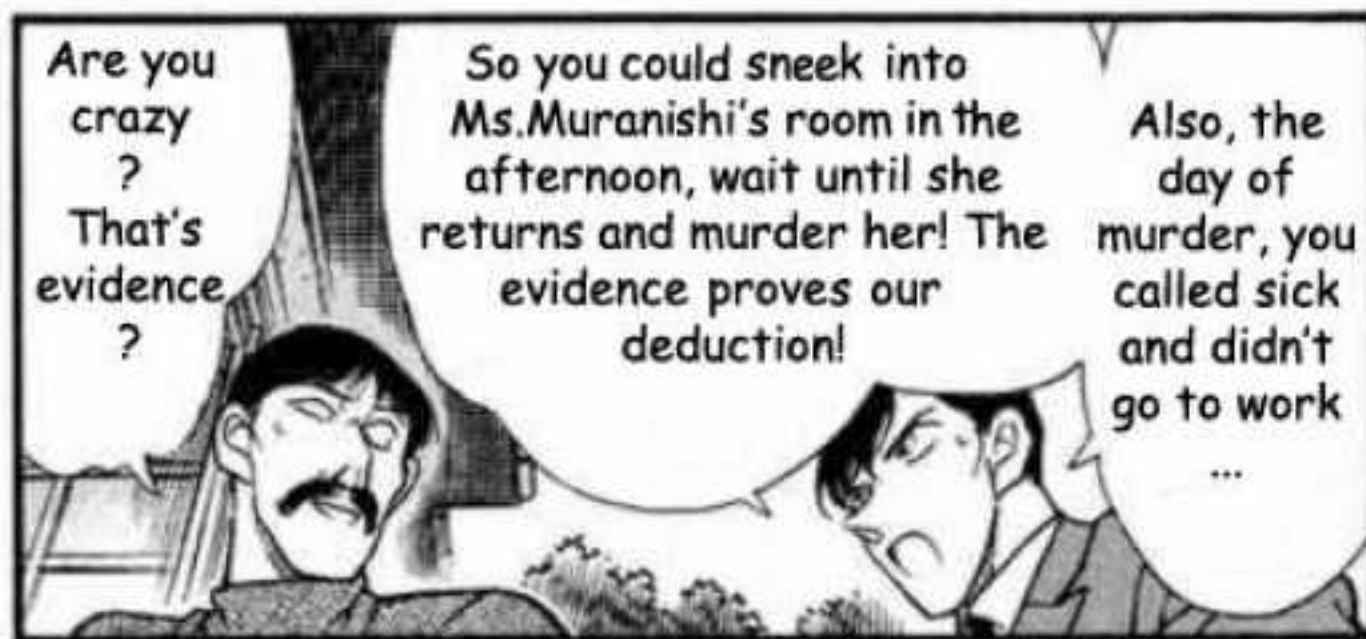

An AV cable is missing in the house ...

As it is ...

Eh ?

Hey, Haibara how is it ?

Are you crazy ? That's evidence ?

So you could sneak into Ms. Muranishi's room in the afternoon, wait until she returns and murder her! The evidence proves our deduction!

Also, the day of murder, you called sick and didn't go to work ...

Oh, Uncle, what happened ...

The day of my absence I didn't even meet her...

Don't have it, do you ?

If it's evidence that shows I'm the culprit then bring it out !!

You borrowed Mr. Higashida's AV cable to use for murder because you knew he was an expert on it

To that thumb of yours ...

