After seeing the right panel so much everyone can understand!

Not for nothing you are Sleepy-Kogoro!!

RIGHT RIGHT ALL RIGHT!!!

Ah, thank's

After the match, there will be the conversation between Detective Mouri and Ulface, so keep this channel!

The martial arts are popular even to the kids

Uff... I agreed this because the reward was good... but it was a mistake...

It remains a stupid thing

What ever they wears

TZE!

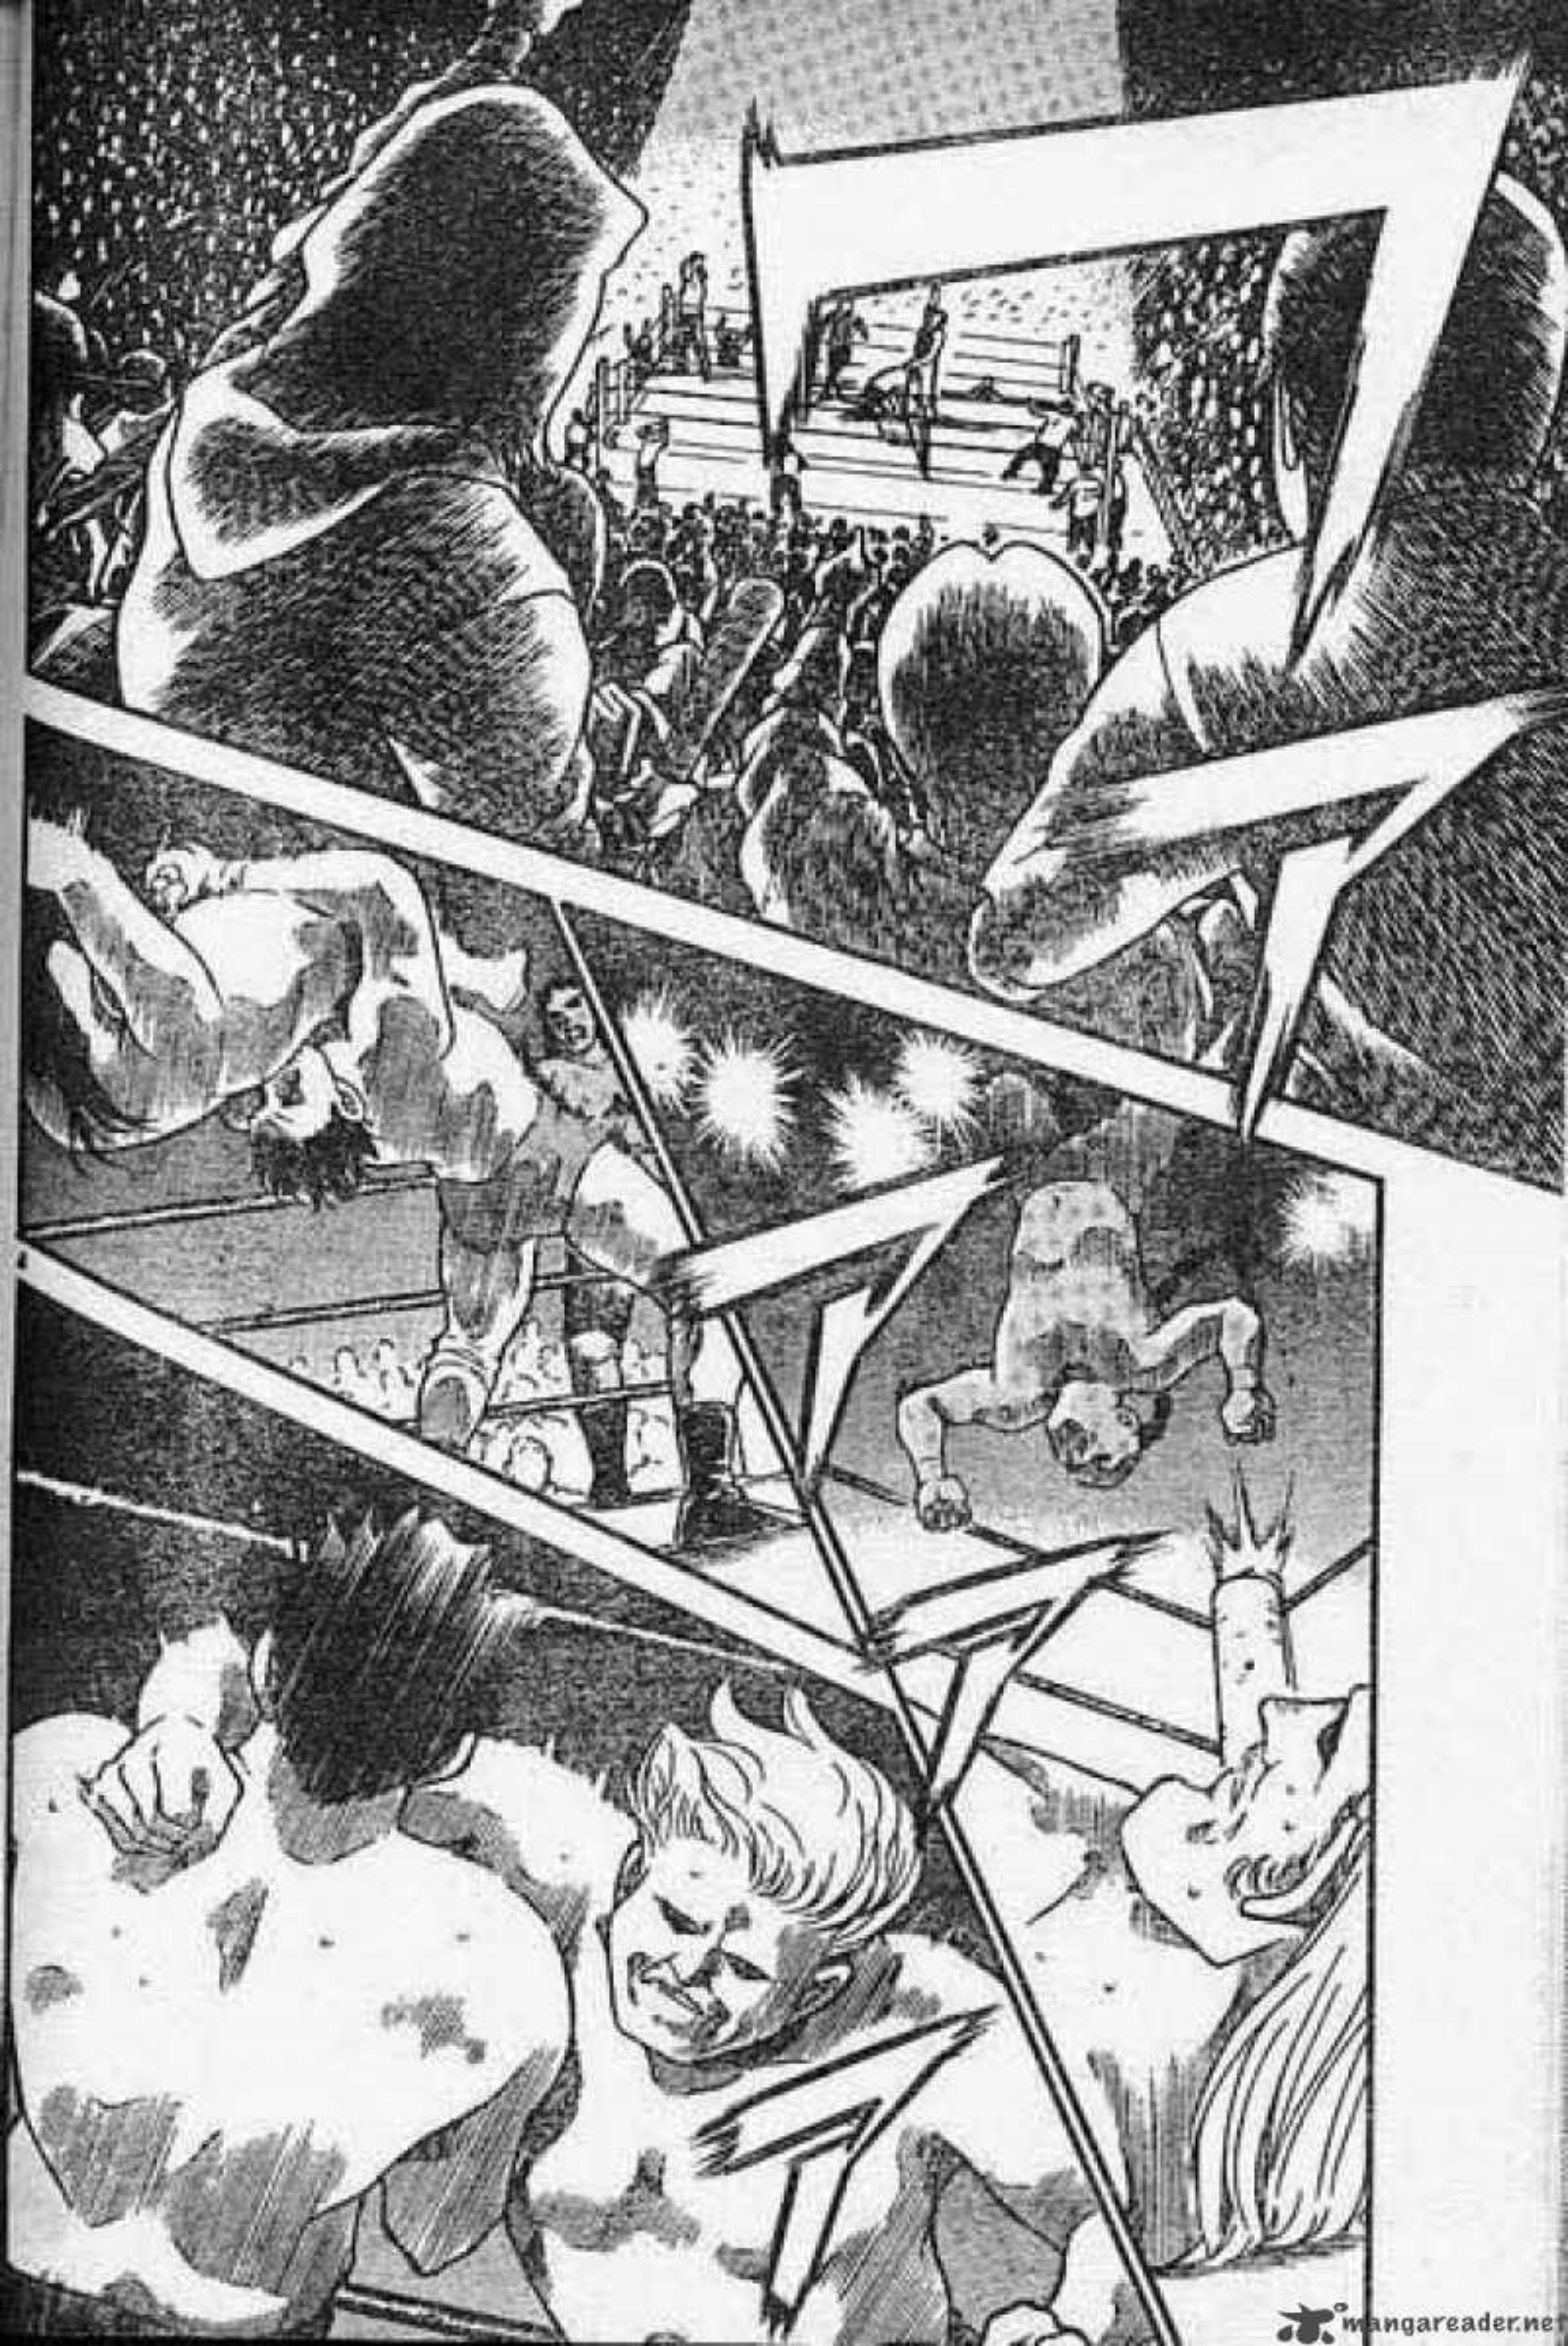

Ehm... what was the name?

