by Mercury

On the bottom...

Finished!

No, look at it closer!
It says
Makoto Kyougoku!

Sonoko, is it possible
that you're
starting karate?

**Kyoku-
Shin?**

That's for me!
Makoto-san's
is here!

But for sending
it to Kyougoku...
isn't the size
kinda small?

Haah
.....

I'm just joking!
You made this in the
pottery class you've
been going to
recently, right?

If it is okay
with my heart,
I can lend
it to
you...

What an awful person...
In order to run away
from the crime that
he caused, he left
this beautiful
woman widowed...

A
A
A
A
.....

Ran?

But
Mr.
Detective,
I, I...

You must
not miss
.....

Y, yeah...
a little...

Oh? Ran,
are you
intrested
too?

Y, yeah...
that's
right...

Sonoko...you said
that you go to that
pottery class
every Sunday,
right?

Three weeks later ...

Oh, Mr. Mino...

Ho...yours is pretty nice...

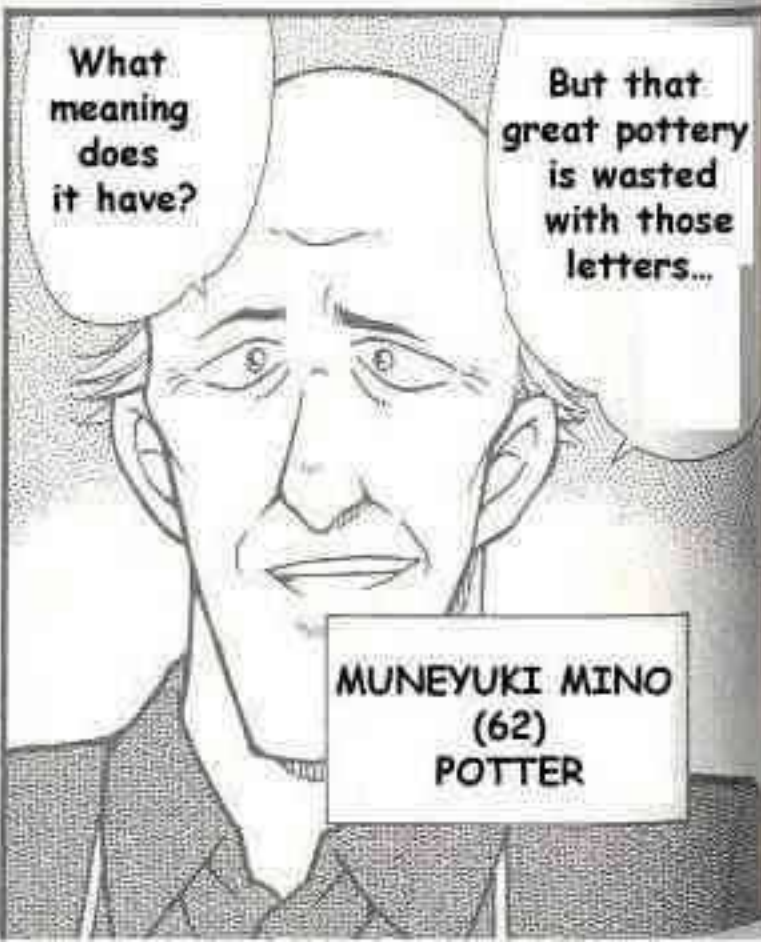

It's a secret. A S-E-C-R-E-T!

What is it? What did you write on it?

Oh, um... There's no really significantly important meaning to it...

What meaning does it have?

But that great pottery is wasted with those letters...

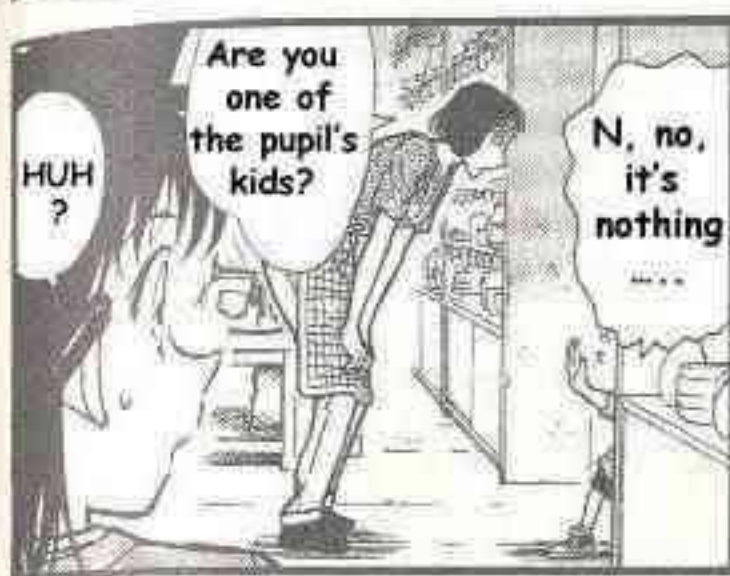

MUNEYUKI MINO (62) POTTER

Oh boy, what are you doing?