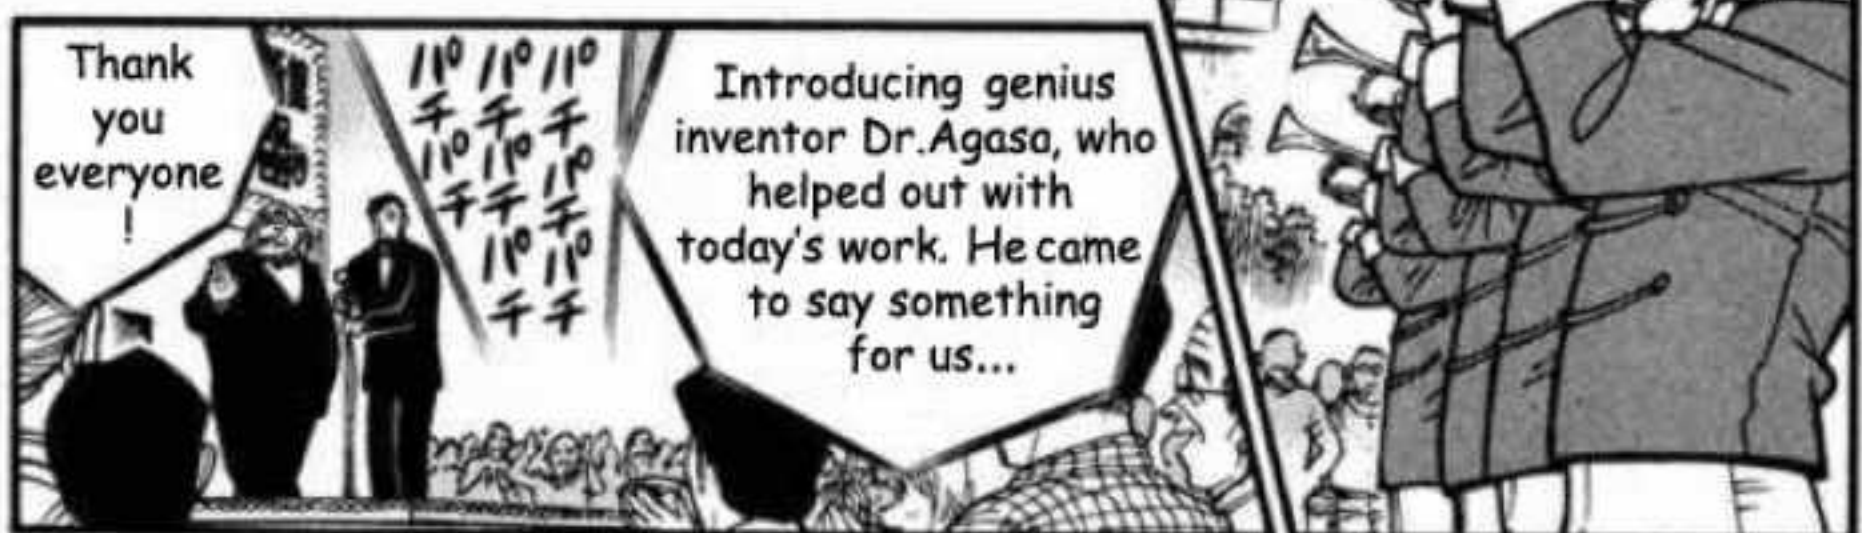

In just 10 minutes !!

Eh ?

At last, the Haido Museum that stood for more than 40 years must bid farewell

F... Fair-well ?

Thank you everyone !

Introducing genius inventor Dr. Agasa, who helped out with today's work. He came to say something for us...

That's not true, is it !!?

Wh... What?

Hiroshi Agasa !!

I'm the inventor of the "Tropical Rainbow" that will be used to demolish this respected museum ...

I'll let the inspector check the broken spike on the cactus and your finger, then we'll know

Uh...

How'd you get this pinch mark?

What're you doing to me!?

and put it on the balcony after murdering her!

That you're the one who carried the cactus Ms. Muranishi brought back that day

Would contain the blood of yours, who never met her that day!

How the spike on the cactus that Ms. Muranishi just received that day ...

Can you answer me?

I think we should go check it out !!

Damn it! What's he doing instead of pursuing the suspect!?

Yes sir, he went to check the room of the murder and went straight to Mr. Kitagawa's house, sir!

What!? Takagi went to the apartment of the case!?

Use the gun and shoot the chain free ...

The gun ?

Battery's dead ...