especially that one-shot attack

even in my karate club the males were playing with prowres attaks

ohi ohi..

OH  
YEAH!!!

You're  
highly  
got...

KILL'  
HIM!!!

THERE!

登場人物

●毛利 隆 ●新一のGF、空手部の女生徒で気が強い反面、女の子らしい優しい一面も持っている。

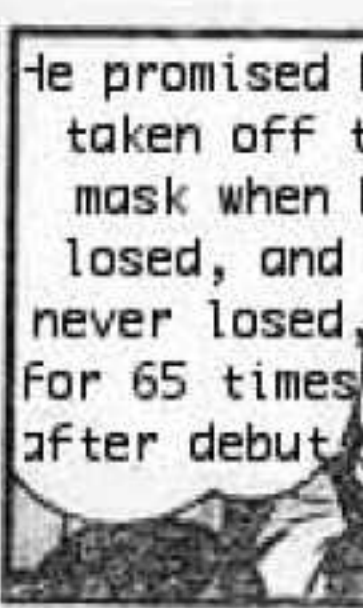

Wolface's battle is the event that titles the "junior heavy", so it is the last.

Ehi, Ran. When we'll see the wolf masked? Isn't he strong?

Eh? Why?

But I want a little to see him losing...

He promised he'd taken off the mask when he lost, and he never lost for 65 times after debut.

Yes!

so, is he a champion?

Sorry for being a bad man ...

He must be a bad man or a bald...

Mah! He's covering his face with mask

Because if he loses we can see how is his face!!

Yes

you are..

S, S... SO...

but I'm not bald...

Eh?

This is the identity of wolfmask

**Ogami Takaharu(27)**  
**Prowres**

Yes, it's known only to Teito prowres workers. My woman and my parents doesn't know it. I maked debut in Mexico as a masked-prowresler

So you didn't reveal your identity

No problem! They're thinking Wolface's Mexican

I, is good being here between so many fans ??????

**登場人物**  
●毛利小五郎 ●蘭の父親 ●へボ探偵だっただがコナンのおかげで世間からは名探偵だと思われている。

Ehm  
Isn't it sad?

But recently I think my woman is suspecting something.

And my combat mixes karate and Mexican combat technics, so it doesn't come out so easily...

and sometimes I play unmasked in pre-entertainment matches, obviously camouflaged

I like mask-mans

But you haven't a face to hide ...

オウマシ

Eh?

Hiding your identity from all?

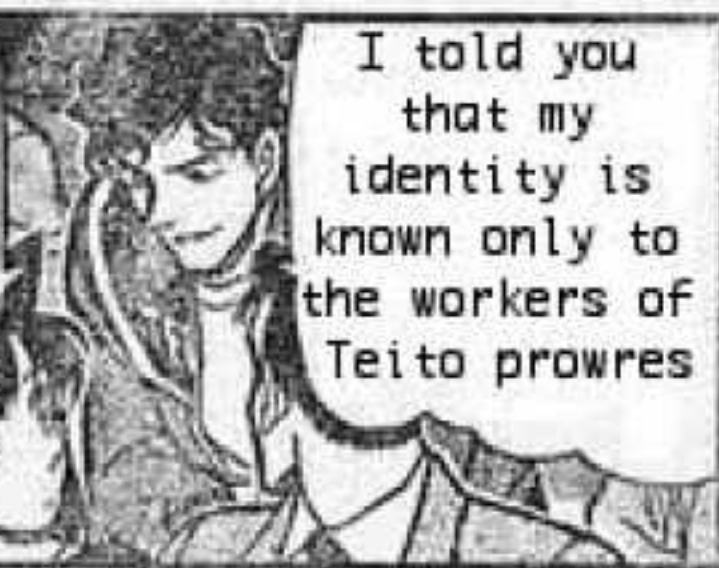

Ran..