Well too bad!

Then, prove it by showing it to me!

HUH?

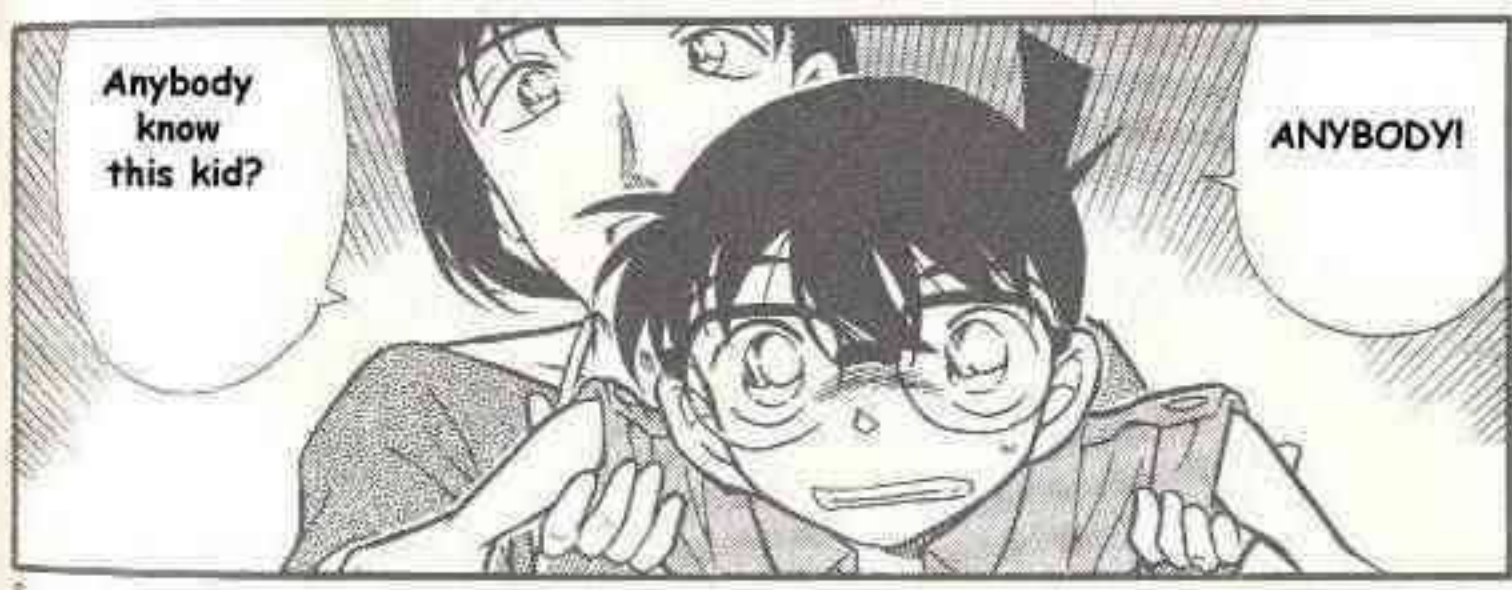

Are you one of the pupil's kids?

N, no, it's nothing

O, of course not!

You aren't going to write "Shinichi Love" on it, are you?

Anybody know this kid?

ANYBODY!

I, I was asked by Uncle Kogoro in order to check up on...

You didn't follow us, did you?

Why are you here?

CONAN ?!

CO...

HUH ?

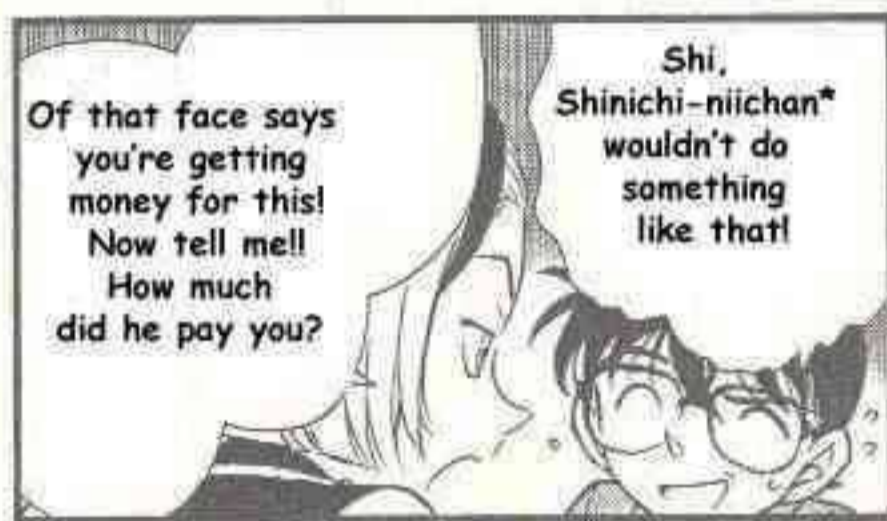

By Shinichi !

