Ran was about to ask Kudou what he thinks of her.

Getting good?

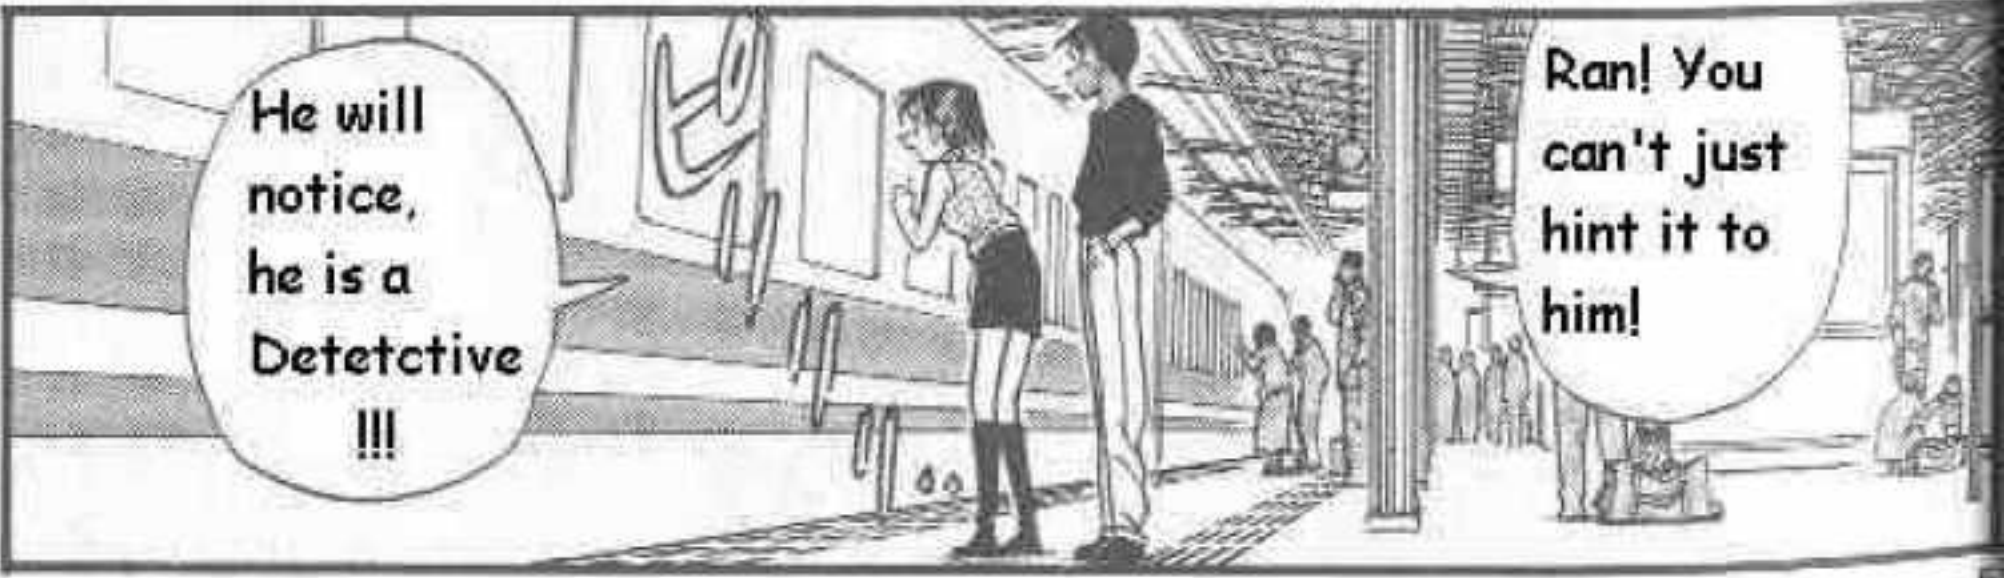

Oh, Heiji! Kudou just called, and things were just getting good, then he hung up!

What are you getting so excited about?

He is always running from that kind of discussion...

You're
with a
suspect!?

We were trying to get a warrant to arrest him in Tokyo but, he got away....So we kept watch in Kansai where he used to live, and was able to catch him there, just as we planned!

His name is Ogura Senzou. He's a drug dealer!

Coffee

huh?

So we have high hopes! Maybe he'll even give us the name of the top guy ...right...?

I remember seeing that on the newspaper...Some guy being moved from the Osaka department to the headquarters in Tokyo... A big pack of drugs was found in his house in Tokyo

Yeah!

Let me drink some coffee

what?

Do I have change.

