Shukuzen Ogami
(51)
Detective

Yes... It seems like he's going to use us seven detectives to find this treasure...

D, does that mean that Kaitou Kid invited us here?

There were video cameras hidden around this mansion...

He's probably watching us right now...

Aki Ishihara

Detective

It's an ordable, Faugre in marble with trouffe and jure inside...

I guess our last meal has come...

No...
We
can't
make
concl-
usions
yet

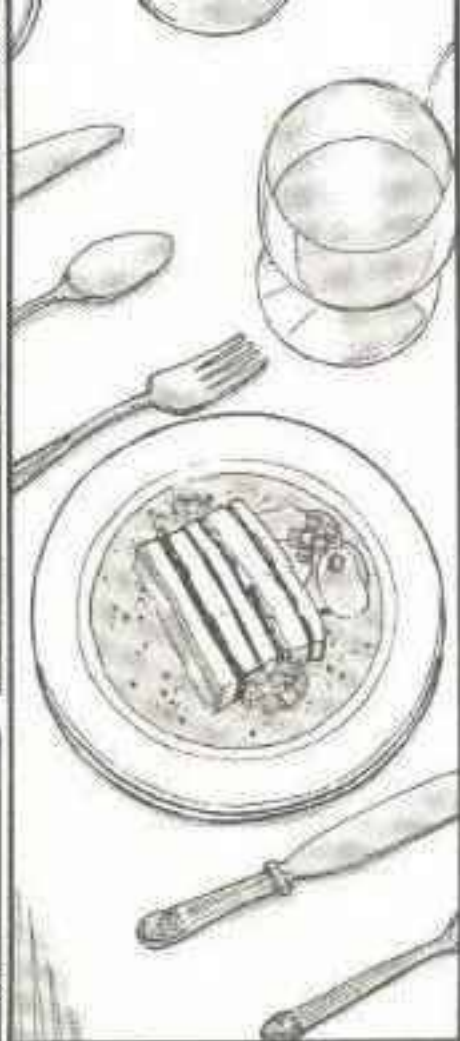

I guess it
was just in
our imag-
inations...

Yes...

This
is
good!

The last
meal I
have given
you...?

Well
how
is it...

Why this was
the place I
chose for
the game to
be done...

Why I really
used up all
my money
to invite
you...

Well, now
I shall tell
you...

Oh... So you
were still
here...

You all
know
now?

If it is
than
wouldn't
it be...

Hey,
Isn't
this a
crow?

It has a big
beak and
looks
scary...

A
bird
...?

And all
your
dishes...

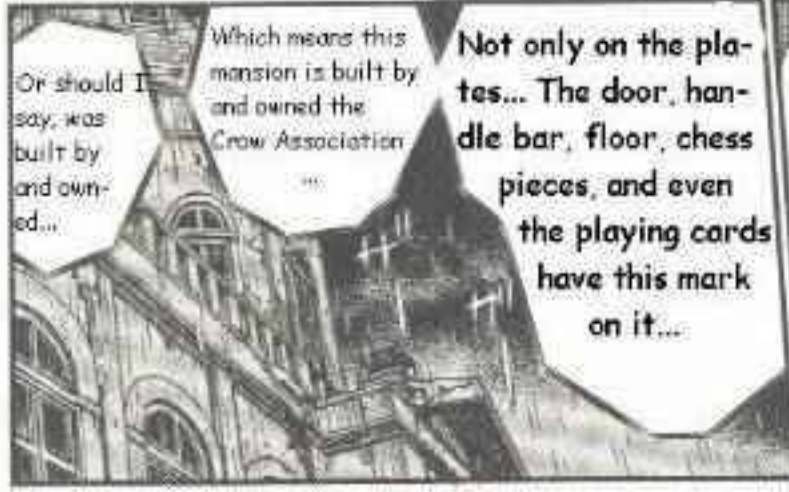

First I would
like you all to
look! At the
knives,
spoons,
forkes...

that died mysteriously half a century ago, the Crow Association...

That this was the mark of the great association

Or should I say, was built by and owned...

Which means this mansion is built by and owned the Crow Association

Not only on the plates... The door, handle bar, floor, chess pieces, and even the playing cards have this mark on it...