Oh I know...

Oh, um, so, um...

That's weird... last week he already came to see...

Of that face says you're getting money for this! Now tell me! How much did he pay you?

Shi, Shinichi-niichan* wouldn't do something like that!

*older brother

C, cheating?

This kid was probably asked by Shinichi to check on us! To see if Ran was cheating on him!

N, NO ...

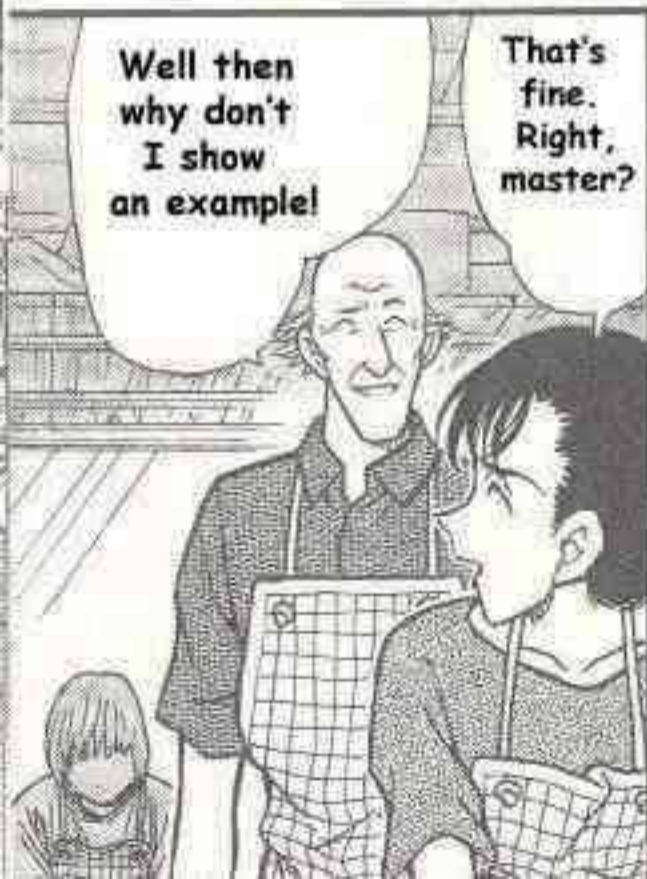

Well, that's fine... And since he came...

Cheap ...

\$1.00?*
\$2.00?***

*100 yen **200 yen

Well then why don't I show an example!

That's fine. Right, master?

Why don't you make something ?

Child...

KIKUYO KASAMA (29)
Muneyuki's assistant

So that's why you're learning so fast...

YEAH!
We were taught a bunch of things by his assistants! Right, Ran-nee-chan?!*

*older sister

Ho...!
You've met Mr. Kikueemon before?

Oh, our father was just called to his house...

But it's amazing! To meet that human treasure!

Oh, didn't my father say when he came last week?

Solved... could your father be...

