File 4

Kogoro's Choice ③

Did you find the weapon?

oh...

I've been searching for some evidence...

Where have you been?!

Mourisan! I've been looking for you!

thought so...

No, I only found this kid...

Eh?

Yes, I will...

So we'll continue looking for it. Tell us if you find something...

If only I had the tranquilizer...

Know who the murderer is?

Does he...

His face changed...

His...

I can't make him sleep now!

Oh no, I already used the tranquilizer...

So I have to make him figure it out...

all right...

I don't have to listen...

hch...

Huh?

Uncle! I just came up with something, can you listen?

It may help you solve the case...

Figure it out ???

Did he...

Are you going to?

Why did you lock the door?

What is it, Kogoro-niisan?

Get it under the door

Have to use a bug ...

Darn it, can't hear anything

Or

But the one I want to convince is not you...

He's misunder If I -stood! don't stop him!

I'd like to convince

Yes ...

You think that I'm the murderer and you want to convince me?

Huh?

I've got something to tell you

Ruri ...

I have to stun him...

No choice

N-NO !!!

Not her!

The door closed

Ah!

What can I kick?

what

I can't get in if it's locked!

Oi! Oi!

And in the mirror on the door...

I knew it when I saw Conan in front of the room...

When you saw it you immediately knew that he had done something, and tried to make everyone go out because if the break was over and he couldn't come out from that room, and if someone went to see Kasami-san, well that wouldn't be good.

But Nagumo-san who you are helping!

You're a good detective but I want to ask...

After everyone went out you went back to the room and saw Kasami-san dead!

You saw it right? When it began to snow?

Why should I help him?

What are you saying?

Eh?

The sharp thing that killed Kasami-san...

You didn't find the weapon, did you?

You might see it on the mirror?

The staff opened the door beside the window...

What did I see?

eh?

And just forgot that it turned into pieces 2cm long...

Yes, everybody thinks it's 10cm long...

Instead of thinking that I saw the murderer, shouldn't you solve the case 1st & find the 10 cm weapon?

If the staff walked in, they would see the murderer that walked out the room!

Nagumo-san who was walking out Kasami-san's door...

Conan-kun what are you doing there?

Oi! Oi!

Yes!

Really?

Ran-neechan ...

er ...

Nothing...

You should find the holder first...

Tape ?

Do you have some tape?

Tape!

Yes!

I think I have some here... let me see...

Tape ?

T ...

After he, the murderer killed kasami-san, he broke it into pieces and hid it in a small place...

It's a cutter ...

That's right Uncle!

Great !

That belongs to Kasumi-san!

Like in this lighter ...

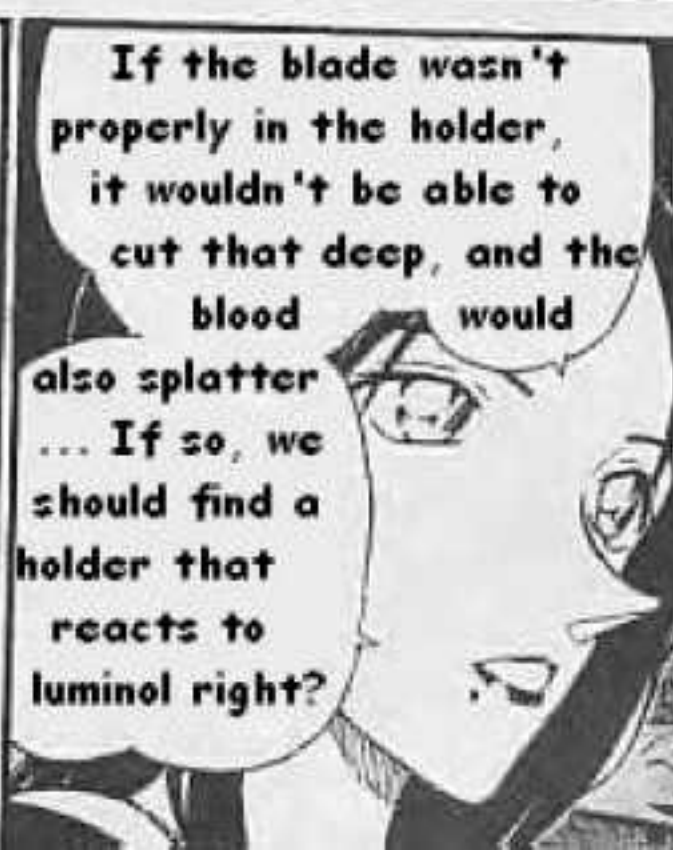

Though you found the stained blades in the lighter, that doesn't mean that you found the weapon...

But Kogoro-niisan ...

switching...

Now, Uncle ...

If the blade wasn't properly in the holder, it wouldn't be able to cut that deep, and the blood would also splatter ... If so, we should find a holder that reacts to luminol right?

We think that it's 10cm long because the wound was that deep...

I'VE NEVER
USED ONE!
HOW WOULD
I KNOW?

After he
killed
Kasami-san,
he broke the
blade and put
it in the
lighter!

He might get
a cutter, a
coat and
gloves from
the filming
room...

If he wrapped
it in tape, the
blood wouldn't
stain at all!

Then he went back to the filming room,
changed the blade and put it back into
the box. He followed up when you
screamed. As for the tape, he just
wiped off the blood and marked
it on the floor...

really
...

A boy
doesn't
need to
know!

In the
cover
of
course
...

Then tell me
where you hid
the pieces of
the blade
.....

Why
not!

Ruri...
It's not
you.

