about
Kyougoku-
san?

Hey,
Sonoko
?

Look at
all the
wonder-
ful men.

Oh, can you not put me with you?

Hey~ Someone will kill you if you keep saying stuff like that? Kyougoku-san has a lot of fan girls...

And ever since he went to America he hasn't called... I guess it didn't go well for us...

You know Makoto... He's more like a bloody old Samurai than a Prince...

Stop it...

What is this? I never said a word about "Shinichi"?

I, I'm not waiting for Shinichi!!

You're always waiting sadly for your husband to come home!

That's not why I chose this place! Plus Shinichi always made fun of me because I kept on falling...

Not only that, you chose this place 'cause you 2 always used to play here right?

Oh, no it's Ok...

Oh, so today it's your turn to teach this kid right?

Sonoko... You tease a lot today?

Oh so he taught you by holding on to you?

Even if that person would never tell anyone, If the organization finds out that person knows that person would be killed too...

And you know it? We can't have anyone find out about this...

Destroy anything not like they want it... That's their way...

You know who I'm talking about don't you, Kudou?

I'm not sure, but the stronger that person thinks of you everyday, the more she will live in and never smile...

WAAA
AAAA
...

Can you Conan-kun?

Ah
...

Don't know... We've never gone skating before

What? Can he skate?

Huh?

.....

Ow...

Urrr ...

Itami Chihiro (27)
Owner's Daughter

You shouldn't speed up when you're not good at skating...

Hey...

Misawa Yasuharu (29) Banker

Ow, help Yasuharu ...

Hey are you okay?

Humph...

It's not my fault.

You irritate me...

Why do you always say mean things to me?

Hey, hey...

Even a cute little rich girl like you, will be nothing when your over 30...

It's only now that you can be all cute in front of men! Chihiro...

Sano Izumi (28)
OL

You know, when you throw dishes in the air and shoot them!

What's that?

Oh~ you all do clay shooting?

Let's not have a fight!

Hey hey... It's been a long time since this clay shooting group last met!

And we didn't meet each other since that accident 6 months ago!

It's more fun with your friends...

We just did it this afternoon!

Komatsu Yoriko (30) House Wife

6 months ago?

That accident ...

Stop it...

A clumsy, scary story...

Yeah! Do you wanna hear kid...

If you say anything about that I'm going straight home ...

And I thought I said...

Are you stupid? Telling that story to a kid?

Huh?

Oda Kunitomo (29) Fireman

Ha ha Sorry I forgot!

Too Samurai-ish...

C, cool guy.

Some stupid person made me remember something I didn't want to...

I'm gonna go smoke...

H, hey Oda, you going home? You won't come and drink with us later?

Isn't he the bad one?

It only slipped out by mistake! And he calls me stupid...

But you were the one who started talking about it, you're the bad one...

Humph, who cares! Just because he's a little cute he thinks he's so cool!

Huh?
You're kidding...
You don't know?

Hey, I've been wondering for a long time... But will you tell me what that means?

Not like the rest?

He's mean, not polite, and he's not like the rest of us...

I hate him!

No! Why would I tell you Izumi!

Just tell us, you're annoying me!!

What~ you're joking? I can't believe you.

Me neither, why is he different?

Um~ I'm not sure either...

Hey, where you going?

Well it may take forever for you people that aren't "cute little rich girls"!

Not a clue...

Why he's not like the rest?

And? Does the cute little rich Suzuki girl know...?

Ur~ I hate her!!

If you don't know when I get back I may give you a hint...

The bathroom!

Ho Ho Ho

Yeah! It looks best here because it's like the background of the castle!

Oh... That one that's every night at 7 o'clock?

I'll pass! I'll be drinking coffee around somewhere! I've seen this hundreds of times...

Oh you know a lot! We came for that too!

Probably for the fireworks!

Anyways aren't there more people than there were before?

You can go!

I really have to go to the bathroom...

Why don't they wait...

I'm a little hungry... I'll be back by the fireworks!

Huh? You're leaving too, Misawa?

Okaaayyyy!

I'll be right back!

Oh... Thanks ...

If your friends come, we'll tell them to meet here...

We'll be skating around here the whole time...

The fireworks are going to start...

what is that person doing...

It's already 55...

Wait a minute...

Hey, your late!

ハハハ

You aren't ...

When you shoot me people will hear and come...

A, and plus even if you cover your face,

It's too late to make that accident my fault...

H, hey wait!!

Umm, excuse me...

Mmph

If it isn't this bathroom I'll have to change my shoes...

What should I do...

How long will it take?

女子用化粧室 (Women's Restroom)

It's great!!

Wow~
!!

Oh? You came to see after all!

Yeah... Especially these ones at the beginning ...

There was a "toilet not working" sign up, so I had to take my shoes off to go...

Did I miss them?

Huh? They weren't in the bathroom?

Oh... Where are Chihiro and your friend?

Ha, I was on time...

What
