The Invisibe Fear

Doesn't even suspect that this would be his last drink...

Did you see that? The happy look on that client's face...

hehe... Gin?

Oh that singer?

klick

no matter how many times I hear her voice...

She amazes me too

What's so special?

I was just teasing the guys that were drooling over that singer...

Oh!
I'm just kidding!!

Don't worry... The other guests are too busy staring at that singer too...

Isn't this a bad situation? If people saw a famous actress like you hanging out with us...

"The one" Why don't you tell us what you are looking for already.

Well... let's just say I haven't found "the one" yet.

So have you found what you were looking for?

Anyway...
How about
tonight?

That
makes
me sick...

Hey...
Secrets
are what
makes a
woman
beautiful.

It's no use
asking...She
has always
liked keeping
secrets...

Want to
make
some
martini?

haha

When
you mix
together
gin and
belmot

Didn't
you
know?

mart-
ini?

will only
give you
"black"...

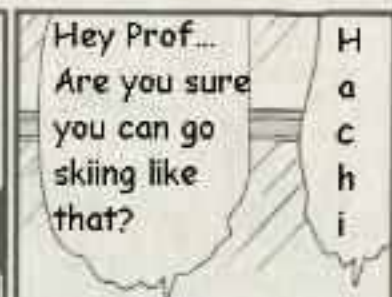

Mixing
"black"
and
"black"

How could I help it?

But he kept watching the "How To Ski" video until late night...

Well, he did it to himself... I told him to stop or he'll catch a cold...

Hey Prof... Are you sure you can go skiing like that?

I should be able to teach you guys a thing or two about skiing.

I am your chaperone. As the adult ...

Which one is the child here...

Ok, k...

Don't get carried away and stay outside for too long!

The beginning of a cold is when you have to be most careful.

But you have to get some rest once we get to the lodge first, ok?

You don't smell funny to me...

One that only people in the organization emit

I can tell by their "smell"...

No...

Stop kidding around...

Yeah... I had a feeling he might have been one of them...

But if you have a sixth sense like that wouldn't you have sensed something from Pisco...

Her evil aura sent chills up my back.

Someone with a stronger smell than Pisco...

I thought there was another one there...

I wasn't too sure...

Then why didn't you say something?

HUH ?

K.Kudu...

Change seats with me and hide me...

Oooo~ Are you on a date today Doctor?

Come to think of it, you were absent on the day of check-ups

Is something wrong with Dr. Araide?

It wasn't a big of a deal

You did a great job on the annual check-ups the other day!

We meet again~!

Hi!
Cool Kid

I'm on a date with Dr. Araide to the Ueno Art Museum today~!

My name is Jody Sante-milion!

She's an English teacher at Ran's high school...

Oh... yeah...

Do you know her?

YES!!
TO
We don't want weird rumors going around the school do we?

You shouldn't embarrass a lady!

Uh, I ran into her at the bus stop...

I'll kill you
if you cause
trouble!!!

Don't
move!!!

Bus
Jack

B...

And drive for a while... When you get stopped by a light call your bus company...

Put on your "No Service" sign up...

Didn't you hear what I said?

O,OK...

Pass all of your cell phones to the front...

Good...
K...

R. right now, we're...

This is Kobayashi...

If you do, you'll never be able to use a phone ever again, got that?

Don't hide them...

To have
Kunio
Yashima
released

We just took
over one of
your buses!!
We only
have one
demand!

Kunio
Yashima...

I'll call again
in 20min! Be
ready by then!!

If you don't get
it done, tell the
police we'll kill
one hostage
every hour!!

In other words, the
3 that were left behind
has no idea how to sell
the jewel, so they need
their boss
back...

I
see...

He's a member of the robbery group
that attacked a jewelry store with a
bomb... Yashima, the boss, was the
only one the police caught and his
three group members are still on the
run... If my guess is correct, he's a
former jewel
broker..

Or they need to
get the hiding
place of the
jewels from
Yashima...

I don't have a cell phone...

cough

Shuichi

Oh, sorry...

Hey, you there! Get your phone out!

It's only a hearing aid...

Old man! What is that in your ear!?

Why don't you just quit now for your own sake and our's...

And this isn't helping you. The police will get you...

Miharu

You! You're Duh, I'm making too much noise on gum, with the ofcourse chewing! I would make noise...

...SO...

I lost part of my hearing when I was young

Yasuhiko

You should've kept quiet in the first place...

Good...

I'll keep my mouth shut...

O,ok...

How can I help you?

Oh... sorry!!

Y, you foreigner...

Damn,
he took
the
phone.

The next time you try
anything stupid, you'll
be the first to go!

What are
you doing
you brat!!

That
would
mean...

But that's
strange...
He couldn't
have seen
me because
the chair
would get
in the way...
He came
straight to
me..

And it has
to be one
of those
three...

There's
another
one with
them...

How?

But how did he get
the message!? How
did he/she give them
the message without
being noticed?