Hello? Hello!?

Dr. Agasa will take the honor to press the button for the bomb !!

Only 3 minutes left !!!

Then why did you run in the first place !!!

What!? Why didn't you leave any bullets!?

There's none left ...

I shot the pipes twice, once on the door, and another two for threatening, which is a total of 5 shots

So he decided to kill her and planned to use Mr. Higashida as a scape goat instead, since they both often fought with each other !

Yes sir! Mr. Kitagawa gave in just now, and confessed that he was forced by Ms. Muranishi to marry her !

Real Culprit ?

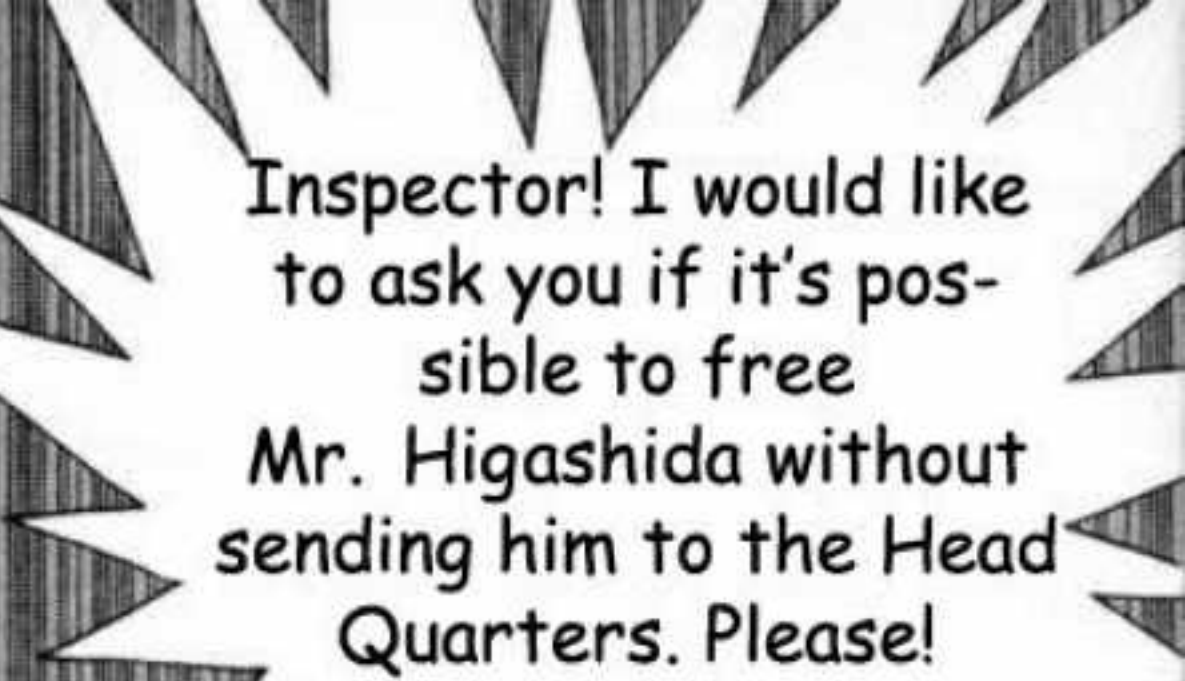

I've got the real Inspector !

Takagi ! What're you doing here!?

She's with Higashida at the Haido Art Museum

Where's Sato ?

Inspector! I would like to ask you if it's possible to free Mr. Higashida without sending him to the Head Quarters. Please!

Because right now they're ...

He...He... You're joking, right ?

When it's 10 seconds ...

I would like everyone to countdown with me !!!

Hello? Hello !?

Woah !

Eh? There's someone in the museum ?

That can't be ...

What is it!?
Answer Me !!

7!

8!

9!

10!

4!

5!

6!