C, Crow Association!?

Until a tragedy so cold that even blood would freeze: happened in this mansion...

40 years ago in this mansion...

Yes that was 40 years ago when this mansion was still as beautiful as ever...

All the remains of blood on the walls and floor...

You smart detectives must have realized, When you had stepped into this cold mansion...

An auctioneer in a tuxedo stands behind a table covered with a white cloth. On the table are several items, including a bottle and some papers. He is gesturing with his right hand towards the items.

But that was really nothing but an auction to get rid of all the priceless artwork that he had been collecting. There were over 300 things for sale and the auction was planned to last for 3 days...

A man in a tuxedo is talking to another man who is wearing a dark coat and a hat. They are standing in a room with a large window in the background.

But one night all the famous members were called to the mansion... They said it was to honor the "Member of the Crow Organization" who had passed away at age 99...

Two figures wearing dark, heavy hooded raincoats are walking towards the viewer. Their faces are obscured by shadows.

When we looked up and we saw this mansion so we came up the road... Please let us stay till the storm ends..."

They shivered of the cold as they said this.. "We were lost in the woods and the sun had gone down..."

A large, multi-story mansion with a prominent gable roof and a large entrance. Two figures in hooded raincoats are walking towards the entrance. In the foreground, the back of a man's head and shoulders is visible, looking towards the mansion.

It was on the second night... The two men soaking wet came to the Association in the middle of there auction...

A close-up of the auctioneer wearing a tuxedo and a bow tie. He is holding a cigarette in his mouth and looking towards the camera.

The leader wrapped the leaf in paper as he was told to and smoked it like a cigarette...

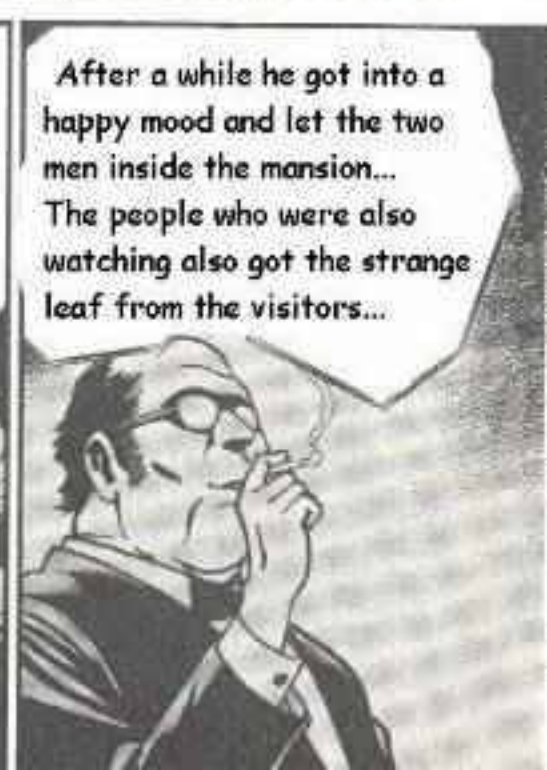

The leader of the auction, at first refused to let them in.. But instead of money the two men gave him a leaf in exchange...

A close-up of the auctioneer's face. He has a mustache and is wearing a tuxedo with a bow tie. He has a surprised or excited expression.

That leaf wasn't... Hey, hey

A wide shot of an auction room. Many people are seated at tables, some looking towards the front. The room is filled with smoke.

And after a while there was smoke from the leaf all around the room...

A close-up of the auctioneer smoking a cigarette. He is looking to the side with a thoughtful or satisfied expression.

After a while he got into a happy mood and let the two men inside the mansion... The people who were also watching also got the strange leaf from the visitors...

Maru-
ana...

And another man
grabbed his own
pen and started
stabbing his own
wrist...

One of the
women kept
on weeping
until she was
out of tears...

After a while one of the guests
screamed as though he had
seen a ghost... And snatched
the antique vase he had bought
in the mansion and started
running around the mansion...

Leaving eight dead bodies and
many dying people, the two men
disappeared with the auctioned items...