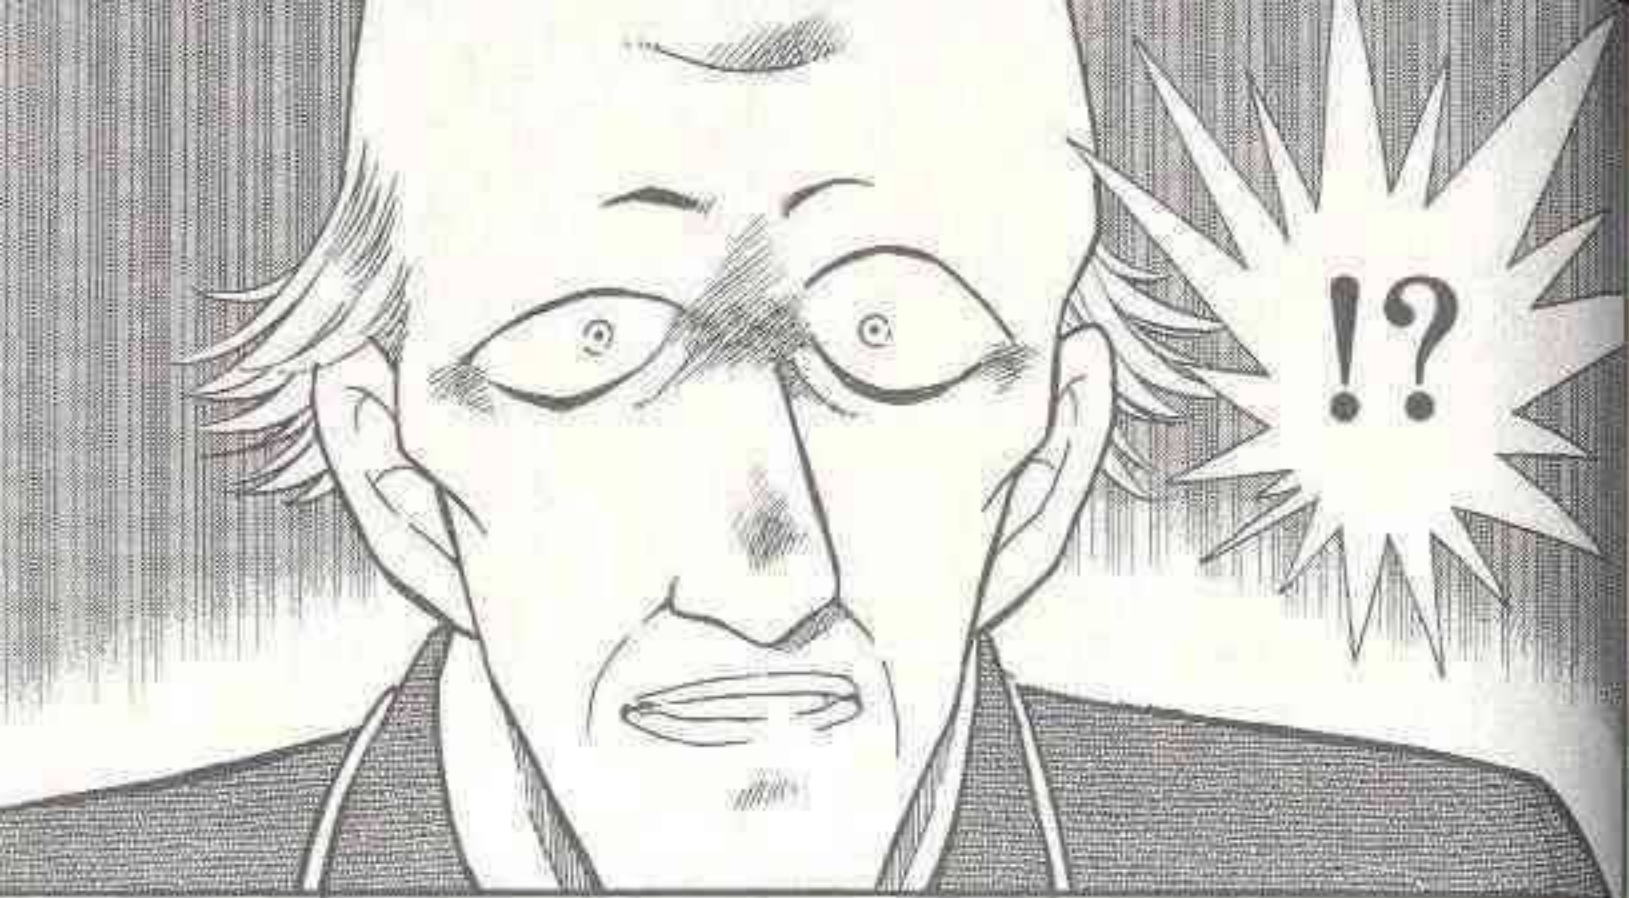

HUH?

But then, your father successfully solved the murder case that happened to occur!!

And he's a detective

Actually, our father is called Kogoro Mouri...

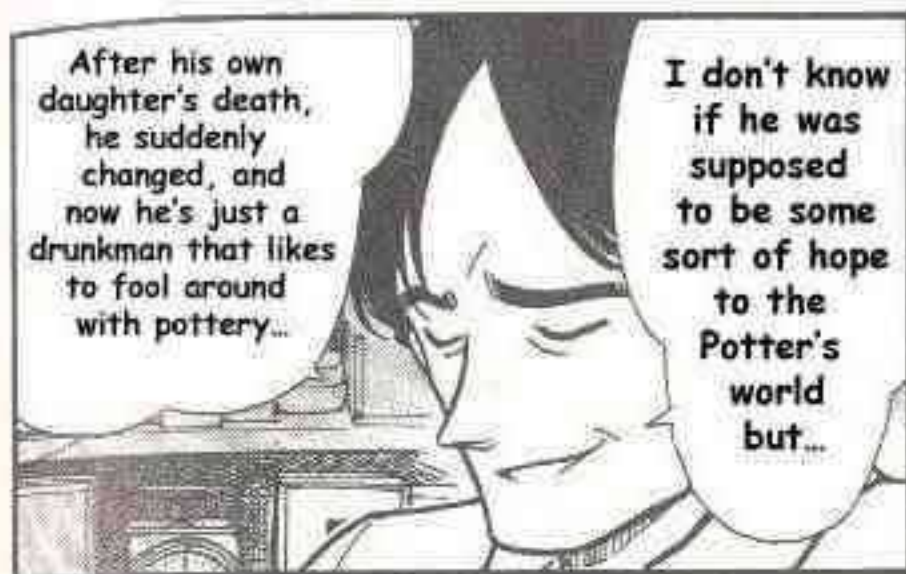

Yeah...he said just do it in case. He wouldn't be quiet about it...

