DANGER SIGNAL

Scanned, Whiteouted,
and put in Text
made possible by Patrik
Enjoy ^_^

Speed is estimated to be 50km/hr!!

The bus is headed towards Takaido!

We see the Bus !!!

This is Takagi at Position E!

What should we do Chief?

but we can see that they seem to be armed.

Both are wearing ski outfits! We cannot see the faces, the hats and goggles hide them!!!

Two suspects!

Chief
Megure!
They have
made a
decision!

Damn! With
2 armed men
we cannot take
any chances...

The bus might
pass by your
position again!
Stay where
you are and
keep an eye
out!!

Yes
sir!

Release
Yashima
as they
demand
for now...

That is to
make the
safety of
the hosta-
ges a
priority!

They have already fired tw-
ice in the bus... And if they
are the group that robbed
the jewelry store, one of
them is a pro in bomb-making.
If they use a bomb in the city,
it could lead to disaster...

Hmmm, I
guess we
have no
choice...

their
dust...

A plan that
leave the
police lost
in

No, there
might be
something...

Well they're like mice
trapped in a maze!
Seems like all the bus
has been doing is going
around in circles...

We'll release
2 hostages
once we
have con-
firmed his
safety...

Then tell
Yashima
to call us
in 1 hour!

Hehehe...
So they
decided
to release
him...

Don't try anything
stupid, you hear!

Huh?

Are these...

The 2 bags lined up vertically...

You again...

GO CONAN!!!

No

...to die that badly eh?

You want ...

And your demands were made!! If you kill any one of us, isn't it going to ruin your plan?

The child was just curious!

Stop it!!

Stop it!

What did you say...

Then those ski cases are holding... "Hits the bags"...

o,ok Hey, hurry up and get back in your seats!!

Oh, sorry... What if the bullet hits the bags instead?

bombs!?

But I know one thing for sure...

I still can't figure out what they plan to do with those...

If I don't figure out who that is, I won't be able to do anything..

One of the 3 in the back is telling them what I'm doing!!

Its the same pressure I felt before...

This stabbing pressure...

What is this?

W

Ai?

Hey Ai, Help me out will you...hey...

inside
this
bus!!!

She's
here...

if she knew
I betrayed
the organi-
zation...

If she found
out who I was...

or is it
just a
coinc-
idence?

Is she
part
of the
organ-
ization?

Is she
after me

Agasa...
the kids...

Everyone who
came on the
bus with me...

don't
let her
find me!!

Please...
please

And
Conan
too...

they will
all be
killed...

are they
in this
bus?

Are...

Hey...

One of the
Black Org-
anization

One of
the Blacks..

If I don't figure
who that is quick,
I won't even be
able to look for
the Blacks
anymore...

But right now
I can't be thin-
king about them
I have to figure
out which one
is the 3rd
terrorist...

Are the
most sus-
picious

The 3
in the
back...

And as far as I know, there are no differences between the 2 guys' coughs...

But Agasa is coughing too...

He's the one who can tell them with his coughs...

...especially... Shuichi...

and the 2 are by the driver ...

The lady with the gum is making sound too...But the coughs are louder

The only one left is the man with the hearing aid...

It is impossible to hear someone chew in the back

They can't hear the chewing from up there...

Hey old man!!!

And all I've noticed is that the 2 upfront are constantly checking the rear view mirror...

And if he spoke the other 2 in the back would be suspicious...

but both terrorists don't have earphones.

If that hearing aid is a wireless mic, He can whisper to them...

Someone told them...

It happened again...

What are you doing!!

huh?

Oh, I was just getting some medicine

How do they communicate with each other!?

Damn! How did they..

Then 3 days from now, we'll meet at the usual place...

Its good...I got rid of the police that was following me...

What is the situation right now...

We've been waiting for you Mr. Yashima! So?

Huh?

ok, driver..Get on the highway!

A...

We'll release
the hostages
just as we
promised..

hehehe
Don't
worry...

When we get
into the Kobotke
Tunnel, slow down...