No way
... you
would-
n't kill
anyone

That trick I can also do.
I might tell the others
to go out to see the snow
and go
back to
kill him!

But why
must it be
Nagumo-
san?

Because
that room
was already
marked, no
one would
notice...

If you take this
off and pull the
cotton out you
have space ...

A lighter like
this has
cotton
inside...

Eh?

EH?!

How do
you use
a bra?

Eh
?

Er... Ran-
nee-chan...

Sorry
Conan-kun! I
left it in the
car...

She
doesn't
admit
it...

He's
you're
father!

So it
must be
that he
didn't
plan it.

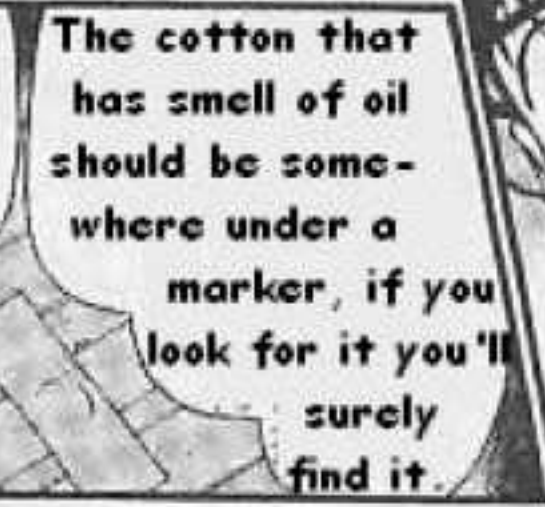

Things he
used were
ones that he
could find
only now

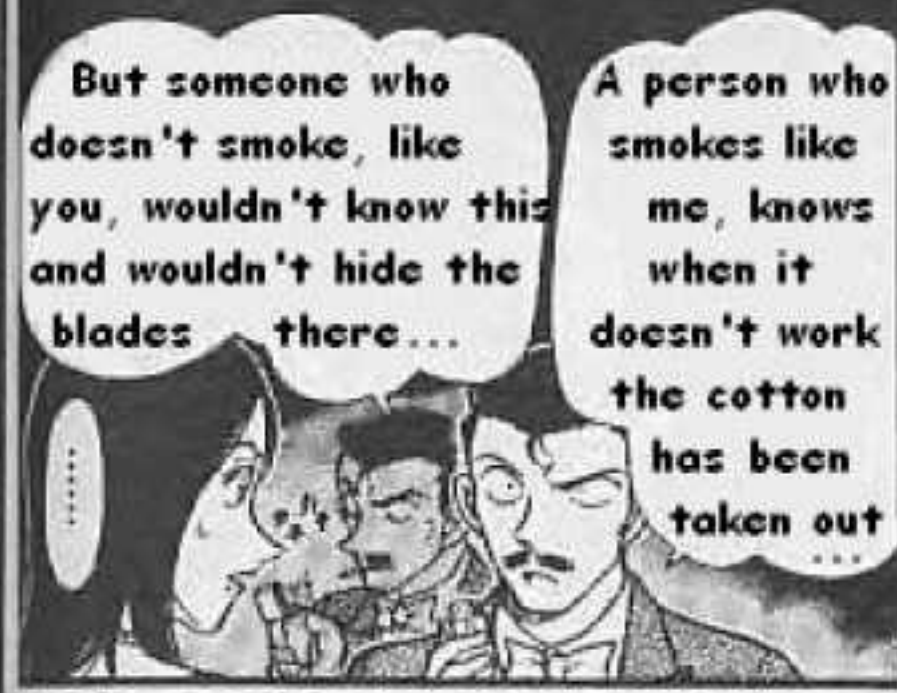

Is
that
so...
huh?!

And in that
situation, pulling out
cotton and putting in
the blades wouldn't
be possible without
taking
the gloves off

The cotton that
has smell of oil
should be some-
where under a
marker, if you
look for it you'll
surely
find it.

But someone who
doesn't smoke, like
you, wouldn't know this
and wouldn't hide the
blades there...

A person who
smokes like
me, knows
when it
doesn't work
the cotton
has been
taken out

To hide the
blades....

Nagumo-
san who
also
smokes
a lot...

But the one who could
do this, and the one
you would help is...

I only see him at
work and we're
not close
friends!

Why
would I
help him?

But I
already
asked
you...

Before the evi-
dence is found, tell
your father to con-
fess

Great!
Not bad
Uncle, not
bad...
There
must be
a finger-
print
some-
where.

?
Lover,
lover

Because
he's
it's

Please ?

Please save your old friend. Pretend that nothing happened.

Mom knew of her pregnancy after she broke up with him, she then quit the group to avoid him. Then she met my step father, the "anti-smoker" ...

I am the product of him and a minor actress in the group ...

Nagumo Akira is indeed my father.....

You're right Kogoro-niisan

I won't ... Because of you!

Eh?

I don't want you to live in the shadow of fear ...

Knowing you since we were kids...

No.

For us to meet in the cast. He told me I looked like his girlfriend then.

But what no one expected was

We met secretly to compensate for what we had missed

He started crying out of guilt...

Not bearing any responsibility as a father!

After questioning him I found he was talking about my mother when he asked me out, I blamed him for leaving mom....

Then how do you never know? mentioned anything about it

Dad's stupid, he told you of our father-daughter relationship....

Being nice to girls...

It's Kogoro indeed...

Eh

Kogoro-niisan?

So...

If our relationship were to be exposed, it would have a devastating effect on both families

The reason he killed Kasami is because of me....