You were forced into it?

What?
Insurance
!?

After his own daughter's death, he suddenly changed, and now he's just a drunkman that likes to fool around with pottery...

I don't know if he was supposed to be some sort of hope to the Potter's world but...

Hmph what's with the everlastingly loved part... I just wanted to get as much of that grandpa's money as possible, then split up, but I didn't think she would go so fast...

You're cold... to your everlastingly loved wife that's dead and to her father...

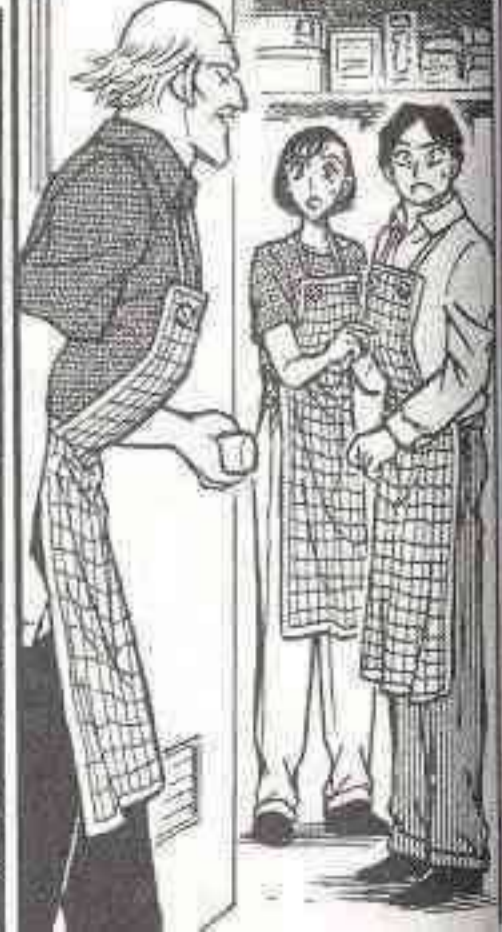

Of course I made it you... My girl was now and then you...

By the way, who did you make the inheritor?

Yeah... when he dies let's shut down this place and make our own shop... If we sell the sleeping works that's stored here we'll make a lot of money

But it's fine, isn't it? He won't live for much longer as an alcoholic...

very good
on your
neck...

It
looks...

No
means
NO!

RAN!
Will you
just show it!

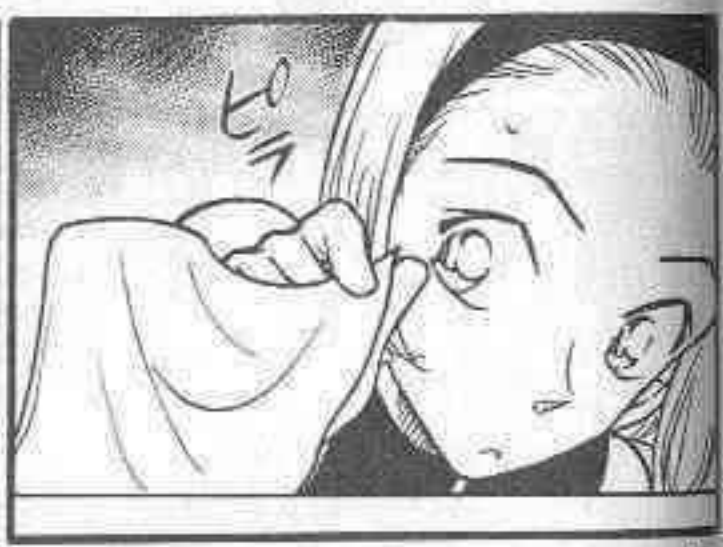

Aa
aa..
..!!

A...
...

Everybody's gonna
see it anyways
when you bake it...

My hand slipped and I dropped a plate...