After a while it became a big fight
over the items in the auction, and
people started trying to kill each
other with swords and weapons
that were for auction... The mansion
had become like a portrait of Hell...
Then when the sun had risen...

There probably
was someone
in the people
that died...

B, but why
don't we know
about such a
big incident?

Yes...
What a delicious old story....

Humph... That was probably what the 2 wanted to happen...

Before everyone knew about it it would be better to get rid of the case all together...

I see... If that person was in a place where you can't even tell who killed who...

Someone that was so famous or important, that he couldn't be mentioned....

The reason I called you to this mansion...

So, now you know?

he killings over the treasure that happened on that night....

That is because I wanted you, the detectives, to act out what happened on that night...

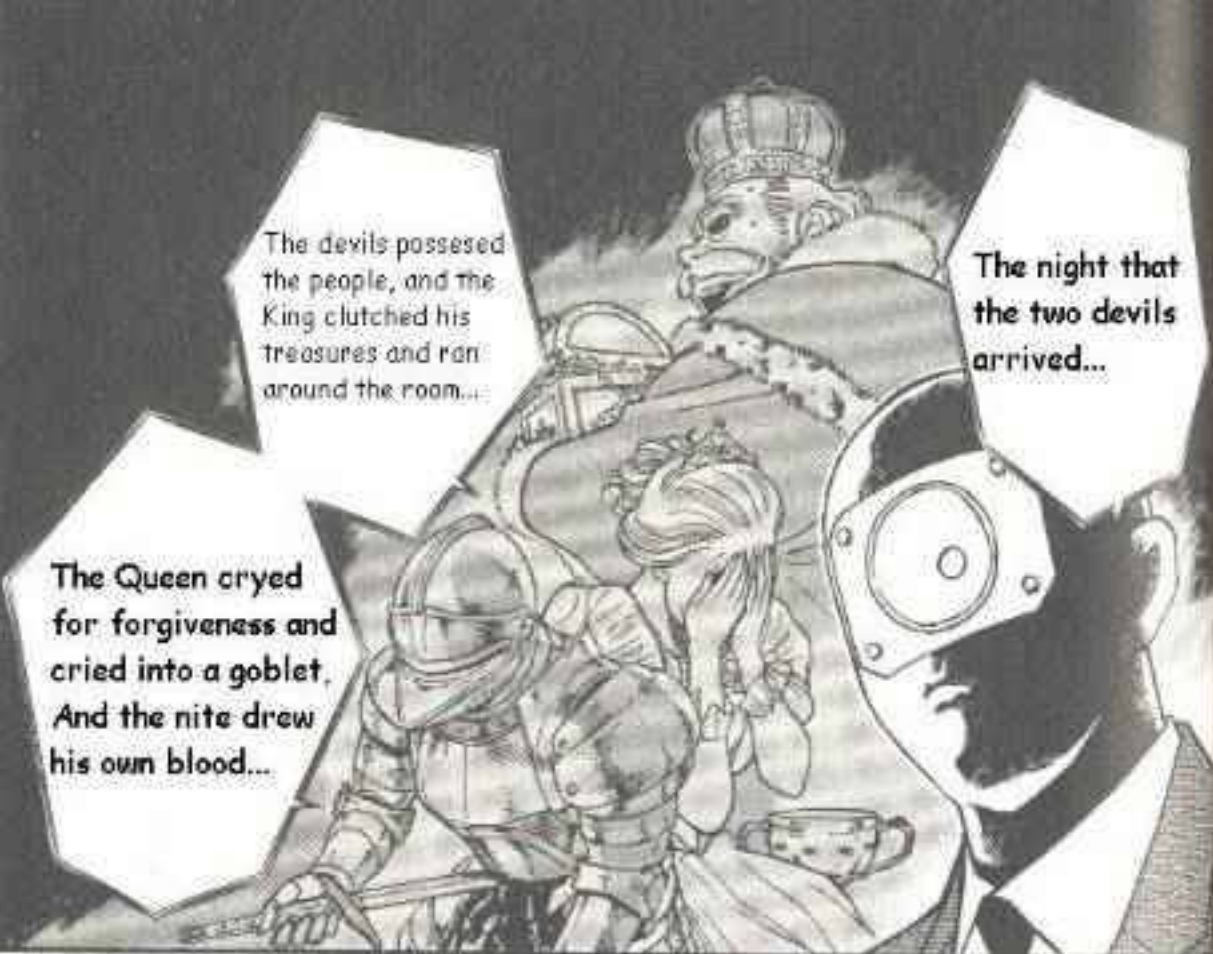

H, hint!?