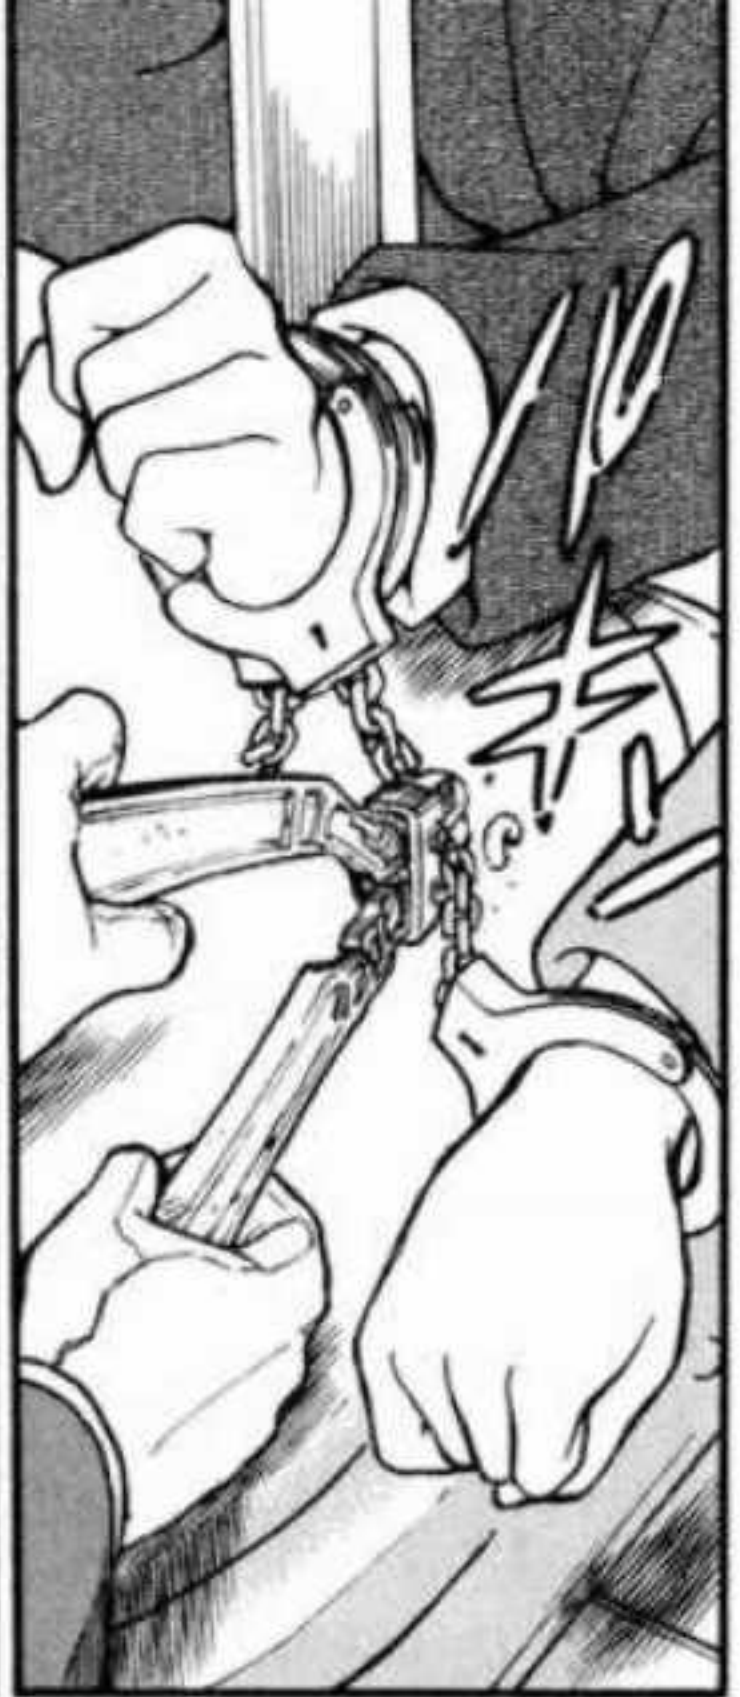

3!