It was good if you were Shin-ichi

I think that your woman wants you to tell her the truth.

If I don't tell her, if my identity breaks out, I won't have to suspect her...

I told you that my identity is known only to the workers of Teito prowres

...But I'm ready to it

sometimes the match becomes a hard, bloody battle.

and, I don't want her to worry seeing Wolface's combat transmitted in rush-hours because

*When he'll die and leave the ring.*

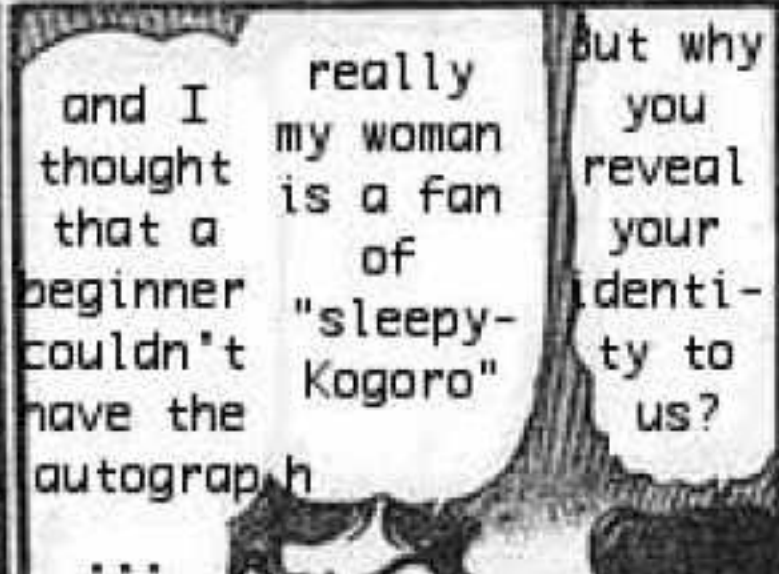

*Wolface's identity will be revealed when he'll lose and sink to the mattress*

an autograph directed to a Japanese girl name

Wolface can't speak with Japaneses without an interpteter so, he can't ask

But if you asked it when you were masked?

and I thought that a beginner couldn't have the autograph

really my woman is a fan of "sleepy-Kogoro"

But why you reveal your identity to us?

...