Now I shall give you a little hint...

Well, it is hard to search when you don't know anything...

Humph... What non-sense...

The devils possessed the people, and the King clutched his treasures and ran around the room...

The night that the two devils arrived...

The Queen cried for forgiveness and cried into a goblet. And the nite drew his own blood...

It took a long time you know... To make a hint of the treasure in this mansion...

I, isn't that the story we just heard!

Because

You cannot suddenly drop out of the game...

But us too have to want to kill...

If you want us to kill each other not only the opponent...

How silly...

Do you not think, this is the perfect start for all the killings that are going to happen...

Are under...
The spell...

You
are
all...

That I
have
casted
upon you...

Half of the
treasure
and the
way to
escape
is yours...

The one who finds the
treasure must come to the
fourth floor in the middle
of the mansion and type
the answer into the computer
placed there... As I have
promised...

When someone lets
out a deadly scream
it is the begging...
Listening?

Now... Just as
the incident
40 years ago
...

huh?

Ufff..

Only a joke...

kuk.

k..

Humph! This isn't a deserted island in the middle of the ocean...

If I'm lucky someone will find me while roaming around the forest...

B, but how are you going to...

I don't care that much for treasure

Sorry but I'm leaving...

kuff....

Buy now my fellow detectives!

At this point he will not come back...

Pulse stops at 10:34 51 seconds...

You know the second time's never funny?

Hey you!

I don't think so... This coin isn't turning shiny...

Does that mean there was cyanide in that guys tea?

I can't see his lips and nails turn purple... And I smell the almond scent of cyanide...

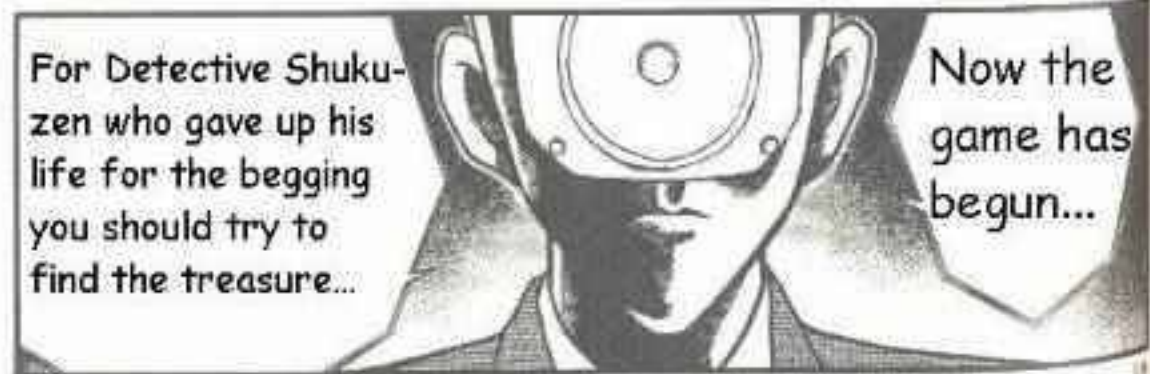

W... why...

What!?

Then how!?

I guess he didn't die because of this tea...

For Detective Shukuzen who gave up his life for the begging you should try to find the treasure...

Now the game has begun...

You... Stop fooling around!!

Y, yes...The
ordables,
soup, main,
and Desert
were all
decided.

Were the times
to serve the
meals decided
too...

It looks
like it's
conne-
cted to
a timer...

A tape
player?

While
your
still alive
...

Well
now
we
know
2 thi-
ngs...

He recorded
it from the start...

Then the crim-
inal wasn't
talking while
watching
us eat...

The criminal was
trying to kill Mr.
Ogami from the
begging...

The
fact
that...

May be
one of
us...

And that
the crim-
inal....