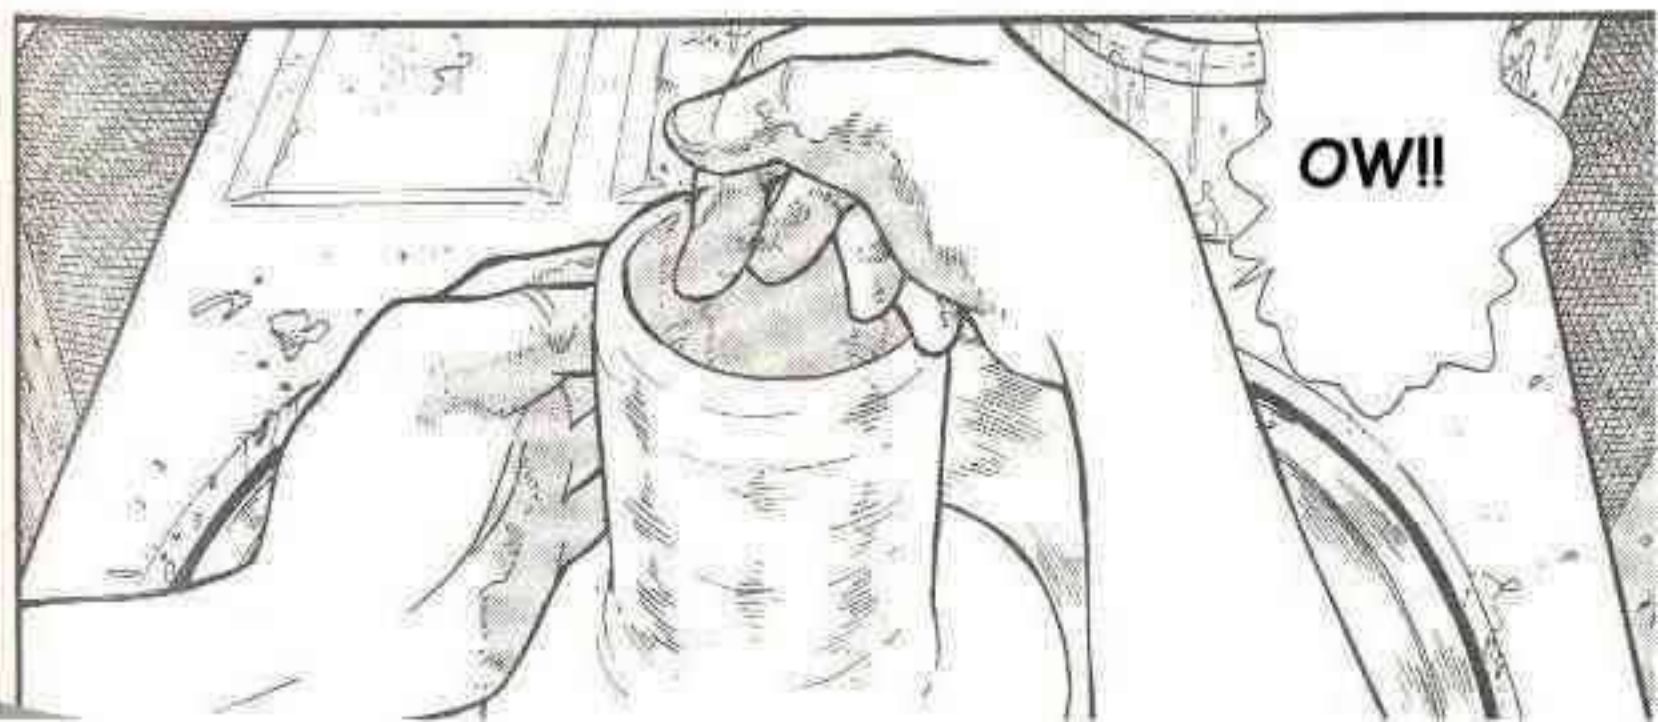

Oh, It's...

M.. Mr. Mino?

Y, Yeah..

It must be annoying, but could you people clean it up?

OW!!

Oh yes...
it's on the
upper right
corner of
the shelf
in the
storage
room!

Do you
know
where
it is?

Then I'll
get the
First
Aid Kit!

