What!?  
You've got a  
fever heat?  
.....

That's why  
you don't  
reply my  
mail  
...

Oh Shinichi!  
You've been  
worrying  
about me too,  
huh?

Of-  
course  
...

I concern  
that you  
didn't pay the  
phone bills,  
right!?

Hey!  
What do  
you really  
care!?

So do  
you  
recover  
now?

Yup!

I'm fine now but  
I'll see Dr. Araide  
to check again  
to ensure that  
I'm fine.

Hey, this  
cold reminds  
me about the  
latest trip in  
NY\*!

\*NY = New York

Ah...  
That  
story?

But can you  
live with that?  
That story hurts  
you badly,  
arent' you?

No,  
not  
at all

because it  
also reminds  
me of good  
things.

By the way,  
where is  
Sharon's  
handkerchief  
?

Eh  
?

You told me  
that you'd get  
it for me,  
didn't you?

A...Ah!  
It's still with  
me!

But I didn't give it  
to you because there  
were 2 murder cases.  
I thought it'd be  
better if you for-  
get them.

Err...  
Where  
have I  
put it?

Two  
cases?  
...

That psycho murderer  
was committed suicide,  
wasn't he? I already  
check it from  
internet.

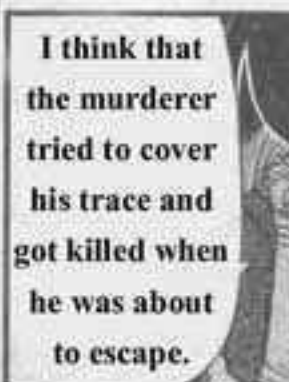

Yep...  
according  
to the  
police's  
file...

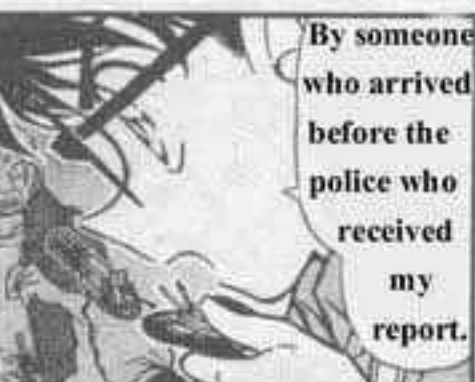

But don't you  
ever think that  
someone who  
prepared to  
committed suicide  
would clean up...

all the blood  
on the floor  
& fingerprints  
on the  
laddered  
rails?

I think that  
the murderer  
tried to cover  
his trace and  
got killed when  
he was about  
to escape.

By someone  
who arrived  
before the  
police who  
received  
my  
report.

I heard that  
Captain Radich tries  
to find out about  
this. But he finds  
nothing.

Hey  
Hold on

I feel that  
someone stand  
in front of  
the door.

In front  
of the  
door?

Hey  
It's me!

ARAIDE CLINIC

Ha! Ha! Ha! Ha!

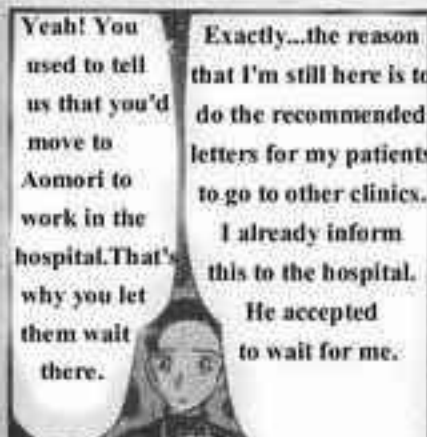

I think the ghost'd be the one who scared of her. She's so healthy!!

Umm... Where're the Grandma and that sister now?

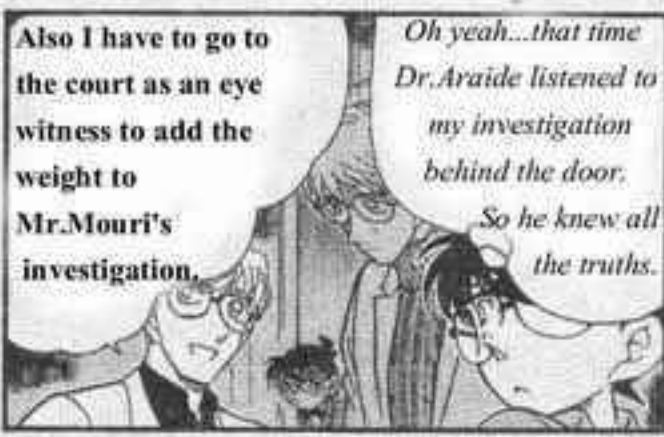

Ahh...they're waiting for me at Aomori already.

Yeah! You used to tell us that you'd move to Aomori to work in the hospital. That's why you let them wait there.

Exactly...the reason that I'm still here is to do the recommended letters for my patients to go to other clinics.

I already inform this to the hospital. He accepted to wait for me.

Also I have to go to the court as an eye witness to add the weight to Mr.Mouri's investigation.

Oh yeah...that time Dr.Araide listened to my investigation behind the door.

So he knew all the truths.

Doctor, you're so strong to live alone in the big house like this.