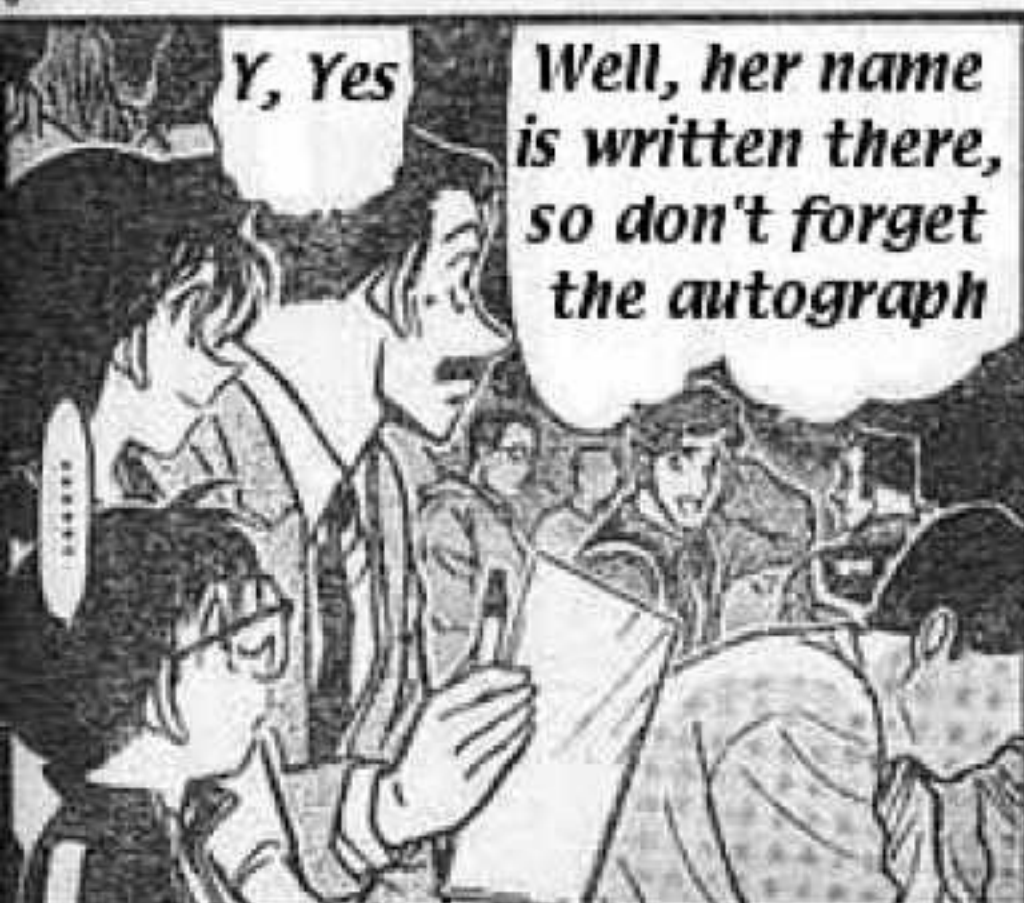

y, yes ...

*and I thought that you won't reveal my identity to others breaking child's dreams...*

...