0!!

2!

1!

Huh....?
A marriage
certificate in
a match box
?

Th...
There
might
be one
at the
game
center
...

Tell me!
Where is it
!?

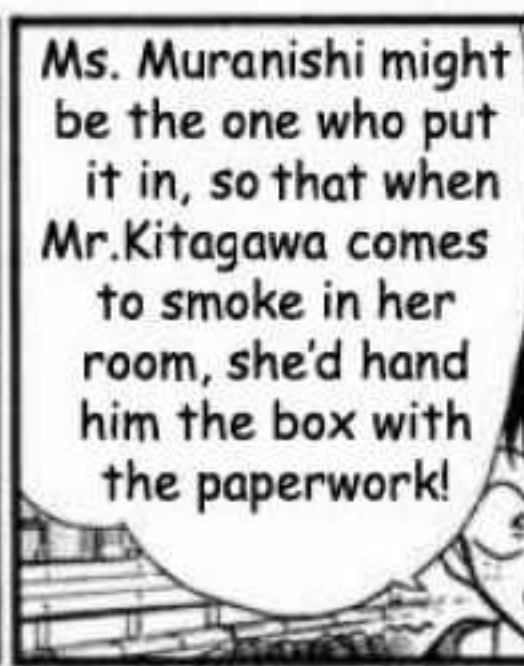

I've been hold-
ing since
yesterday! The
restroom here
won't work and
you still
weren't there...

Restroom
!!
Restroom
!!
Where's
the
restroom
!!

But
...

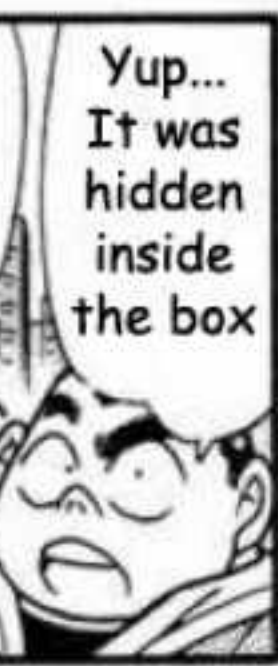

Right,
Conan-
Kun
?

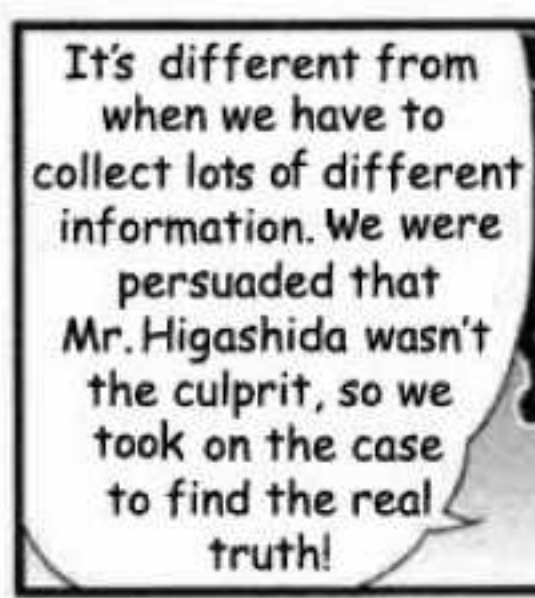

Ms. Muranishi might
be the one who put
it in, so that when
Mr.Kitagawa comes
to smoke in her
room, she'd hand
him the box with
the paperwork!

They might
have a
separate set
of keys

Yup...
It was
hidden
inside
the box

It's different from
when we have to
collect lots of different
information. We were
persuaded that
Mr. Higashida wasn't
the culprit, so we
took on the case
to find the real
truth!

When we found
the body,
Mr. Higashida was
set up, which
caused us to
believe what
we saw

He solved
the case
all in one
night
?

Takagi
?

There's
no
choice

Who
does he
think
he is
?