We
won't
kill
ya...

Whats
wrong,
hurry
up...

Come up
to the
front!!

Hey! You with
the glasses
and you in the
back with the
mask!

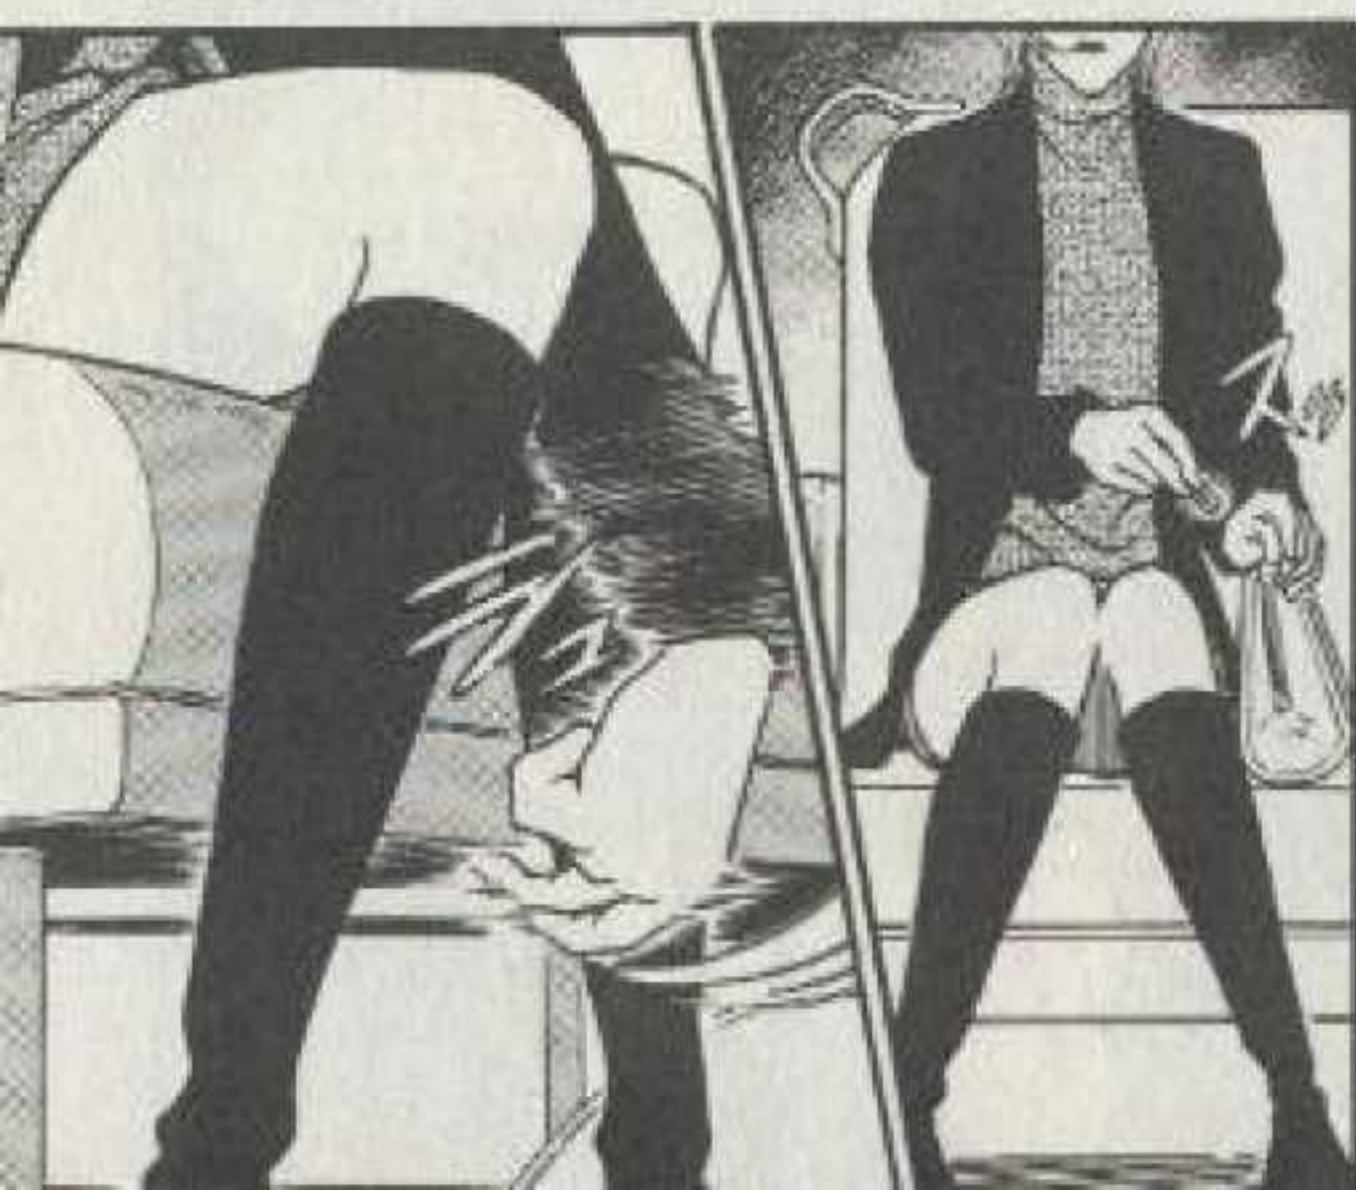

so that's
your
plan...

I get
it...