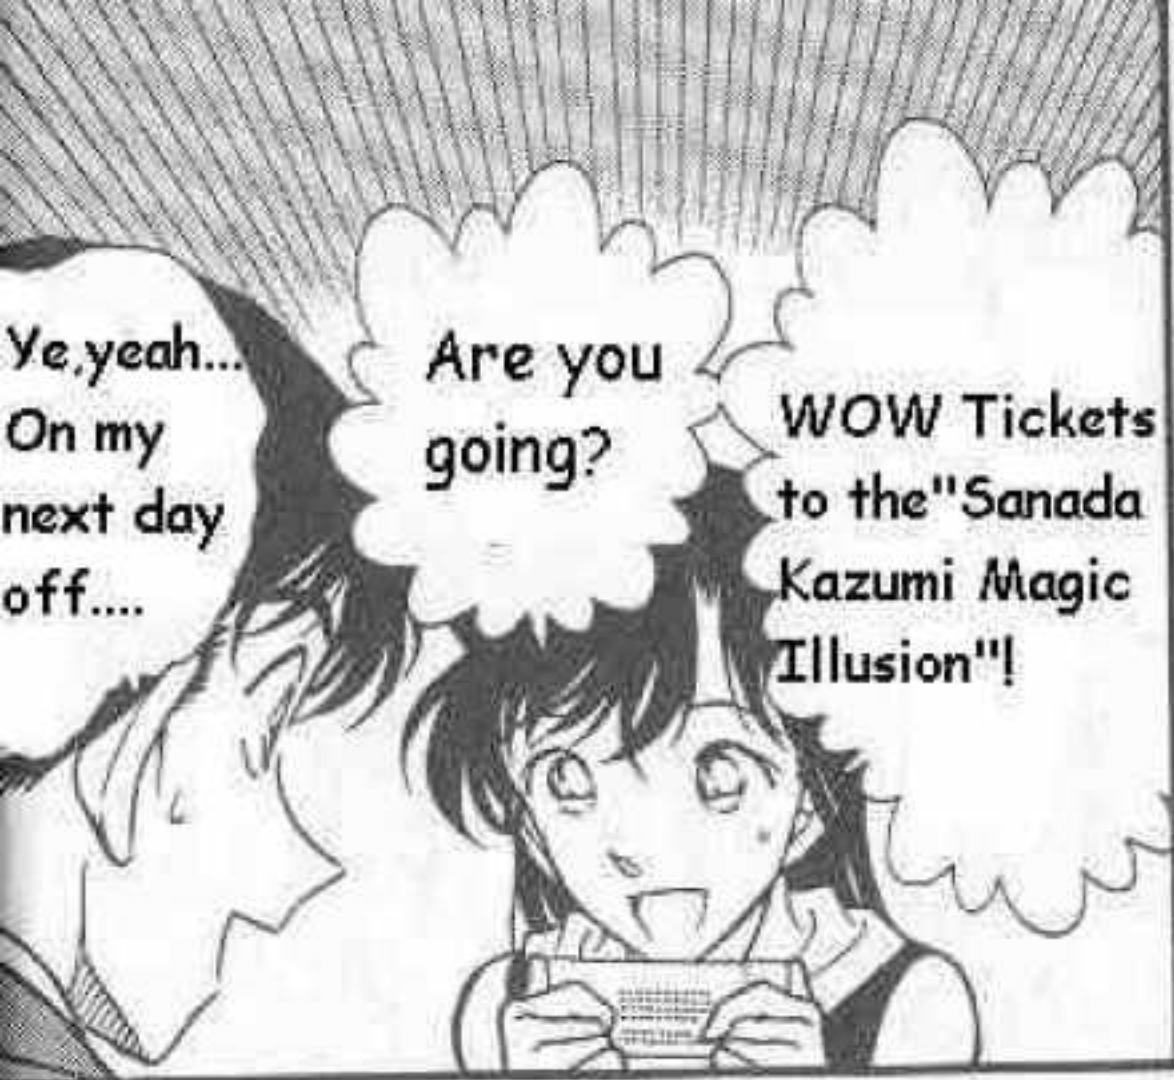

But, get him a cold one.... He might try to do something while we have our minds on the hot coffee he plans to spill on us....

haha

I guess it's ok, can you go buy him one Takagi?

Ye, yeah...

department invited me!
She had extra tickets
so she asked if I

I, I told her
I wasn't
interested....

No way ...

So, something did happen...

There are lots of people back there ...

The last passenger saw it. So I don't think it has been there a for long time...

Since when it's been here?

Hey, officer ...

Just sit still ...

Eey ...

Stop it! It's too dangerous...

HEY! NO!

Well, just wait until Sato comes back..

I've been trying to hold it, but I don't think I can do it any longer...

Because we're in a tunnel!
