400 MILLION
JUST FOR
RETURNING
THAT BLACK

Yes, they're
probably
back at
their seat(s),
checking out
the view,
laughing to
themselves...

I see...
that would
explain the
excitement,

If it gets
used well,

million isn't
anything...

The case we returned is packed with explosives...

Nah... but that's when they're going to accidentally set it off themselves...

It's a time bomb?!

DON'T WORRY... IT'S EXTREMELY IMPORTANT INFORMATION RECEIVED AT GREAT COST... THEY WOULDN'T DO ANYTHING AS CARELESS AS THAT...

YEAH, BUT WHAT IF THEY DROP IT OR SOMETHING?

AND BESIDES, THE BOMB IS SET TO GO OFF AT 3:10 ANYWAYS...

I HAVE UNTIL THEN TO SEARCH FOR THIS OTHER PERSON...

OH NO! THERE'S ONLY 40 MINUTES LEFT UNTIL 3:10!

HOW, OUT OF THESE HUNDREDS OF PASSENGERS...?!

BUT, HOW AM I GONNA FIND THEM?!