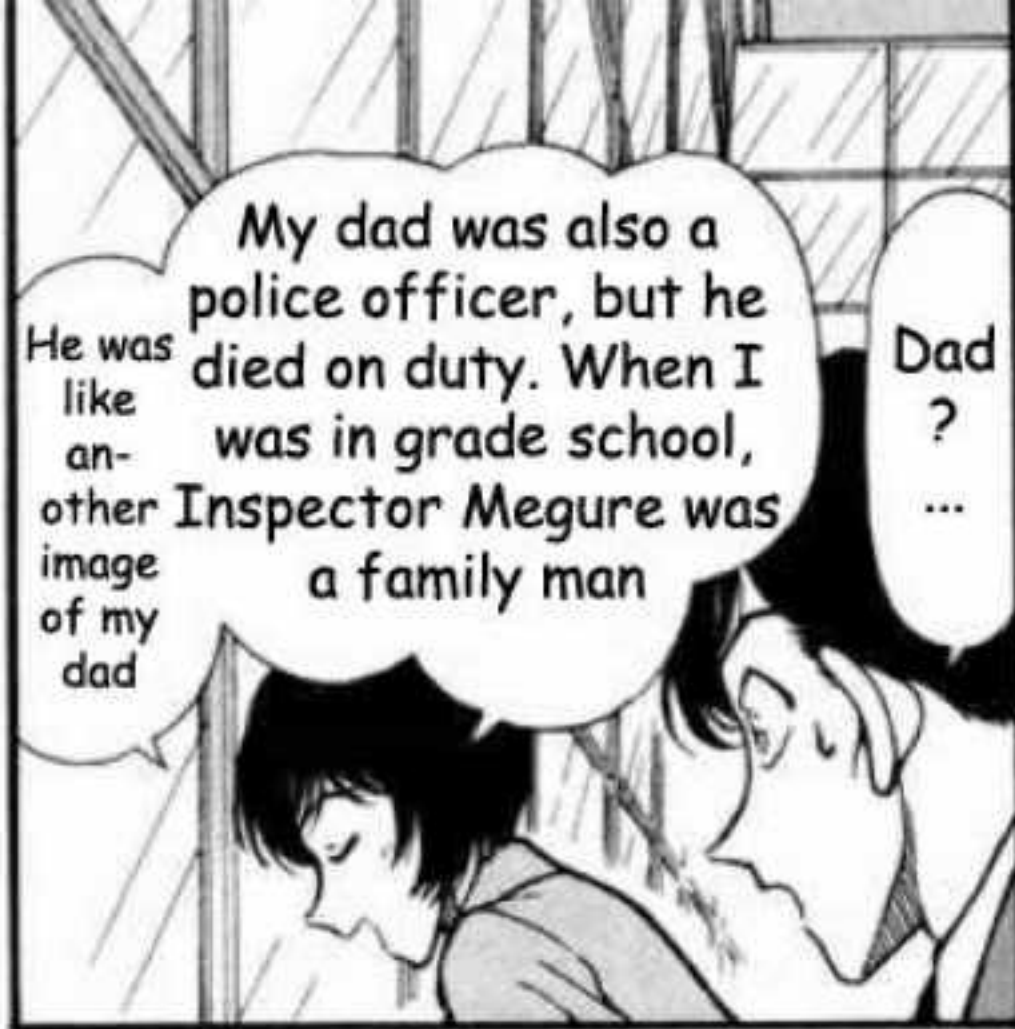

He really
said that
?

O...
Officer
Takagi said
that
...

He was like another image of my dad

My dad was also a police officer, but he died on duty. When I was in grade school, Inspector Megure was a family man

Dad ? ...

He's like my dad ! ♡

Eh ?

I mean... inspector... yell at me for a bit.

I guess I'll let dad...

N... No

Why? Do you have something to say?

He he ♡

?

I guess we can't escape "Love"

Dad !!

So Sad

This is a tragedy of the misunderstanding between father and his child

And so, our play was changed from Kamen-Yaiba to a story about police