Strong ?

Well, it likely to have something comin' out, isn't it?

Again, Nowaday, you freak! both medical & science are so advanced. How's it possible to have ghosts?

Why not

...

**Eh?**

Only cramped people don't have chance to see them.

Like my apartment. The ghost makes a lot of trouble to us...

**Otonashi Hoiji**  
(68)

**Mr. Otonashi!**  
I told you for several times not to come here again!

Well, I won't go anywhere. you'll be only doctor who heal me from now on. I make up my mind that

**Who is this?**

He's my patient. But he never...

goes to the other clinic as I recommended.

Is that true Grandpa?

that the ghost in apartment exist...

**Sure!**  
Do you wanna try?

You might have a chance to meet the soul of revengeful girl...

who resist to reincarnate.

Oh  
man!

...

I'm so  
disappointed  
to come here.  
I didn't  
imagine  
that...

it'd just  
simply  
tumbledown  
apartment

Y...  
Yeah

In front of  
apartment  
is a  
public  
park...

It must  
be very  
quiet  
here.

This  
is  
it!

It's the place  
where we found  
the girl's  
corpse.

Eh  
?

which is  
burnt alive  
...

Burnt  
alive!?!?

And this side apartment was where the project's owner hanged himself when the economic depression. After that no one could continue built it ...so they have to leave it like this.

They believe that this area used to be a battlefield.

Let's continue talking inside.

Understand now

This location is the perfect place to have ghosts comin' out.

H...Hey Dad

Let's go home.

It's no use to stay here.

So annoying! Go back by taxi alone then...

No way! It's more scary to get back by my own.

Conan-kun is curious about the ghost. He won't back home with me for sure if I asked him to go now.

Ho!  
I can't  
believe  
this...

I thought that the  
popularity of this  
game'd fade away by  
now. It's unbelievable  
that there is still  
some guests  
visit here.

Tonight'd  
be exciting  
again after  
she settled  
down for  
a while.

Excit-  
ing  
?

Don't you ever  
heard a  
rumour? The  
place where  
people  
crowded...

"She"  
likes to  
appear.

**Bunjo Kikuji**  
(34)

Who's  
this,  
Sir?

Mr. Bunjo,  
who stays  
at room  
no.4...

He works at model  
shop. In his room,  
there're various of  
dreadful models that  
he does by his own.

Let's  
go  
home,  
Dad!

If she  
really  
appears,  
what'd  
we do?

It'd  
be  
terrific!  
...

It would  
be busy  
night...

It has been very  
quiet for a  
long time.

**Yosuya Iwahisa**  
(22)

Come and  
haunt me,  
Honey!!

What  
about this  
man?

Mr. Yosuda the room  
no.2 who likes to  
produce movie.  
There are a lot of  
movies in his room.

I heard that his friends  
and him use here  
to produce a ghost  
8 mm. movie...

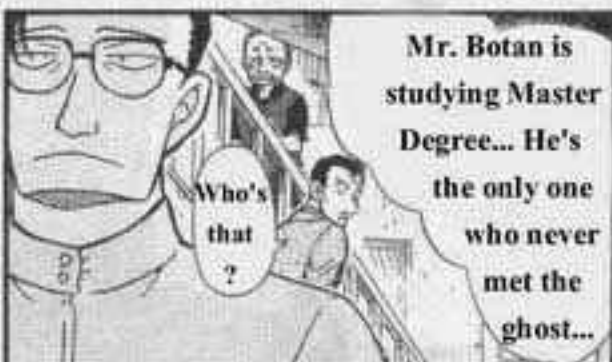

But he  
never let  
me watch  
it at all.

It wastes  
time to  
watch.

Horrified movie  
is just an illusion,  
which is unreal.  
To use it as the  
main structure  
of the movie.  
What a stupid  
...

idea and  
ridiculous  
...

**Botan Suyoochiko**  
(27)

It began when I saw a spirit floating at the side of apartment in late night...

No one believed it at first. However, many weird things happen continuously; like water becomes blood, or frightening shadow at the window staring this way. Or horrifying illusion appears constantly.

Many TV & magazines collect the informations many times.

HA!

Why don't you move out?

Ha ha... At this age, there is nothing to fear.

Plus I familiar with this place, so I don't want to move out.

Jes relax & take it easy like your own place.

The ghost would usually come out at night time.

No thanks. We're about to leave.

Jes stay "a little bit" longer!

Sounds fun!

Oh Daad!!

Fine! No more than 7.00 pm!

**GET  
OUT**

...

W...What's  
wrong!?

T...TV's screen  
has face of  
scary woman.

**ウツ**

huh  
?

I see  
nothing  
there  
...

**ウツ**

Eh?  
Huh?  
...

B...Blood!  
In the  
flush has  
lots of  
blood...

What's  
going  
on!?

Really  
?

Oh!  
She really  
comes!!

Dad says  
that water  
in the flush  
becomes  
blood  
color...

What  
happened?  
Lots of noise  
goin' on here.

im-  
possi-  
ble.

putting  
the red  
colour  
inside  
here.

Someone  
must be  
hoax...

What a  
ridiculous  
...

God  
!

**SCREAM!**

**S...**
