Strange

What does she want?

Ran is acting strange lately

She likes to interrupt everytime when she talks to me

Unlike before, she used to plead and keep saying "Shinichi"

Also the strangest thing is ...

Conan kun I'll be going out to the gym

She likes to go out in the evening and return late at the night...

Y...
Yeah...

I already prepare for the dinner, it's on the table. Use microwave to warm up the food, OK?

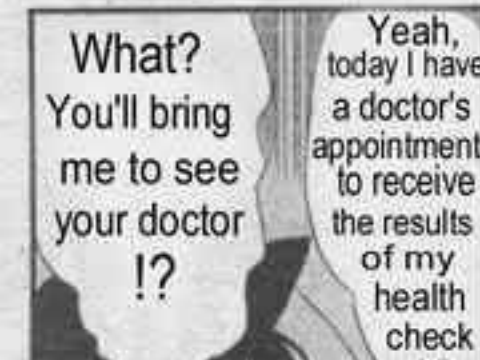

Even though she tells us she's at the gym "vigorously practicing Karate for her next competition."

It's still suspicious ...

I can't figure it out why she hums a song with a smile on her face when she leaves home to practice Karate

Everthing goes on as usual, until one day, something strange happen...

What? You'll bring me to see your doctor !?

Yeah, today I have a doctor's appointment to receive the results of my health check up.

Check? Why? What happened ?

I've been feelin' a little bit sick lately...

You probably drink too much alcohol.

Yeah, I thin' so! You don't have to pick us up from the school to go with you. It freaks me out!

No 'coz the doctor forced me

to bring all the family members

Araide Yoshiteru

Oh!!!
Doctor

You should have told me in the first place. It's unnecessary to bring family to listen the results.

To make alcohol addiction like you give up, it needs co-operation from the family.

From now on, you should reduce drinking from everyday to once a week and extend more...

Yes, forever will be terrific!

Oh Grandma! You're talkin' 'bout it again !!

However, it's a right thing that important person will take a shower first.

Who is the important person? He's just the son in law but he acts as if he's the house owner !!

Araide Mitsu (74)

Like tell me to die !!!

Mom, how about the dinner?

Nope! Just eat whatever u like !!!

Just ignore her.

She is angry that my dad changes the style of bathroom. It's a modern style.

Modern style?

Yes, she was yelling at him when he changed the bathtub which made from Hikoki wood into ceramic with a curtain.

She said "Will you change this home into Warrior's castle?"

I think we better stay still.