Y, Yes

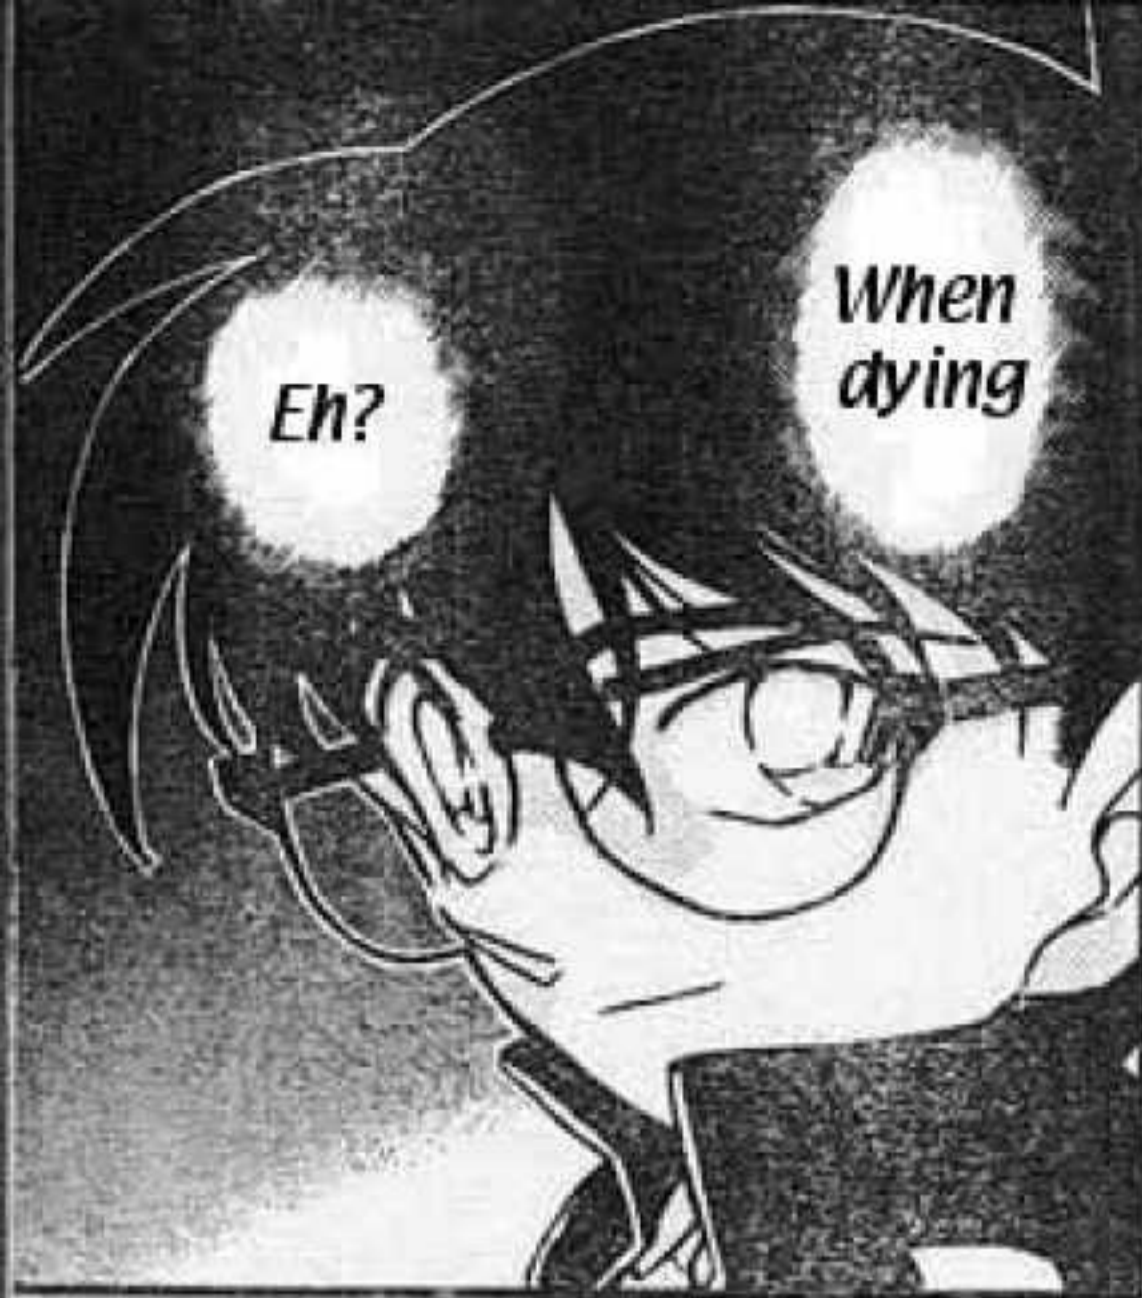

*Well, her name is written there, so don't forget the autograph*

**YEAH !**

Mr. Ogami your turn...

Eh?