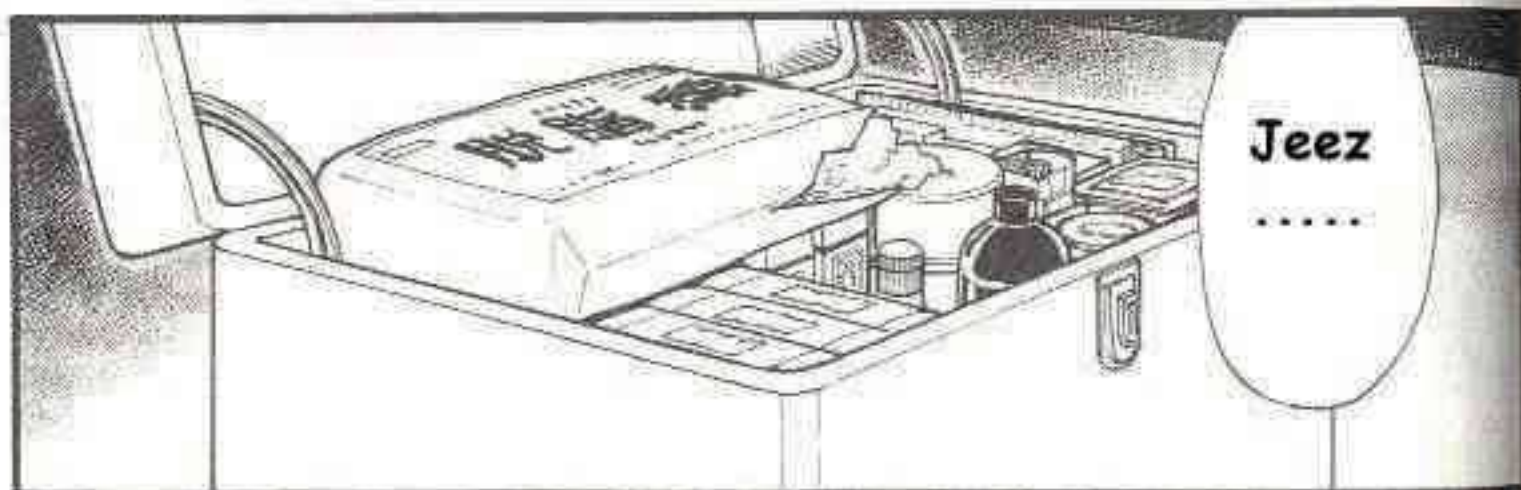

Inside the soil
there seemed
to be some
sort of shard...
It's probably
just some of
that plate
shards that
went on
my
clothes

Some-
thing's
wrong?

Please,
get it
in
a hurry

Jeez
.....

Oh yeah,
since
a while
.....

By the way,
I don't see
Motoo
anywhere...

No,
it's
nothing
.....

Is there
something
on my
face?

Please be careful
for a potter,
his hands
are his
lifespan...

That's funny...

He wasn't at the kiln either...

Moto-
oo
!!!

Motooo
!!!

The only thing that's left is the storage room...

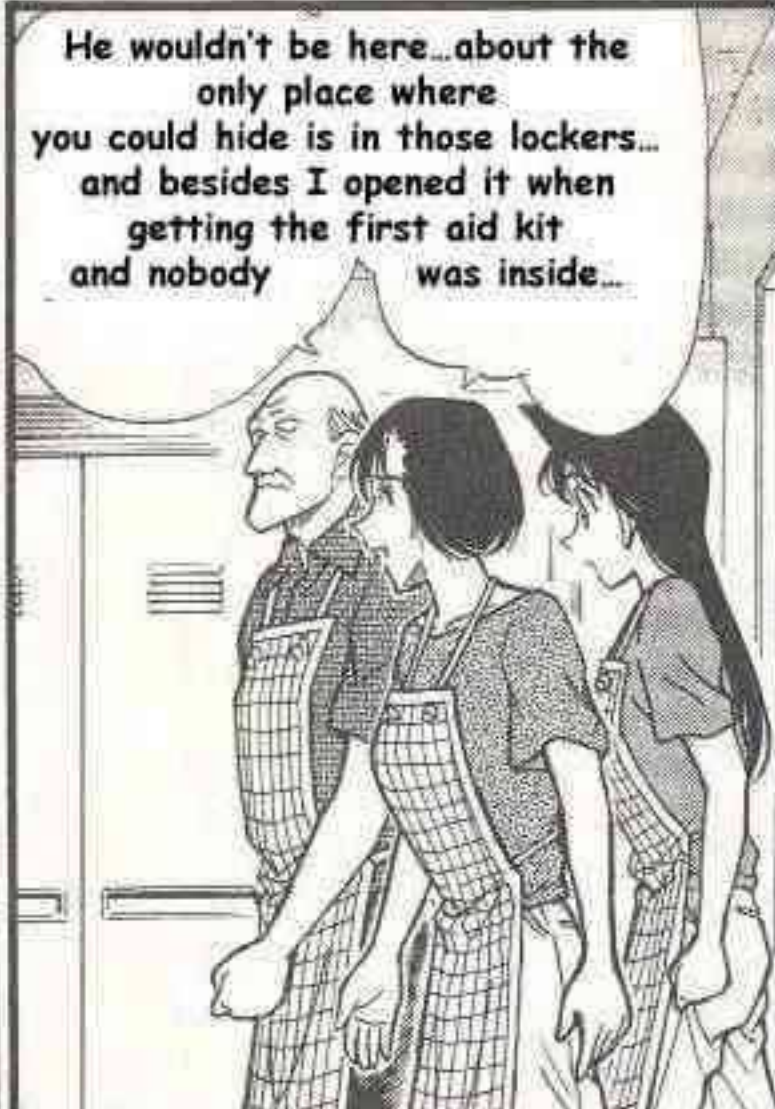

The locker

HUH ?