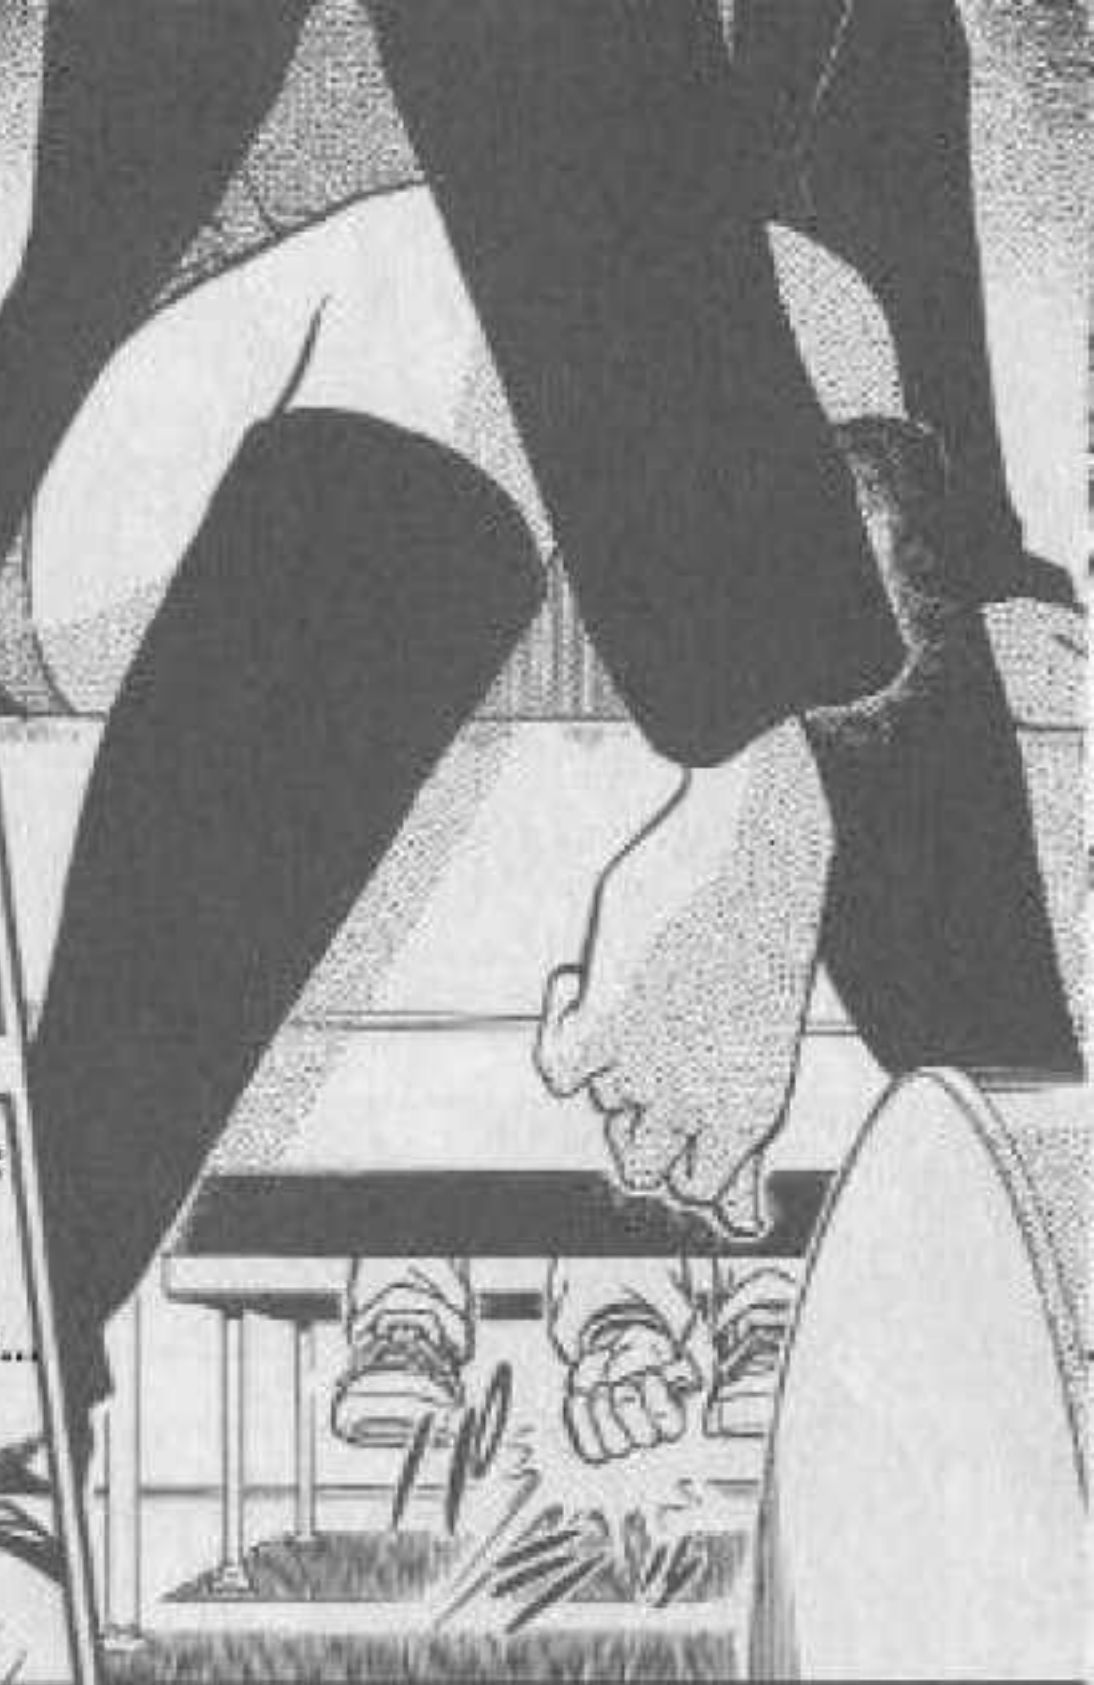

And how
you plan
to escape
from this
bus!!

I know who
your third
partner is...

Great

to tell the others
my plan with this
detective badge

All I have
to do
now is...

Show me your magic...

Where can a lipstick
bring us?

Cool guy...