When dying

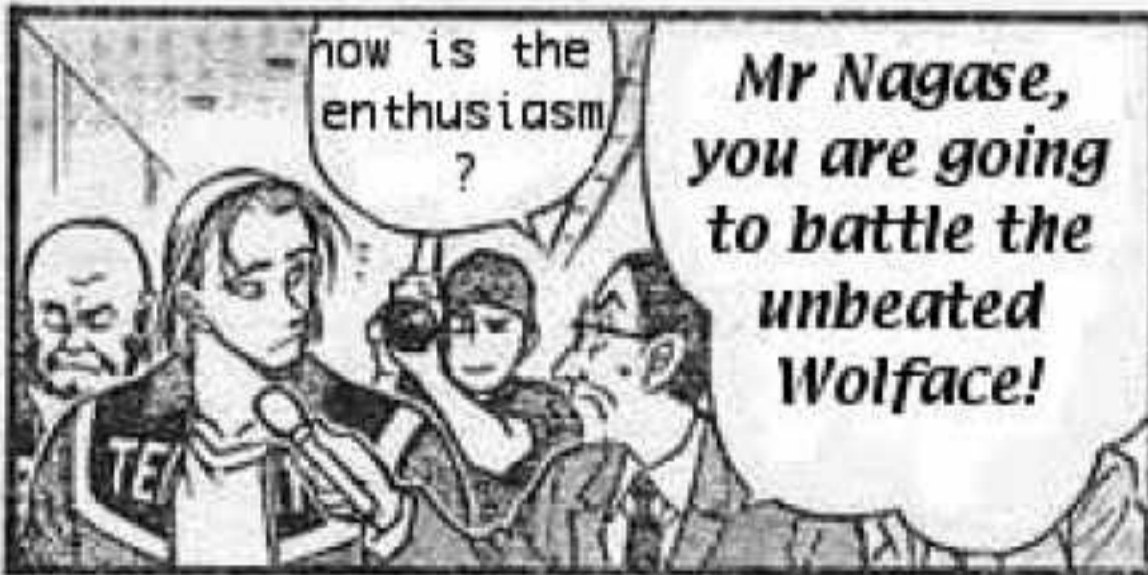

Revealing his identity

Turn here !!!!

MR NAGASE !!!!

MR NAGASE!!!

How is the enthusiasm?

Mr Nagase, you are going to battle the unbeated Woface!

Kyaaaaa!!!

I only want guests to see this my hard battle...

enthusiasm...

Upps!

Wolface is a Japanese?

Japanese wolf?

the idiot face of that Japanese wolf!!!

and I want you to see mee taking off the mask and revealing

Nagase Hyoda(27)  
Prowrestler

A joke, it's a joke!

?

What're you thinking?

Japanese player dressing room

EHI!  
NAGASE!!!

So what, Mr Ushigome?

Do you understand?  
Nowdays Ogami has the half of Teito prowres fame

Never tell to any people!!!!

You know Wolface's identity is TOP SECRET!

Ushigome Iwao(36)  
Prowresler

...to lose?

You are telling me, who acquired fame and strength training deadly, and who am at the first apparition in main events...

What?

Otherwise with your strength you could became a famous pro wrestler...

What are you saying? Wrestling is beauty!

Hahaha... effectively you can't lose with him in beauty, but in strength.

Are you going to hurt your body before the match?

Ehi Nagase! What are you saying to senpai!

Sakuma  
Hiroyuki(25)  
Prowrestler

...to hide your malformed face and up your fame

If I'll win, I'll present to all of you a mask ...

We are warming up in different rooms, so please call us when it's the time.

And if anyway I'll be losing don't worry

I'll point to it and I'll stop his movement

He's hiding it, but his right knee isn't even healed

I'll win at "200 over"

Ee... there are no problems

I put the same mask on one of yours and I tried to take it during combat for many times

I can take his mask on the ring

And I, as the man who revealed the identity of Wolface and become fired by Teito prowres, will come to your ring as a unlucky wrestler

When his identity will be revealed the match will be stopped, Teito's fame will bwcome half and I could be fired

Bankoku prowres?

I entrust you for that time

Next is  
Wolface!!

Not for  
nothing  
he's the  
boss of  
Teito's

Yes

Do it fast  
because  
it's  
starting!

Ah...

go to  
toilet a

Ah...

Eh?

**What re you doing! The match is starting!!!**

No, no! Client's toilet is at second floor

I must go only to toilet! Please!

You can't come here, it's allowed only to workers

No, he's not coming out from the dressing room...

What's happening to Nagase?

Yo yo

M, Mr Kiba ...

**So we can pull him out and take him to the ring!**

We had something before and nobody wanted to do his "second", so I had to di it and I came to call him...

What's happening, Sakuma?

**Ehi, Nagase! Ehi!!!**

**Come out immediately!!!**