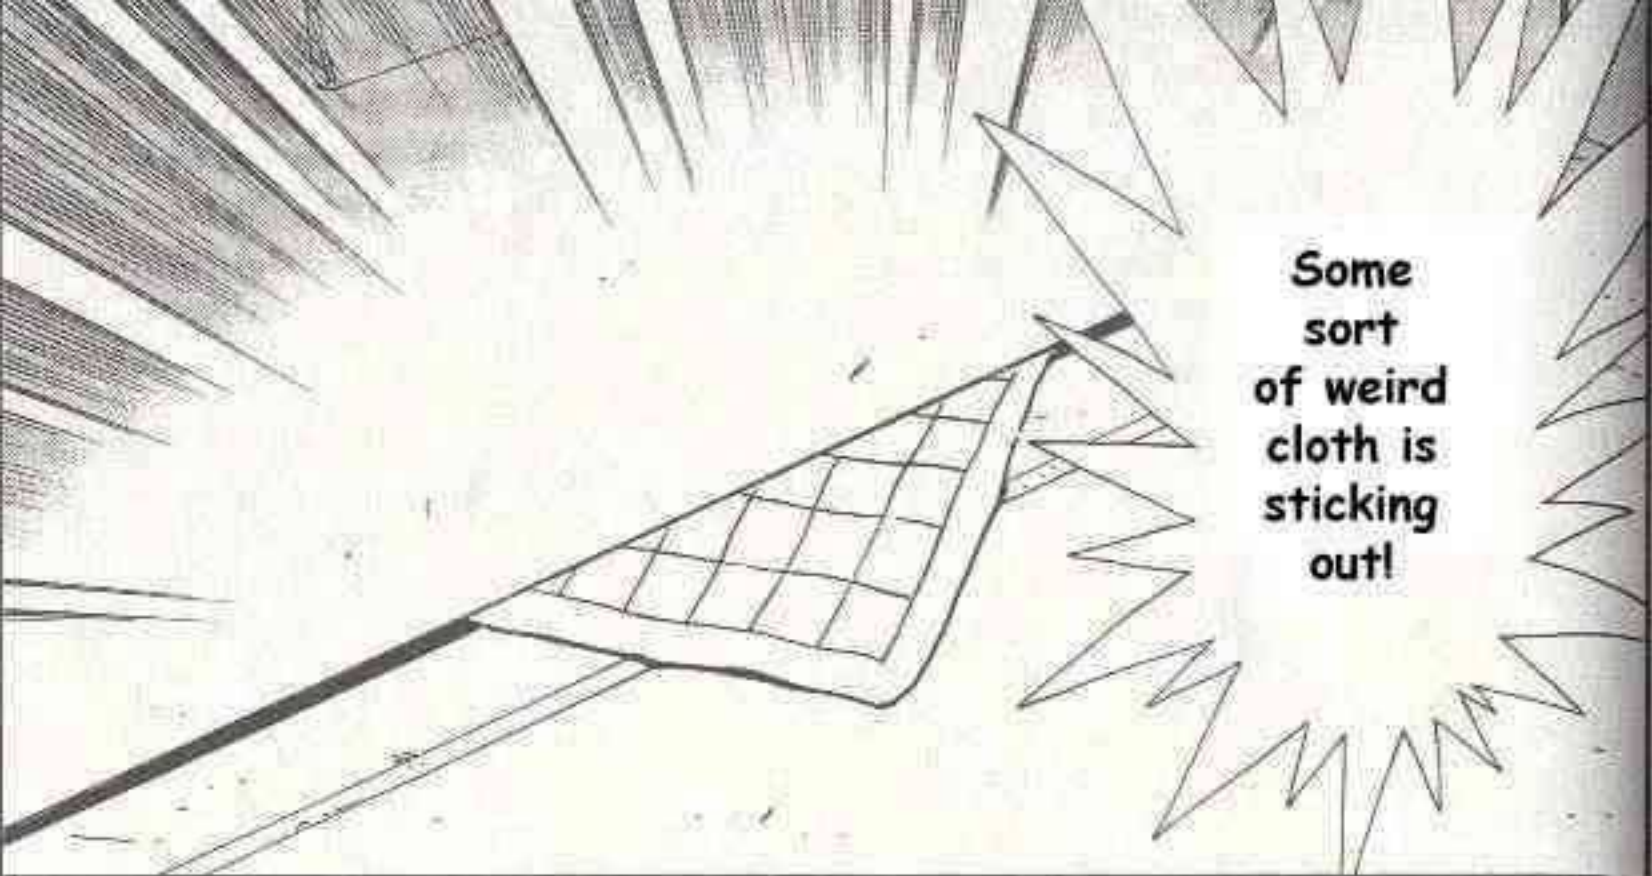

under-neath the locker

A... ..

He wouldn't be here...about the only place where you could hide is in those lockers... and besides I opened it when getting the first aid kit and nobody was inside...

Some sort of weird cloth is sticking out!

Wait!

Jeez...he hid his head and he's sticking out his butt! This is the end of hide-and-see, Motool

It's the same pattern as mine.

Yeah, it is...
...

Isn't this the apron for the classes?

I'll open it...
